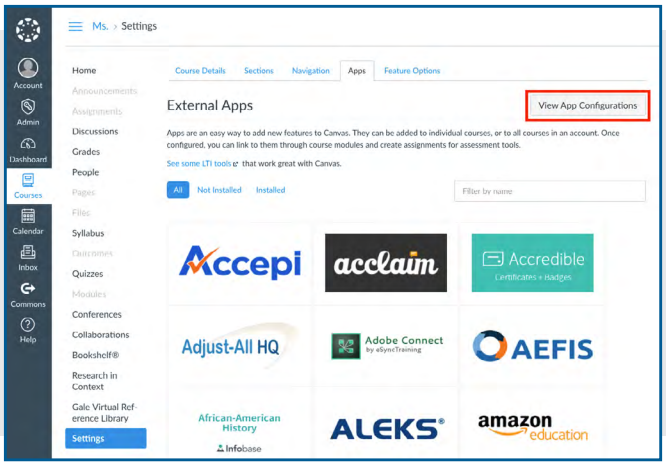
GALE RESOURCES IN CANVAS

Connect learners with premium content in Canvas. Follow the steps below to add trusted Gale resources to your courses.

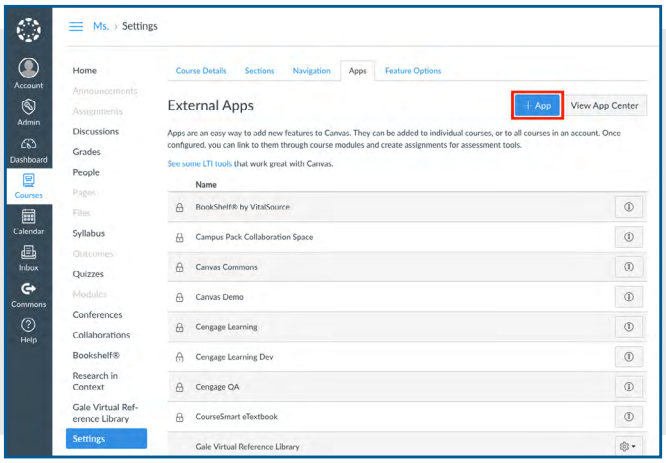
STEP 1

Access the course of your choice. Within the **Settings** of your course, **View App Configurations.**



STEP 2

Click **+App** to begin adding one of your Gale resources.

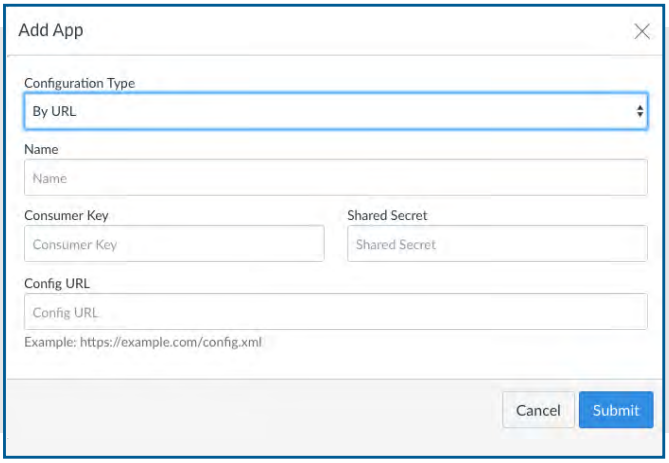


STEP 3

Use the Configuration Type drop-down to select **By URL**, and then enter:

- **Name** - title of the Gale resource
- **Consumer Key** -
- **Shared Secret** -
- **Config URL** -

Click **Submit** to save your changes.

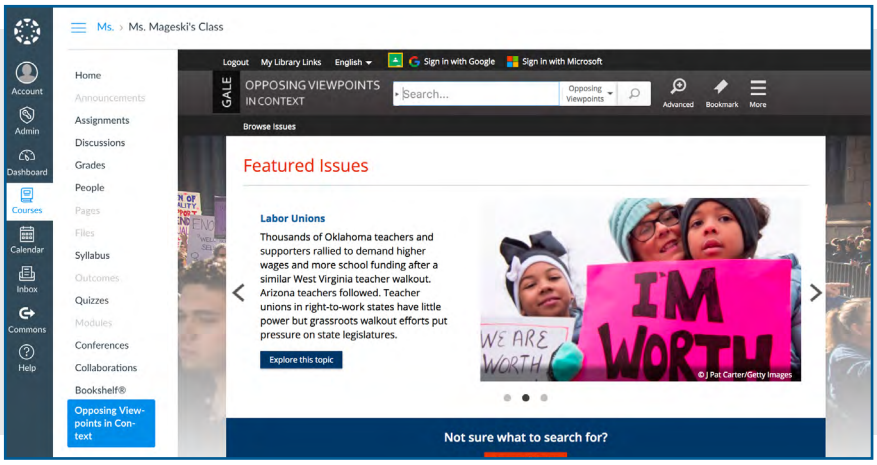


GALE RESOURCES IN CANVAS

Connect learners with premium content in Canvas. Follow the steps below to access and embed trusted Gale content in your courses.

SEARCH AND NAVIGATE

Once you've added Gale resources to Canvas, you and your students can access them from your course menu. Features and tools function exactly as they do when accessed outside Canvas.

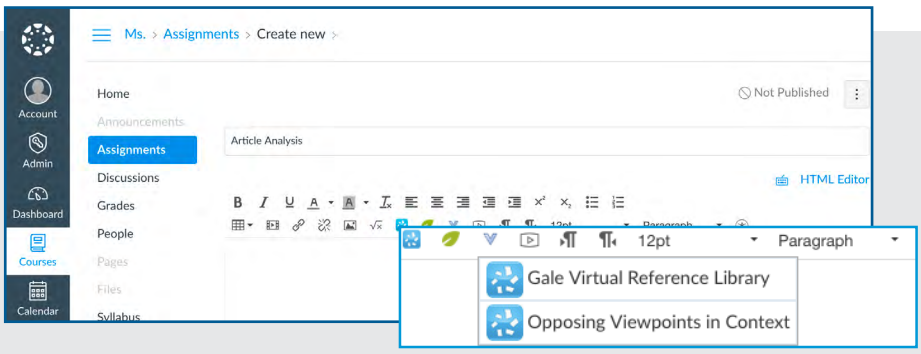


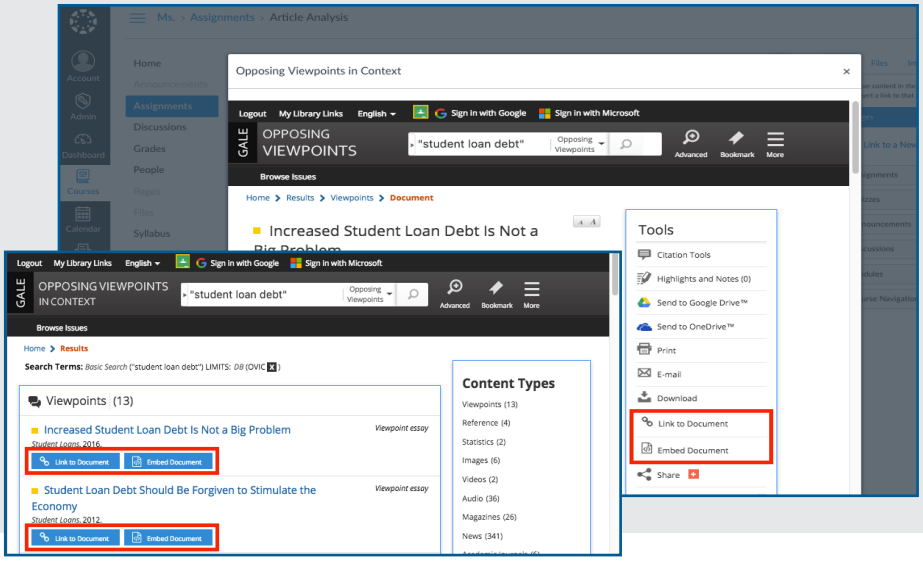
EMBED GALE CONTENT

Use the Rich Content Editor in an assignment, discussion, or quiz to access the Gale resources you've added to Canvas.

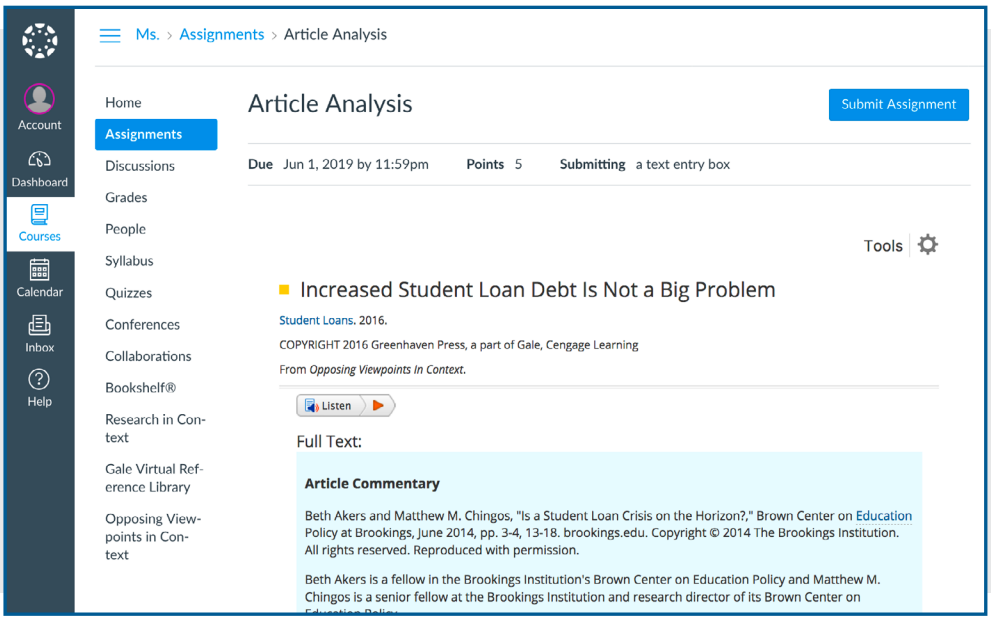
Search or browse to access a list of search results, or an individual document.

Then, use **Link to Document** or **Embed Document** to add trusted Gale materials to your course.



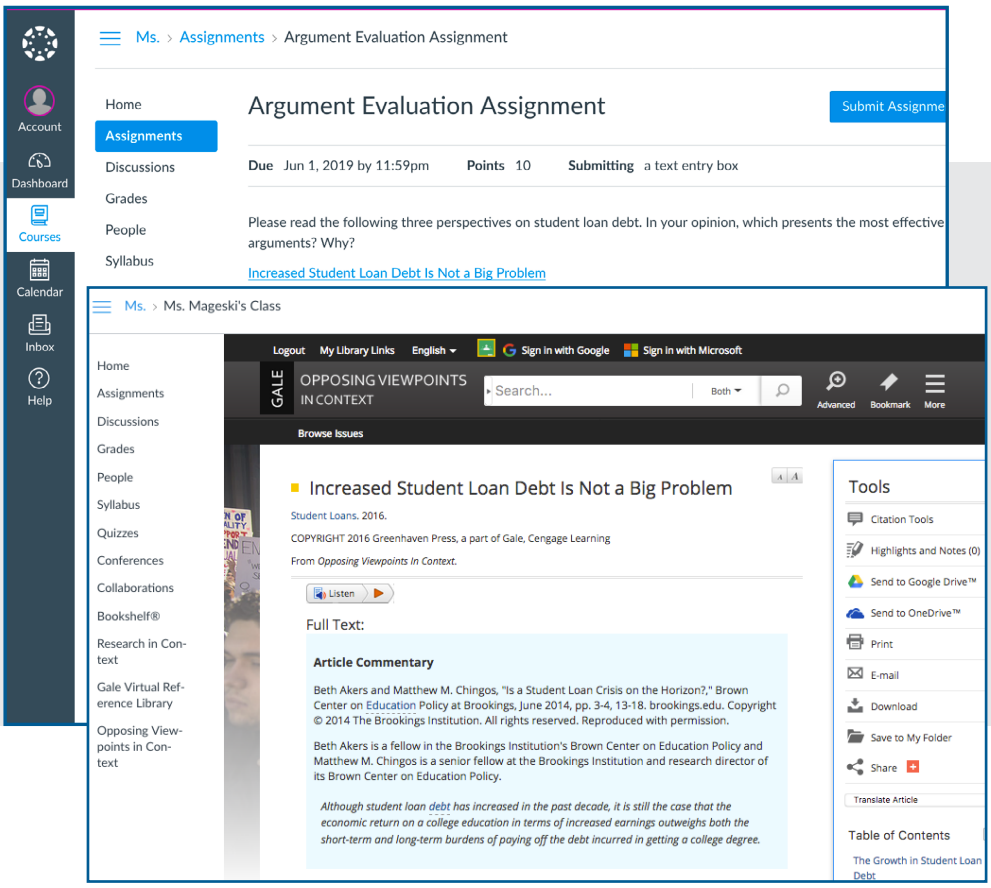


Embed Document



Places the entire result within the assignment, discussion, or quiz

Link to Document



Adds a link that opens the Gale resource to the document within the assignment, discussion, or quiz
