1. (a) Call to Order

Jeff Lamb called the meeting to order at 2:05 p.m.

2. Accreditation Report

Jeff Lamb and Robin Steinback explained that the purpose of this meeting was to do the final editing to the October, 2009, Accreditation Report and to connect all evidence to the document. Robin advised that SCC is required to submit three versions of the final document to the ACCJC; i.e., 1 hardcopy version, 1 CD version, and 1 Email version. Dr. Laguerre clarified that the final document must be sent to the members of the Governing Board on Thursday, October 1—it will be included in their Board Packets for the October 7, 2009, Board Meeting.

Jeff Lamb led the meeting participants through each Recommendation in the Report for both editing and evidence identification purposes. Missing evidence and the person responsible for providing that evidence were identified. All agreed that emailing “typos” to Tracy Schneider was the most expeditious way to handle those corrections.

It was moved by Lou McDermott and seconded by Erin Duane to approve the October 15, 2009, Accreditation Report. The motion passed unanimously.

The meeting was adjourned at 4:40 p.m.
