

Assessment Committee Senate Report  
October 19, 2015

The Committee met on October 8<sup>th</sup>.

Members present: Kevin Anderson, Curtiss Brown, Amy Dauffenbach, LaNae Jaimez, Randy Robertson, Gene Thomas

Most of the meeting was spent on identifying the course that will be used to assess GELOs. We want to use assessments already done rather than make separate assessments. We tried to have the courses from all Schools represented. We also selected courses that would have good student populations (some courses would work well, but we thought the lower enrollments might be an issue). But so far:

Communication

Reading: Engl 2

Writing: Engl, 2, Engl 4

Listening: HS 55, Nurs 55, 60 or 61

Speak and Converse: Comm 6, Photo 56, TV 55

Critical Thinking/Information Competency

Analysis: Drft 79, Math 104, Psyc 4,

We have the rest to do!

Also, on Nov. 12<sup>th</sup>, we'll have a conference with people from Curricunet on using their software for assessments (our current database was designed to be temporary).
