

SOLANO COMMUNITY COLLEGE DISTRICT

CONTRACT EDUCATION

6110

PROCEDURES

The District may contract for instructional classes to be offered at the request of public or private agencies or groups.

The development, review, approval, and evaluation processes and criteria for for-credit contract education instructional classes follows the same procedures for all for-credit courses offered at Solano Community College.

In general, for-credit contract education courses are offered at the site of the public or private agency requesting the course. Contract education courses may be offered as closed for-credit or as open, FTES-generating.

(Insert procedure for both types of contract education courses here)

The appropriate School Dean and Vice President for Academic Affairs develop the contract and submit for Governing Board ratification/approval.

See Governing Board Policy 6110, *Contract Education*
