

To ensure equitable distribution of funds, the PDFC committee reserves the right to not fund a request based on the professional development needs of ALL faculty.

Supplementary questions to be answered when applying for PD funds a second time during the same year. A year is defined as August to August.

1. Provide evidence of how you have incorporated your most recently funded professional development into your work at SCC.
2. If funded, how will you incorporate this professional development into your work at SCC?
3. Specify how this professional development is substantially different from the previously funded professional development.
