

# PROFESSIONAL DEVELOPMENT/ FLEXIBLE CALENDAR COMMITTEE

Here are the following announcements from the Professional Development/Flexible Calendar committee:

- The PDFC committee is forming a working group to establish a list of pre-approved Flex Cal activities. Interested individuals should contact Michelle Smith ([michelle.smith@solano.edu](mailto:michelle.smith@solano.edu)).
- Also, the committee would like to offer the Distinguished Faculty awardees the opportunity to participate in the [California Great Teachers Seminar](#). Any updates from that task force would be greatly appreciated.
