

On February 2, 2020, the Academic Senate passed *Resolution 4.3.20: Commitment of the Academic Senate of Solano Community College to the 2020 Graduation and Commencement Ceremony*. In addition to our commitment to participate in the graduation ceremony, the Senate also committed to encouraging and supporting all faculty to support our students by attending the 2020 commencement ceremony. This year the Office of the Superintendent/President is sponsoring a reception for faculty and deans prior to lining up for the graduation ceremony (details are still being determined). The SCC bookstore is currently researching less expensive options for rental and purchase of regalia.

Senate would like you to complete a short survey about why you attend or do not attend the SCC graduation ceremony. We would like to make graduation accessible and inviting to all faculty. As you know, there are practical limitations to what we can do, but there may be some changes that can be made. In addition, we can get a head count for this year's ceremony.
