The list below is accurate, with the exception of needing to include one of the restrooms in 2600 (small restroom building near the tennis courts). Note, though the signs were changed, we were waiting for door hardware to replace those in 500, 700 and 1400 to allow for public use. The door hardware is scheduled to be changed tomorrow.

Here are the bathrooms:

- A. Building 500:
  - a. 2 single occupancy bathrooms next to 530: designate the one on the left (closest to the main hallway) as STUDENT and the one on the right (next to 530) as STAFF
- B. Building 700:
  - a. 722 – STAFF
  - b. 732 - STUDENT
- C. Building 1400:
  - a. 2 single occupancy bathrooms flanking the water fountain across from the bookstore; one STAFF & one STUDENT
- D. Building 1600:
  - a. 1641 is already designated for STAFF
  - b. 1627 – STUDENT
  - c. 1628 – STUDENT and DISABLED
