

Adjunct Faculty Pay for SLO Assessments, Curriculum, and Program Review

This form captures adjunct faculty's work hours spent on SLO assessments, program review, and curriculum development, all of which get submitted in eLumen. Currently, the contract allows for a maximum of seven (7) hours of Category 3 pay per semester for such work.

Reimbursement for these hours will be processed at the end of the term (or the following term if you are only submitting SLO assessments: ex. Spring 21 assessments will be reimbursed at the end of Fall 21). The submissions will be sent to your respective administrative assistants who will then forward the information to HR at the end of the semester.

The contract hours allocated for "eLumen" work are **NOT** the same as the Flex hours. Therefore, please do **NOT** submit these hours for flex credit in the PDFC portal.
