#### *Budget Update – Erin Duane*

The senate's latest balance is \$10,866.44. Senate anticipates \$126 per month from regular contributions. Please remember that any donation amount is helpful and is now tax deductible. These funds are used to support the Senate's activities, Distinguished Faculty Awards, and the Student Scholarship fund. (information item; not for action)

#### *Allocating additional senate funds for student scholarships – Rebecca LaCount*

To increase Senate scholarships, this fund would need to increase. Senator LaCount presented scenarios where Senate donates to the scholarship fund in order to accomplish this goal. Senate approved a motion to match faculty contributions up to \$3K and to organize a campaign to encourage faculty to contribute so that Senate can offer more scholarships, with larger awards.

### **INFORMATION/DISCUSSION**

#### *Ethnic Studies Job Description Standard Text- LaNae Jaimez*

Senate engaged in a lengthy discussion about creating a standard text and looked at data regarding a lack of ethnic diversity in hiring at all CCC's, including a look at SCC's data specifically. Senate will continue to review the standard text and the meeting's discussion and revisit this topic at the next Senate meeting.
