Open registration for these classes is available until midnight prior to the class start date if seats are available. Late registration will apply when the class starts. **Late Registration:** You can still register for a class once it begins on a space-available basis for a limited time. Go to the class(es) and ask the instructor for an Add Code. Then, go to MySolano to add your class. After you enter the CRN number, you will be asked to enter your Add Code. Add Codes may be used through midnight the day before the course census date. Please, see instructor for the applicable course census date.

Other Helpful Tips

-Students may NOT sit in class without being registered for class. -It is your responsibility to drop yourself by established deadlines. Failure to do so may result in undesirable grades and/or fees. If you have questions, please contact us at admissions@solano.edu or 707-864-7171
