***Late Registration:** You can still register for a class once it begins on a space-available basis for a limited time. Go to the face-to-face class(es) or email instructors for online classes (format: firstname.lastname@solano.edu) and ask the instructor for an Add Code. Then login to MySolano and add your class. Add Codes may be used through midnight on the Last Date to Enroll/Last Date of Late Registration. If you do not hear from an online instructor within a few days, they do not have room to add you.

****Late Start Classes:** There are classes that begin each month throughout the semester. Open registration for these classes is available until midnight prior to the class start date if seats are available. Late registration will apply when the class starts.
