

Important Dates and Deadlines – Summer & Fall 2017 and Spring 2018

- Students:** Please see your Schedule Bill via MySolano for class-specific deadline information.
Faculty: Please see your MySolano roster for class-specific deadline information.
Staff: Please see SSAACCL for class-specific deadline information.
All: Students should add and drop all classes online via MySolano.

Waitlist Notification/s: Notifications that a seat has become available are sent **only** to students' Solano email address. Be sure to watch your email for these notifications! When a seat becomes available, the system will allow only 48 hours from notification for you to register in the class before losing your place on the waitlist.

Late Registration – Add Codes: You can still register for a class once it begins on a space-available basis for a limited time. Go to face-to-face class(es) or email instructors for online classes (format: firstname.lastname@solano.edu) and ask the instructor for an Add Code. Then login to MySolano and add your class. Add Codes may be used through midnight on the last day to add a full-term class. Add Codes are issued only by the instructor.

Late Start Classes: There are classes that begin each month throughout the semester. Open registration for these classes is available until midnight prior to the class start date if seats are available. Late registration will apply when the class begins.
