Solano Community College Horticulture Club

For over 25 years Solano Community College has had a very active & productive **Horticulture Club**. The club holds plant sales to raise money for Horticulture student scholarships. The

SO, WHY JOIN? All members have access to the latest horticultural practices from the college horticulture staff (expert advice always available), discounts to local nurseries & landscape supply businesses, monthly demonstrations and seminars on gardening issues, access to Horticulture Club at SCC Propagation and Greenhouse Facilities, a community garden plot area at SCC to grow your own vegetables, and associated memberships in the California Garden Clubs and National Garden Clubs of America. All for only \$12 per year!

Horticulture Club meetings are held the 3rd Monday of each month at 6-8:30 p.m. in the Solano Community College Horticulture Building 1000, For more information, contact **Ken Williams** at 707-975-6856.
