The Human Collective (a SCC club created to promote and encourage professional development of psychology and human services students through the promotion and recognition of excellence in scholarship, leadership, research, and community service) collaborated with Green Valley Middle School WEB club to make hats with ponytails for people who may have hair lost due to different conditions, e.g., cancer, alopecia. With the help of Ms. Toni, who attached the hair to the hats, 6 ponytail hats are completed and ready to distribute to those in need. If you know someone who might want a ponytail hat, please email blieu@students.solano.edu. A special thanks to Brenda Lieu, a Solano College student, for leading the effort and donating her hair. We also would like to thank all the 7th graders who participated in the event at GVMS, cut our hair and those who wrote fun notes to distribute to patients in healthcare facilities. This truly reflects a collaborative community project-bringing to life the mission of Solano College.

**Come join the Human Collective
club! We meet January 27th
at 12 noon in room 801!**
