Notice to Students Regarding Parking on All Solano College Campuses

Fall semester classes begin on August 13th, 2018. If you haven't already done so, now is the time to purchase your semester parking permit online through MySolano.

To purchase your parking permit:

1. Log into your student account on MySolano

2. Click on "Student Parking", located on the bottom right-hand side underneath the "Parking" header

Be sure to have a printer available at the time you make your purchase in order to print

the temporary permit you'll need to use until your decal arrives in the mail. Purchasing a decal now for \$20 will eliminate your need to worry about having permit for the entire semester. Another option is to use the daily parking permit dispensers located on the perimeter of each of the campus parking lots.

Parking permits are refundable if you drop your class/es and the parking permit is returned to the Campus Sheriff's Office (Building 1800B, across from the tennis courts on the Fairfield campus) no later than the refund deadline of your class/es. Be sure to check your Student Schedule/Bill to find the refund deadline of your class/es.

You may find our Parking Handbook helpful in understanding the rules and policies for parking on our campuses at http://www.solano.edu/police/p_permits.php.
