

No Shave November Contest

No Shave November is all about having an opportunity to start fresh and see how things grow. All proceeds donated will go to Mission Solano, a shelter for the homeless. By entering this contest you commit to not shaving any facial hair whatsoever to promote this month long charity event and showing your support in the cause of social responsibility. To win this contest you will be judged on length, thickness, and style. All you have to do enter is give your name, phone number (if you want), and email. You also need to take one picture after your shave to begin the contest.
