

## Early Assessment Program (EAP)

The Early Assessment Program (EAP) is a collaborative effort among the State Board of Education (SBE), the California Department of Education (CDE) and the California State University (CSU). The program was established to provide opportunities for students to measure their readiness for college-level English and mathematics in their junior year of high school, and to facilitate opportunities for them to improve their skills during their senior year.

## Test Determinations

### English

- Ready for CSU or participating CCC college-level English courses
- Ready for CSU or participating CCC college-level English courses – Conditional
- Not yet demonstrating readiness for CSU or participating CCC college-level English courses

### Mathematics

- Ready for CSU or participating CCC college-level mathematics courses
- Ready for CSU or participating CCC college-level mathematics courses – Conditional
- Not yet demonstrating readiness for CSU or participating CCC college-level mathematics courses

## Exemptions

Students whose results indicate **Readiness** are **exempted** from taking English and/or Math placement test at SCC.

Student whose results indicate readiness are eligible to enroll into following English and/or Math courses at SCC:
