1. **Call to order** – Josh Scott
2. **Comments from the public.**
3. **The State of the Academic Success and Tutoring Center (ASTC) and our Teaching Apprentice (TA) Program.** George Olgin and Jose Cortes will provide an update on the states of the ASTC and our TA program. We'll learn about the successes of these programs, get a chance to see available data, and discuss how these programs need to evolve in order to more fully honor and empower our students. We will also discuss implications of the sunset of BSSOT funds on our TA program. Note: we also want to discuss how best to support the Math Activity Center (MAC) and the embedded tutoring program within mathematics, and how to maximize the MAC's collaboration with the ASTC. However, Sarah Donovan will be at a conference, so we may need to postpone this portion of the conversation.
4. **Adjourn.**

Upcoming Meetings:

April 12th: Student Equity Plan

April 26th: How best to support our DSP students

May 10th: The Dreamers Center—its status and how best to support our undocumented students.
