

Welcome to Solano Community College!

Greetings from your Superintendent-President

Welcome to Solano Community College! This guide to SCC's schedule of classes is designed to support you in making the right choices for the upcoming semester and to help you plan your educational pursuits as a Solano Community College student.

You have several options for your studies and we urge you to choose wisely. Meeting with one of the College counselors will help you to develop an educational plan and a schedule that are right for achieving your educational goals.

A variety of services to students is provided to ensure your success. By taking advantage of these services, you will avoid unnecessary hindrances to your College planning and you will be connected to resources to make your College experience meaningful and less arduous. The suite of services we offer our students includes financial aid, counseling, free tutoring, career planning, student activities, support for students with disabilities, support for veterans, support for minority

students, and more. Your counselor can introduce you to the services appropriate for you. The Academic Success Center, located in the library, has become a preferred place for students seeking support outside of the traditional resources available.

For those of you interested in going on to a four-year college or university, we have many associate degree and transfer programs to examine, including the transfer programs with California State institutions. If you are seeking to upgrade your skills to find new employment, we have programs offering certificates of achievement.

Our dedicated and enthusiastic faculty—many with regional, national, and international reputations—have extensive knowledge and expertise to share with you in our many state-of-the-art, multi-media equipped classrooms and labs.

Solano Community College has a proud tradition of serving the citizens of Solano County and Winters and we hope that you will join our educational community.

Welcome!

Jowel C. Laguerre, Ph.D.
Superintendent-President
