# Welcome to Solano Community College!

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and thank you for choosing SCC. We have three campuses conveniently located near you: Our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and many classes are also available online. Your decision to pursue a college education, whether it's a degree, a certificate, or transfer to a four-year college, is an important goal and we are here to help you succeed.

This schedule provides information on when and where classes are offered, available support services, and the required steps for completing an application and enrolling in classes. For information on degrees, certificates, and requirements for transferring to a four-year college, review the College Catalog. In the catalog, you will find course descriptions and requirements

for completing your degree or certificate as well as additional information on student services, including assessment, counseling, tutoring, and financial aid.

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. Our centers and the main campus offer day and evening classes, a variety of support services, and co-curricular activities (clubs, job fairs, etc.). Our Vallejo Center offers the opportunity to complete a Bachelor's Degree in Liberal Arts from Sonoma State University and our Vacaville Center will soon offer a Bachelor's Degree in Biotechnology.

It's time to experience all that SCC has to offer. Take advantage of our programs and services to advance life-long learning, to upgrade your job skills, or to complete a degree, certificate, or to transfer. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy one of many musical performances or visit one of many athletic events. We look forward to seeing you. Sincerely,

Celia Esposito-Noy, Ed.D.  
Superintendent-President  
Solano Community College

# SCC IS RIGHT FOR YOU!

## QUALITY EDUCATION AT AN AFFORDABLE PRICE

As a full-time student at Solano Community College (SCC), you can expect to pay a little more than \$1,380 in annual fees (30 units at \$46/unit). You'd pay more than \$5,778 a year at a California State University (CSU) campus and \$11,893 at a University of California (UC) campus. SCC offers many financial aid options and scholarships to help you maximize your financial resources.

## INCREASE YOUR EARNING POWER

SCC graduates earn as much as twice the State's average wage in some cases. The average lifetime income of an SCC graduate with an associate degree is more than \$1 million - about \$250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example. Associate of the Arts and Science degree holders earn 22% more than those with a high school diploma.

## TRANSFER TO A 4-YEAR UNIVERSITY

Solano Community College is the place to begin your B.A. degree! You are able to complete lower division general education and major preparation courses prior to transferring to any public, independent, or out-of-state college of your choosing. Solano students may be guaranteed admission to many UC and CSU campuses through Transfer Admission Guarantee (TAG) programs. It is important to work closely with your Solano counselor to develop an appropriate educational plan. Please visit the Transfer Center in Room 402 or ask your counselor for more information.

## OUTSTANDING FACULTY

SCC faculty are recognized regionally, state-wide and nationally for their excellence in the classroom. They've joined the SCC faculty because they love working with students.

**Solano Community College is a SMOKE-FREE CAMPUS**

# Associate Degree for Transfer (ADT)

The Student Transfer Achievement Reform Act of 2010 (SB 1440 - Padilla) enables the California Community Colleges and California State University to collaborate on the creation of Associate in Arts Degree (AA) and Associate in Science (AS) Degree transfer programs. Upon completion of the associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system. Students are given guaranteed admission into the California State University (CSU) system, and further are given priority consideration when applying to a particular program that is similar to the student's community college major. Each of the ADT Programs require no more than 60 units for completion and transfer. For more information, see a Solano College counselor or visit the California Chancellor's Office website on SB 1440 Associate Degrees for Transfer <http://www.sb1440.org>.

If you decide not to attend one or more classes in which you are enrolled, be sure to drop them officially on MySolano before the published fee refund deadline so the fees will be reversed and your academic record will not reflect an F or a W.

*\* Fees subject to change by State Legislature or governing board.*

# Financial Aid

The Financial Aid Office offers many types of financial aid programs that may help offset the cost of higher education such as tuition, fees, books, supplies, housing, transportation, and personal expenses. Financial Aid is one of the many tools to help students achieve their educational and career goals, but it does not fully support all student expenses.

## HOW TO APPLY FOR FINANCIAL AID

**FAFSA (Free Application for Federal Student Aid):  
Title IV School Code 001292**

[www.fafsa.gov](http://www.fafsa.gov)

**The annual FAFSA priority filing period is March 2 every year.**

Students can still apply after the annual priority date of March 2. The FAFSA may be submitted late through the end of the Spring term. Please be aware that application processing may take up to 10 weeks after completing and submitting additional “Student Requirement” forms and documentation to the Financial Aid Office. **Students are encouraged to read the frequent MySolano student email blasts sent from the Financial Aid Office.**

**STEP 1: Apply with FAFSA** online at: [www.fafsa.gov](http://www.fafsa.gov) every year beginning October 1. Check your FAFSA status online at [www.fafsa.gov](http://www.fafsa.gov) AND your financial aid status by logging into MySolano at: [www.mysolano.edu](http://www.mysolano.edu).

**STEP 2: BOG fee waiver eligibility** is evaluated from the FAFSA. If eligible, fee waiver award notification will be sent to the student’s MySolano email account. The BOG fee waiver will show on the MySolano student account under “Print Receipt & Schedule” after the student enrolls in courses each term. CCCApply online BOG fee waiver available now on the Financial Aid website [www.solano.edu/financial\\_aid/feewaiver.php](http://www.solano.edu/financial_aid/feewaiver.php).

**STEP 3: Check MySolano financial aid status and submit “Student Requirement” forms and documentation** to the Financial Aid Office. All forms and documents must be filled out clearly, completely, signed and dated. Applicants selected for Federal verification of FAFSA data will be required to submit additional documentation to the Financial Aid Office.

**STEP 4: Financial Aid staff review, process, package, and award** all eligible financial aid after “Student Requirements” are submitted to the Financial Aid Office in date order received. It is the student’s responsibility to check their MySolano financial aid status and MySolano email notifications for any changes or updated information required by FA staff. Financial Aid award disbursements are based upon “student eligibility” and “enrollment status.”

**STEP 5: Maintain financial aid eligibility** by meeting Satisfactory Academic Progress (SAP) standards and guidelines. Check your MySolano financial aid “academic progress” after grades reported following each term. Refer to the Satisfactory Academic Progress section of the Financial Aid webpage at [www.solano.edu/financial\\_aid/academicprogress.php](http://www.solano.edu/financial_aid/academicprogress.php)

### ATTENTION

It’s not too late to apply after the annual March 2 priority filing deadline. All students are encouraged to submit the FAFSA (Free Application for Federal Student Aid) to see if they qualify for federal grants, work-study and student loans. Title IV Federal School Code 001292

### BOG FEE WAIVER CHANGES – IMPORTANT – PLEASE READ!

Once you've qualified for the BOG Fee Waiver, it is important to ensure that you are meeting the academic and progress standards in order to avoid losing the fee waiver.

#### Academic – Sustain a GPA of 2.0 or higher

CARE is a supplemental component of EOPS that specifically assists EOPS students, who are single heads of households with young children, by offering supportive services so they are able to acquire the education, training and marketable job skills needed to transition from welfare-dependency to employment and eventual self-sufficiency for their families. Every CARE student is an EOPS student who must meet the eligibility criteria for both programs.

## Satisfactory Academic Progress (SAP)

Federal and State financial aid regulations require Solano Community College to establish, publish, and apply qualitative, quantitative and incremental standards by which they can determine whether a student requesting and/or receiving financial aid is maintaining Satisfactory Academic Progress (SAP) in their program of study. Financial Aid requires a declared major and enrollment in a Title IV eligible program (16 or more units in length). The Financial Aid Office evaluates all three standards to determine if a student is meeting minimum standards at the end of each semester. The SAP evaluation includes both the semester and cumulative grade point average (GPA) and pace of progression or completion rate. The qualitative and quantitative components of minimum SAP standards are as follows:

- 2.00 Grade Point Average (GPA)
- 67% Pace of Progression (includes grades of F, W, NP)
- 150% Maximum timeframe in Program of Study

Discipline Note: Students enrolled in online sections of OCED 090 and OCED 091 are required to attend a one-time on-campus orientation. Both orientations will be held in Room 812 (Building 800). There will be two (2) orientations from which to choose: Orientation #1: Friday, August 16, 2013, from 6:00-8:00 pm; Orientation #2: Saturday, August 17, 2013, from 12:00-2:00 pm.

# ONLINE CLASSES

Solano Community College offers two types of Internet classes for credit: online and hybrid classes. Online classes are taught over the Internet and hybrid classes are taught partly over the Internet and partly in the classroom. These classes have regular assignment schedules and reading material and the same learning requirements as traditional classes. Participation in online sections and hybrid sections require that the students have a computer with Internet access and a web browser. The individual classes will also have additional requirements such as a textbook and possibly a specific software program to be used. You might also have to come to campus for an in-person exam.

**Online:** These classes utilize the Internet to create an educational experience that can be completely independent of time and place. Students still purchase textbook(s) and take tests, but they do the majority of the classwork at a computer connected to the Internet. They work according to their own schedule, at home, in the office, or on open access computers on campus in the library. Course materials, the syllabus, assignments, tests, and links to other Web resources are contained on the course site. Students communicate with their instructor and each other by sending and receiving email and by participating in “threaded discussions.” These are discussions that continue over time where students drop in to read the comments and to add their own. While online classes may not be for everyone, they are well-suited to students who are self-motivated, who have access to a computer, who may have busy schedules, and who may not be able to travel to campus for classes with specific meeting times.

**Hybrid:** These classes use a combination of the face-to-face and online formats. Some activities will be conducted in a group (traditional class) format and some activities are conducted (online). These classes offer the best of both worlds - flexibility with the online portion and the sense of being in a group with the traditional class meeting.

Courses taught by SSU faculty are scheduled evenings and weekends at the Vallejo Center for students with work, family or other commitments, who are not able to join traditional programs on our main campus.

## **COMPLETE YOUR DEGREE THROUGH SSU**

The SSU Liberal Studies B.A. program is excellent preparation for students interested in careers in teaching, the legal profession, social services, nonprofit organizations, or business, as well as graduate work in the social sciences and the humanities.

More than just a convenient way to check off the list of degree requirements, the Liberal Studies degree completion program is a supportive and transformative learning community, where students are challenged intellectually as they encounter the full range of human knowledge.
