

Welcome to Solano Community College!

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and thank you for choosing SCC. We have three campuses conveniently located near you: Our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and many classes are also available online. Your decision to pursue a college education, whether it's a degree, a certificate, or transfer to a four-year college, is an important goal and we are here to help you succeed.

This schedule provides information on when and where classes are offered, available support services, and the required steps for completing an application and enrolling in classes. For information on degrees, certificates, and requirements for transferring to a four-year college, review the College Catalog. In the catalog, you will find course descriptions and requirements

for completing your degree or certificate as well as additional information on student services, including assessment, counseling, tutoring, and financial aid.

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. Our centers and the main campus offer day and evening classes, a variety of support services, and co-curricular activities (clubs, job fairs, etc.). Our Vallejo Center offers the opportunity to complete a Bachelor's Degree in Liberal Arts from Sonoma State University and our Vacaville Center will soon offer a Bachelor's Degree in Biotechnology.

It's time to experience all that SCC has to offer. Take advantage of our programs and services to advance life-long learning, to upgrade your job skills, or to complete a degree, certificate, or to transfer. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy one of many musical performances or visit one of many athletic events. We look forward to seeing you. Sincerely,

Celia Esposito-Noy, Ed.D.
