Solano Community College is located on Suisun Valley Road, just off Interstate 80, nine miles northeast of Vallejo (take I-80 east), and five miles southwest of Fairfield. Buses serve the campus from Vallejo, Benicia, Fairfield, Vacaville and Dixon.

Welcome to Solano Community College!

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and thank you for choosing SCC. Our vision is clear: we want to be a recognized leader in educational excellence – transforming students' lives.

We have three campuses conveniently located near you: our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and online. Your decision to pursue a college education, whether it's a degree, a certificate, or transfer to a four-year college, is an important goal and our faculty and staff are here to help you succeed.

This schedule provides information on the location and times of our classes for the summer and fall 2017 semesters. You will also find a listing of available support services and the steps for completing an application and enrolling in classes. For information on degrees, certificates, and requirements for transferring to a four-year college, review the College Catalog online at www.Solano.edu. In the catalog, you will find course descriptions and requirements for completing your degree or certificate as well as additional information on student services, including assessment, counseling, tutoring, and financial aid.

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. Our centers and the main campus offer day and evening classes, a variety of support services, and co-curricular activities (clubs, job fairs, etc.). Our Vallejo Center offers the opportunity to complete a Bachelor's Degree in Liberal Arts from Sonoma State University and our Vacaville Center is now offering a rigorous Bachelor's Degree in Biotechnology, the first 4-year degree offered at our college.

It's time to experience all that SCC has to offer. Take advantage of our programs and services to advance life-long learning, to upgrade your job skills, or to complete your educational goal. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy some of our musical or theatrical performances, or attend the games of our sports teams. We look forward to seeing you.

Sincerely,

Celia Esposito-Noy, Ed.D.
Superintendent-President

Solano Community College is a Sanctuary Campus!

RESOLUTION 12.12.2016:

Endorse Local Actions by the Solano Community College Academic Senate and the Solano Community College District [SCCD] Board of Trustees in Defense of Equity for All Students, Faculty and Staff, including the Designation of SCCD as a “**Sanctuary Campus**”

Solano Community College is committed to inclusivity, dignity and respect for all of its diverse student body, faculty and staff through education in a safe and tolerant environment which celebrates and protects the core values of Academic Freedom, wherein all students, faculty and staff may express and challenge ideas and beliefs without threat or fear of retaliation, including actions on the part of SCCD or the governments of the State of California and the United States of America.

Approved by the Academic Senate of Solano Community College on 12 December 2016.

SCC IS RIGHT FOR YOU!

QUALITY EDUCATION AT AN AFFORDABLE PRICE

As a full-time student at Solano Community College (SCC), you can expect to pay a little more than \$1,380 in annual fees (30 units at \$46/unit). You'd pay more than \$5,472 a year at a California State University (CSU) campus and \$13,500 at a University of California (UC) campus. SCC offers many financial aid options and scholarships to help you maximize your financial resources.

INCREASE YOUR EARNING POWER

The average lifetime income of a community college graduate with an associate degree is more than \$1 million - about \$250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example. Associate in Arts and Science degree holders earn 22% more than those with a high school diploma.

TRANSFER TO A 4-YEAR UNIVERSITY

Solano Community College is the place to begin your B.A. degree! Complete lower division general education and major preparation courses prior to transferring to any public, independent, or out-of-state college of your choosing. Several Associate Degrees for Transfer (ADTs) allow students to transfer directly into a CSU as a junior. Solano students may be guaranteed admission to many UC and CSU campuses through Transfer Admission Guarantee (TAG) programs. It is important to work closely with your Solano counselor to develop an appropriate educational plan. Please visit the Transfer Center in Room 402 or ask your counselor for more information.

OUTSTANDING FACULTY

SCC faculty are recognized regionally, state-wide and nationally for their excellence in the classroom. They've joined the SCC faculty because they love working with students.

Important Change in Fee Payment Policy

SUMMER AND FALL 2017

Pay or enroll in a payment plan for **Summer 2017** fees by **May 31**.
Pay or enroll in a payment plan for your **Fall 2017** fees by **July 31**.

Fees are due and payable at the time of registration. Students will not be able to register for classes if they have any outstanding balance.

Summer 2017 Payment Deadline: The fee payment deadline for Summer 2017 is **May 31**.

Fall 2017 Payment Deadline: The fee payment deadline for Fall 2017 is **July 31**. Students who have enrolled on or before July 31 and have outstanding fee balances will be dropped from their courses on August 1. Students who enroll in courses on or after August 1 will have until 11:59pm on the day after they register to pay their balance; failure to pay or have a guarantee of payment within this time frame will result in being dropped from their courses. Students will not be dropped once the class begins.

Students dropped for non-payment may subsequently re-enroll on a space-available basis.

Exemptions from the Non-payment drop process include students who have a guarantee of payment. This includes Board of Governors Fee Waiver (BOGFW), Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Federal Direct Loan (Subsidized or Unsubsidized), Cal Grant, Full Time Student Success Grant, Chaffee Grant for Foster Youth, Scholarships, Veteran's Benefits, Third Party Payments (Employer or other Agency), or entering a Payment Plan.

Students unable to pay their fees in full by the deadlines stated above may choose to enroll in a **CASHNet payment plan** that will enable them to pay their fees in three or four installments. There is a \$35 fee per term for enrollment in a payment plan, which will exempt the student from the non-payment drop process for that term.

Students who have applied for and been granted a **Board of Governors Fee Waiver (BOGFW)** for the Fall term will be exempted from the non-payment drop process. Students are reminded that, although a 2016-17 BOGFW will cover enrollment fees for Summer 2017, students must re-apply for and be granted a 2017-18 BOGFW to have Fall 2017 enrollment fees covered and be exempted from the non-payment drop process. To avoid being dropped for non-payment from Fall 2017 classes on August 1, students must pay their fees or submit a 2017-18 FAFSA (or CADA for AB-540) by JULY 25, 2017. Students who register in Fall 2017 classes after July 31 will be dropped from their courses unless they pay their fees or have established BOGFW eligibility by 11:59 pm on the day after they register.

Students planning to utilize **veteran benefits** to pay all or part of their fees must provide up-to-date proof of eligibility or a copy of their application for benefits to the SCC Veteran Resource Center (VRC) prior to registration for each term to avoid being dropped for non-payment. The VRC is located on the Fairfield Campus, Bldg. 400, Second Floor, Room 429. Email: veterans@solano.edu
Telephone: (707) 864-7105

Students whose fees will be **paid by another organization** must submit an authorization letter from that organization prior to registration for each term to avoid being dropped for non-payment. The authorization letter should be mailed or emailed to Lisa Collins, Solano Community College Fiscal Services, 4000 Suisun Valley Road #600, Fairfield, CA 94534, email address lisa.collins@solano.edu.

Associate Degree for Transfer (ADT)

The Student Transfer Achievement Reform Act of 2010 (SB 1440 - Padilla) enables the California Community Colleges and California State University to collaborate on the creation of Associate in Arts Degree (AA) and Associate in Science (AS) Degree transfer programs. Upon completion of the associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system. Students are given guaranteed admission into the California State University (CSU) system, and further are given priority consideration when applying to a particular program that is similar to the student's community college major. Each of the ADT Programs requires no more than 60 units for completion and transfer. For more information, see a Solano College counselor or visit the California Chancellor's Office website on SB 1440 Associate Degrees for Transfer <http://www.sb1440.org>.

Financial Aid

The Financial Aid Office offers many types of financial aid programs that may help offset the cost of higher education such as tuition, fees, books, supplies, housing, transportation, and personal expenses. Financial Aid is one of the many tools to help students achieve their educational and career goals, but it does not fully support all student expenses.

HOW TO APPLY FOR FINANCIAL AID

**FAFSA (Free Application for Federal Student Aid):
Title IV School Code 001292**

www.fafsa.gov

The annual FAFSA priority filing period is March 2 every year.

Students can still apply after the annual priority date of March 2. The FAFSA may be submitted late through the end of the Spring term. Please be aware that application processing may take up to 10 weeks after completing and submitting additional “Student Requirement” forms and documentation to the Financial Aid Office. **Students are encouraged to read the frequent MySolano student email blasts sent from the Financial Aid Office.**

STEP 1: Apply with FAFSA online at: www.fafsa.gov every year beginning October 1. Check your FAFSA status online at www.fafsa.gov AND your financial aid status by logging into MySolano at: www.mysolano.edu.

STEP 2: BOG fee waiver eligibility is evaluated from the FAFSA. If eligible, fee waiver award notification will be sent to the student’s MySolano email account. The BOG fee waiver will show on the MySolano student account under “Print Receipt & Schedule” after the student enrolls in courses each term. CCCApply online BOG fee waiver available now on the Financial Aid website www.solano.edu/financial_aid/feewaiver.php.

STEP 3: Check MySolano financial aid status and submit “Student Requirement” forms and documentation to the Financial Aid Office. All forms and documents must be filled out clearly, completely, signed and dated. Applicants selected for Federal verification of FAFSA data will be required to submit additional documentation to the Financial Aid Office.

STEP 4: Financial Aid staff review, process, package, and award all eligible financial aid after “Student Requirements” are submitted to the Financial Aid Office in date order received. It is the student’s responsibility to check their MySolano financial aid status and MySolano email notifications for any changes or updated information required by FA staff. Financial Aid award disbursements are based upon “student eligibility” and “enrollment status.”

STEP 5: Maintain financial aid eligibility by meeting Satisfactory Academic Progress (SAP) standards and guidelines. Check your MySolano financial aid “academic progress” after grades reported following each term. Refer to the Satisfactory Academic Progress section of the Financial Aid webpage at www.solano.edu/financial_aid/academicprogress.php

ATTENTION

It’s not too late to apply after the annual March 2 priority filing deadline. All students are encouraged to submit the FAFSA (Free Application for Federal Student Aid) to see if they qualify for federal grants, work-study and student loans. Title IV Federal School Code 001292

BOG FEE WAIVER

The BOG Fee Waiver is a state financial assistance program offered through the California Community College system. All California residents are encouraged to apply for a state funded Board of Governors Fee Waiver (BOGFW) to meet the California Community College mandatory enrollment fee.

BOG FEE WAIVER CHANGES – IMPORTANT – PLEASE READ!

Once you've qualified for the BOG Fee Waiver, it is important to ensure that you are meeting the academic and progress standards in order to avoid losing the fee waiver.

Academic – Sustain a GPA of 2.0 or higher

If your cumulative GPA falls below 2.0 for two (2) consecutive primary terms (fall and spring semesters are primary terms at Solano) you may lose your fee waiver eligibility.

Progress – Complete more than 50% of your coursework

If the cumulative number of courses you successfully complete falls below 50% in two (2) consecutive primary terms (fall and spring semesters are primary terms at Solano) you may lose your fee waiver eligibility.

Combination of Academic and Progress Standards

Any combination of two consecutive terms of cumulative GPA below 2.0 and/or cumulative course completion less than 50% may result in loss of fee waiver eligibility.

You will be notified within 30 days of the end of each term if you are being placed on either Academic (GPA) and/or Progress (Course Completion) probation. Your notification will include the information that a second term of probation will result in loss of fee waiver eligibility. After the second consecutive term of probation, you may lose eligibility for the fee waiver at your next registration opportunity.

CARE PROGRAM

(Cooperative Agency Resources for Education)

The CARE Program was established by the State of California to help welfare recipients become convinced that they and their children are important, that they are capable, and that with proper support they can break the welfare dependency cycle through education and job training.

CARE is a supplemental component of EOPS that specifically assists EOPS students, who are single heads of households with young children, by offering supportive services so they are able to acquire the education, training and marketable job skills needed to transition from welfare-dependency to employment and eventual self-sufficiency for their families. Every CARE student is an EOPS student who must meet the eligibility criteria for both programs.

Eligibility requirements for the CARE Program includes:

- An EOPS student currently receiving the Pell Grant.
- Enrolled full-time at Solano Community College.
- A current recipient of Tribal TANF, TANF, or a CalWORKS cash aid, or at least one dependent child currently receiving cash aid.
- At least 18 years of age.
- Single parent head-of-household.
- The parent of at least one child under the age of 14.

CARE provides support services and CARE Grant reimbursement for child care expenses, textbooks and supplies, and transportation costs; meal tickets, academic counseling, and personal development activities and workshops.

For more information, visit us online at www.Solano.edu/EOPS, contact the EOPS office in room 426, or call (707) 864-7000 ext 4444.

Satisfactory Academic Progress (SAP)

Federal and State financial aid regulations require Solano Community College to establish, publish, and apply qualitative, quantitative and incremental standards to determine whether a student requesting and/or receiving financial aid is maintaining Satisfactory Academic Progress (SAP) in their program of study. Financial Aid requires a declared major and enrollment in a Title IV eligible program (16 or more units in length). The Financial Aid Office evaluates all three standards to determine if a student is meeting minimum standards at the end of each semester. The SAP evaluation includes both the semester and cumulative grade point average (GPA) and pace of progression or completion rate. The qualitative and quantitative components of minimum SAP standards are as follows:

- 2.00 Grade Point Average (GPA)
- 67% Pace of Progression (includes grades of F, W, NP)
- 150% Maximum timeframe in Program of Study

FATV (FINANCIAL AID TV)

<https://solano.financialaidtv.com/> provides current and prospective students and families with 24/7 access to short videos that answer important financial aid topics questions:

- Applying for financial aid
- Financial aid eligibility
- Types of financial aid (e.g. grants and loans)
- Financial literacy

Combined units in all work experience courses shall not exceed 16. Note: CSU will accept up to 12 units for transfer. To determine the correct course length and number of units in which to enroll, refer to the following formula for paid employment (unpaid work requires fewer hours per week): Full Semester Sections: 1 unit=5 work hours per week, 2 units =10 work hours per week, 3 units =15 work hours per week, 4 units =20 work hours per week, 5 units = 25 hours per week, 6 units = 30 hours per week, 12-Week Sections: 1 unit =7 work hours per week, 2 units =14 work hours per week, 3 units =19 work hours per week, 4 units = 25 hours per week, 8-Week Sections: 1 unit =10 work hours per week, 2 units =20 work hours per week, 3 units = 28 hours per week. Discipline Note: Students enrolled in online sections of OCED 090 and OCED 091 are required to attend a one-time on-campus orientation. Both orientations will be held in Room 812 (Building 800). There will be two (2) orientations from which to choose: Orientation #1: Friday, August 16, 2013, from 6:00-8:00 pm; Orientation #2: Saturday, August 17, 2013, from 12:00-2:00 pm.

ONLINE CLASSES

Solano Community College offers two types of Internet classes for credit: online and hybrid classes. Online classes are taught over the Internet and hybrid classes are taught partly over the Internet and partly in the classroom. These classes have regular assignment schedules and reading material and the same learning requirements as traditional classes. Participation in online sections and hybrid sections requires that the students have a computer with Internet access and a web browser. The individual classes will also have additional requirements such as a textbook and possibly a specific software program to be used. You might also have to come to campus for an in-person exam.

Online: These classes utilize the Internet to create an educational experience that can be completely independent of time and place. Students still purchase textbook(s) and take tests, but they do the majority of the classwork at a computer connected to the Internet. They work according to their own schedule, at home, in the office, or on open access computers on campus in the library. Course materials, the syllabus, assignments, tests, and links to other Web resources are contained on the course site. Students communicate with their instructor and each other by sending and receiving email and by participating in “threaded discussions.” These are discussions that continue over time where students drop in to read the comments and to add their own. While online classes may not be for everyone, they are well-suited to students who are self-motivated, who have access to a computer, who may have busy schedules, and who may not be able to travel to campus for classes with specific meeting times.

Hybrid: These classes use a combination of the face-to-face and online formats. Some activities will be conducted in a group (traditional class) format and some activities are conducted (online). These classes offer the best of both worlds - flexibility with the online portion and the sense of being in a group with the traditional class meeting.

In order to be successful in online and hybrid courses, students need to be self-directed, motivated, and able to independently complete and electronically submit assignments on schedule. Students will also need basic internet skills and consistent access to a computer with internet capability.

COMMUNITY COLLEGE PATHWAY TO LAW SCHOOL INITIATIVE (CCPLS)

The Community College Pathway to Law School (CCPLS) Initiative is the first and only of its kind to provide a clear pathway from community college to law school.

The CCPLS Initiative is the product of the visionary leadership of the California State Bar's Council on Access and Fairness (COAF). As a participating institution in the initiative, Solano Community College (SCC) has developed special partnerships with six top rated undergraduate and law school programs: **UC Davis, UC Irvine, USF, Santa Clara University, Loyola Marymount and USC**. Students taking part in the CCPLS program and successfully completing the initiative will be eligible to take advantage of these partnerships towards the goal of achieving a legal education.

Students apply to participate in the program. Upon admittance to the program participating students will be identified as "CCPLS / COAF Scholars" and must complete a seven (7) course core sequence and participate in activities sponsored by the CCPLS Initiative.

The curriculum and law related events build necessary skills to increase competitiveness at the next level of academia.

Upon successful completion of the undergraduate program CCPLS / COAF scholars will be eligible for admission to one of the law school programs partnering with the initiative.

**For information on the Community College
Pathway to Law School Initiative,
please email the program at CCPLS@Solano.edu.**
