Welcome to Solano Community College!

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and thank you for choosing SCC. Our vision is clear: we want to be a recognized leader in educational excellence - transforming students' lives.

We have three campuses conveniently located near you: our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and online. Your decision to pursue a college education, whether it's a degree, a certificate, or transfer to a four-year college, is an important goal and our faculty and staff are here to help you succeed.

This schedule provides information on the location and times of our classes for the Summer and Fall semesters. You will also find a listing of available support services and the steps for completing an application and enrolling in classes. For information on degrees, certificates, and requirements for transferring to a four-year college, review the College Catalog online at www.Solano.edu. In the catalog, you will find course descriptions and requirements for completing your degree or certificate as well as additional information on student services, including assessment, counseling, tutoring, and financial aid.

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. Our centers and the main campus offer day and evening classes, a variety of support services, and co-curricular activities (clubs, job fairs, etc.). Our Vallejo Center offers the opportunity to complete a Bachelor's Degree in Liberal Arts from Sonoma State University and our Vacaville Center offers a Bachelor's Degree in Biomanufacturing, the first 4-year degree offered at our college.

It's time to experience all that SCC has to offer. Take advantage of our programs and services to advance life-long learning, to upgrade your job skills, or to complete your educational goal. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy some of our musical or theatrical performances, or attend the games of our sports teams. We look forward to seeing you.

Sincerely,

A handwritten signature in black ink that reads "Celia Esposito-Noy". The signature is fluid and cursive.

SCC IS RIGHT FOR YOU!

QUALITY EDUCATION AT AN AFFORDABLE PRICE

As a full-time student at Solano Community College (SCC), you can expect to pay a little more than \$1,380 in annual fees (30 units at \$46/unit). You'd pay more than \$5,472 a year at a California State University (CSU) campus and \$13,500 at a University of California (UC) campus. SCC offers many financial aid options to help you maximize your financial resources.

INCREASE YOUR EARNING POWER

The average lifetime income of a community college graduate with an associate degree is more than \$1 million - about \$250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example. Associate in Arts and Science degree holders earn 22% more than those with a high school diploma alone.

TRANSFER TO A 4-YEAR UNIVERSITY

Solano Community College is the place to begin your B.A. or B.S. degree! Complete lower division general education and major preparation courses prior to transferring to any public, independent, or out-of-state college of your choosing. Several Associate Degrees for Transfer (ADTs) allow students to transfer directly into a CSU as a junior. Solano students may be guaranteed admission to many UC and CSU campuses through Transfer Admission Guarantee (TAG) programs. It is important to work closely with your Solano counselor to develop an appropriate educational plan. Please visit the Transfer Center in Room 402 or ask your counselor for more information.

OUTSTANDING FACULTY

SCC faculty are recognized regionally, state-wide and nationally for their excellence in the classroom. They've joined the SCC faculty because they love working with students.

Solano Community College is a SMOKE-FREE CAMPUS

Financial Aid

The Financial Aid Office offers many types of financial aid programs that may help offset the cost of higher education such as tuition, fees, books, supplies, housing, transportation, and personal expenses. Financial Aid is one of the many tools to help students achieve their educational and career goals, but it does not fully support all student expenses.

HOW TO APPLY FOR FINANCIAL AID

FAFSA (Free Application for Federal Student Aid):
Title IV School Code 001292 www.fafsa.gov

The annual FAFSA priority filing period is March 2 every year.

Students can still apply after the annual priority date of March 2. The FAFSA may be submitted late through the end of the Spring term. Please be aware that application processing may take up to 10 weeks after completing and submitting additional "Student Requirement" forms and documentation to the Financial Aid Office. **Students are encouraged to read the frequent MySolano student emails sent from the Financial Aid Office.**

STEP 1: Apply with FAFSA online at: www.fafsa.gov every year beginning October 1, For following fall term. Check your FAFSA status online at www.fafsa.gov AND your financial aid status by logging into MySolano at: www.mysolano.edu.

STEP 2: BOG fee waiver eligibility can be evaluated from the FAFSA. If eligible, fee waiver award notification will be sent to the student's MySolano email account. The BOG fee waiver will show on the MySolano student account under "Print Receipt & Schedule" after the student enrolls in courses each term. CCCApply online BOG fee waiver available now on the Financial Aid website www.solano.edu/financial_aid/feewaiver.php.

STEP 3: Check MySolano financial aid status and submit "Student Requirement" forms and documentation to the Financial Aid Office. All forms and documents must be filled out clearly, completely, signed and dated. Applicants selected for Federal verification of FAFSA data will be required to submit additional documentation to the Financial Aid Office.

STEP 4: Financial Aid staff review, process, package, and award all eligible financial aid after "Student Requirements" are submitted to the Financial Aid Office in date order received. It is the student's responsibility to check their MySolano financial aid status and MySolano email notifications for any changes or updated information required by FA staff. Financial Aid award disbursements are based upon student eligibility and enrollment status.

STEP 5: Maintain financial aid eligibility by meeting Satisfactory Academic Progress (SAP) standards and guidelines. Check your MySolano financial aid "academic progress" after grades reported following each term. Refer to the Satisfactory Academic Progress section of the Financial Aid webpage at www.solano.edu/financial_aid/academicprogress.php

ATTENTION

It's not too late to apply after the annual March 2 priority filing deadline. All students are encouraged to submit the FAFSA (Free Application for Federal Student Aid) CADA or BOG to see if they qualify for grants, work-study and student loans. Our Title IV Federal School Code is 001292.

The **BOG Fee Waiver** is a state financial assistance program offered through the California Community College system. All California residents are encouraged to apply for a state funded Board of Governors Fee Waiver (BOGFW) to meet the California Community College mandatory enrollment fee. Complete form at Financial Aid office 425.

BOG FEE WAIVER CHANGES - IMPORTANT - PLEASE READ!

Once you've qualified for the BOG Fee Waiver, it is important to ensure that you are meeting the academic and progress standards in order to avoid losing the fee waiver.

Academic – Sustain a GPA of 2.0 or higher

Progress – Complete more than 50% of your coursework

If the cumulative number of courses you successfully complete falls below 50% in two (2) consecutive primary terms (fall and spring semesters are primary terms at Solano) you may lose your fee waiver eligibility.

Combination of Academic and Progress Standards

Any combination of two consecutive terms of cumulative GPA below 2.0 and/or cumulative course completion less than 50% may result in loss of fee waiver eligibility.

You will be notified within 30 days of the end of each term if you are being placed on either Academic (GPA) and/or Progress (Course Completion) probation. Your notification will include the information that a second term of probation will result in loss of fee waiver eligibility. After the second consecutive term of probation, you may lose eligibility for the fee waiver at your next registration opportunity.

ONLINE CLASSES

Solano Community College offers two types of Internet classes for credit: online and hybrid classes. Online classes are taught over the Internet and hybrid classes are taught partly over the Internet and partly in the classroom. These classes have regular assignment schedules and reading material and the same learning requirements as traditional classes. Participation in online sections and hybrid sections requires that the students have a computer with Internet access and a web browser. The individual classes will also have additional requirements such as a textbook and possibly a specific software program to be used. You might also have to come to campus for an in-person exam.

Online: These classes utilize the Internet to create an educational experience that can be completely independent of time and place. Students still purchase textbook(s) and take tests, but they do the majority of the classwork at a computer connected to the Internet. They work according to their own schedule, at home, in the office, or on open access computers on campus in the library. Course materials, the syllabus, assignments, tests, and links to other Web resources are contained on the course site. Students communicate with their instructor and each other by sending and receiving email and by participating in “threaded discussions.” These are discussions that continue over time where students drop in to read the comments and to add their own. While online classes may not be for everyone, they are well-suited to students who are self-motivated, who have access to a computer, who may have busy schedules, and who may not be able to travel to campus for classes with specific meeting times.

Hybrid: These classes use a combination of the face-to-face and online formats. Some activities will be conducted in a group (traditional class) format and some activities are conducted (online). These classes offer the best of both worlds - flexibility with the online portion and the sense of being in a group with the traditional class meeting.

In order to be successful in online and hybrid courses, students need to be self-directed, motivated, and able to independently complete and electronically submit assignments on schedule. Students will also need basic internet skills and consistent access to a computer with internet capability.

SSU LIBERAL STUDIES B.A. @ Solano

Sonoma State University offers an upper-division program based at the Solano Community College Vallejo Center, leading to a Bachelor of Arts in Liberal Studies.

The Liberal Studies major provides a wide variety of courses in the social and behavioral sciences, arts, humanities, science, and technology. Courses taught by SSU faculty are scheduled evenings and weekends at the Vallejo Center for students with work, family or other commitments, who are not able to join traditional programs on our main campus.

COMPLETE YOUR DEGREE THROUGH SSU

The SSU Liberal Studies B.A. program is excellent preparation for students interested in careers in teaching, the legal profession, social services, nonprofit organizations, or business, as well as graduate work in the social sciences and the humanities.

More than just a convenient way to check off the list of degree requirements, the Liberal Studies degree completion program is a supportive and transformative learning community, where students are challenged intellectually as they encounter the full range of human knowledge.

MAJOR REQUIREMENTS: 50 Units (All upper-division; includes the 9-unit upper-division G.E. requirement)

- Humanities, 16 units: American Multicultural Studies, Art and Art History, Chicano and Latino Studies, English, Music, Philosophy, Theater Arts, Native American Studies, (and some Anthropology and History courses)
- Behavioral Sciences, 16 units: Anthropology, Criminology and Criminal Justice Administration, Environmental Studies and Planning, Geography, History, Political Science, Psychology, Sociology, Women's and Gender Studies

- Pass the Written English Proficiency Test (WEPT) by the first semester of senior year; more information at www.sonoma.edu/writingcenter

ADMISSION CRITERIA

- Complete 60 or more transferable semester units. SSU accepts up to 70 transferable community college semester units of course credit; we recommend completing all of these before starting the program.

PRE-ADMISSIONS ADVISING

The Solano Community College counseling staff can review your coursework and make recommendations to help you prepare for transfer. You may also send copies of all your transcripts to Susie McFeeters, e-mail susan.mcfeeters@sonoma.edu. After admission, upper-division coursework at other institutions will be assessed for possible credit for major electives.

COMMUNITY COLLEGE PATHWAY TO LAW SCHOOL INITIATIVE (CCPLS)

The Community College Pathway to Law School (CCPLS) Initiative is the first and only of its kind to provide a clear pathway from community college to law school.

The CCPLS Initiative is the product of the visionary leadership of the California State Bar's Council on Access and Fairness (COAF). As a participating institution in the initiative, Solano Community College (SCC) has developed special partnerships with six top rated undergraduate and law school programs: **UC Davis, UC Irvine, USF, Santa Clara University, Loyola Marymount and USC**. Students taking part in the CCPLS program and successfully completing the initiative will be eligible to take advantage of these partnerships towards the goal of achieving a legal education.

Students apply to participate in the program. Upon admittance to the program participating students will be identified as "CCPLS / COAF Scholars" and must complete a seven (7) course core sequence and participate in activities sponsored by the CCPLS Initiative.

The curriculum and law related events build necessary skills to increase competitiveness at the next level of academia.

Upon successful completion of the undergraduate program CCPLS / COAF scholars will be eligible for admission to one of the law school programs partnering with the initiative.

**For information on the Community College
Pathway to Law School Initiative,
please email the program at CCPLS@Solano.edu.**
