Superintendent-President's Welcome!

Welcome to Solano Community College

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and congratulate you for choosing SCC. Our vision is clear: we want to be a recognized leader in educational excellence – transforming students' lives.

We have three campuses conveniently located near you: our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and online. Your decision to pursue a college education, whether it's a degree, a certificate, or transfer to a four-year college, is an important goal and our faculty and staff are here to help you succeed.

This catalog provides you with information you need to be successful at Solano Community College. You will find our academic and student policies; information on degrees, certificates, and requirements for transferring to a four-year college; and the names of our dedicated faculty and staff. In these pages you can also look up course descriptions and requirements for completing your degree or certificate as well as additional information on student services, including counseling, tutoring, and financial aid. Our entire College Catalog is also available online at *www.solano.edu*.

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. Our centers and the main campus offer day, evening and Saturday classes, a variety of support services, and co-curricular activities (clubs, job fairs, etc.). Our Vallejo Center offers the opportunity to complete a Bachelor's Degree in Liberal Arts from Sonoma State University and our Vacaville Center offers a rigorous Bachelor's Degree in Biomanufacturing, the first four-year degree offered at our college.

It's time to experience all that SCC has to offer. Take advantage of our programs and services to advance life-long learning, to upgrade your job skills, or to complete your educational goal. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy some of our musical or theatrical performances, or attend the games of our sports teams. We look forward to seeing you.

Solano Community College is a tradition in Solano County. Established in 1945 as Vallejo Junior College, Solano was part of the Vallejo Unified School District until 1967 when the College became a countywide institution. The 192-acre campus, centrally located just off Interstate 80, was completed in 1971 and opened with 5,000 students. Since then, facilities, programs, staff and services have expanded to meet the growing needs of a growing county.

Solano Community College is part of California's public community college system of 116 campuses in 72 districts across the state. The College's service area encompasses the communities of Benicia, Dixon, Fairfield, Suisun, Vacaville, Vallejo and Travis Air Force Base as well as Winters in Yolo County. Many graduates of the area's 16 public high schools and three private schools take advantage of the educational opportunities offered by Solano Community College.

Solano's classes are held during two semesters each year (spring and fall) and summer session. Flexible scheduling, designed for students' convenience, includes day, evening, and Saturday classes, held both on and off campus and online. Short-term classes, open-entry/open-exit formats, and special interest workshops and seminars add to this scheduling flexibility.

With the current student population of over 8,000 taking classes during both day and evening, the Solano Community College campus is alive at all hours offering academic study and occupational training to all area residents.

- 2. has earned one hundred (100) or more degreeapplicable semester or quarter equivalent units at the district.
 - For purposes of this section a unit is earned when a student receives a grade of A, B, C, D or P as defined in section 55023.
 - The 100-unit limit does not include units for nondegree applicable English as a Second Language or basic skills courses as defined in section 55000(j) or special classes as defined in section 55000.
 - Districts may set the unit limit lower than 100 units and may consider units from other higher education institutions. Solano Community College has set the limit at 90 units excluding transfer units from other higher education institutions.
 - Districts may adopt policies to exempt from the 100-unit limit categories of students, including but not limited to, those enrolled in high unit majors or programs.
 - Districts may exempt from the 100-unit limit units earned through credit by examination, advanced placement, International Baccalaureate, or other similar programs.

STUDENT CLASSIFICATION

Students are classified in terms of the number of units they have completed and the units in which they are currently enrolled.

Freshman: A college student who has earned from 0.0 to 29.5 semester units of college credit.

Sophomore: A college student who has earned from 30.0 to 60.0 semester units of college credit.

Full-time: A student enrolled in 12.0 or more semester units.

Part-time: A student enrolled in 11.5 or fewer semester units.

Post Associate Degree: A student who has been awarded an A.A., A.S. or higher degree.

REGISTRATION PROCEDURES

Preparation - Students should acquaint themselves with college policies and study the information in this Catalog, the Schedule of Classes and registration materials supplied by the Admissions and Records office (A&R). The Admissions and Records office is a convenient place to ask questions about College procedures, visit the website at *www.solano.edu*. The following registration procedures apply to students enrolling in day, evening, on-campus, and off-campus classes.

Student Load - A student load is defined as the total units carried in a program in any one semester. Fifteen units constitute the normal semester program; twelve units constitute minimum full-time enrollment. In many cases, a program may require more than fifteen units per semester for a student to complete a major in the normal two-year period.

Permission to carry an excess load of 20.5 or more units may be granted to individuals depending on the excellence of their academic work. A "Carry Excess Load" petition must be completed with a counselor. Petitions are available at the Admissions and Records office.

The California State Education Code specifies that each lecture hour of a community college class requires at least two hours of study outside of class. The following schedule is suggested for students who attend college and also work.

SUGGESTED TIME PLAN

IF YOU WORK (Hrs./WK)	AND ENROLL IN (Lecture Hours)	AND STUDY (Recommended)	YOUR TOTAL LOAD IS (Hrs./Wk)

REQUISITES AND ADVISORIES

It is the intent of Solano Community College to guide students into courses in which they will have the best opportunity for academic success. Therefore, many courses have corequisites, prerequisites, or advisories indicated in their descriptions.

Requisites ensure that the student has the minimum level of knowledge and/or skills to be successful in the specific course or program. Requisite information for a course, if any, appears in the catalog description. For registration purposes, if a student is currently enrolled in a prerequisite course, that student may enroll in a subsequent course contingent on successful completion of the prerequisite. If the student is unsuccessful in the prerequisite, they will be dropped automatically from the subsequent course.

Corequisite: A course or equivalent preparation that must be taken concurrently with another course. A student's enrollment in a course with a corequisite is blocked until the requirements of the corequisite are satisfied.

Prerequisite : There are two types of prerequisites.

- 1. A course or equivalent preparation that must be completed before enrolling in another course.
- 2. A course or equivalent preparation that may be taken before or concurrently with another course. A student's enrollment in a course with a prerequisite is blocked until the requirements of the prerequisite are satisfied.

Advisory: A course or equivalent preparation that will broaden or deepen a student's learning experience in a subsequent course. A student's enrollment in a course with an advisory is not blocked for lack of the advisory skills.

Advisories are recommendations made to enhance or deepen the student's learning experience in a course. While the advisory skills and proficiencies are not required in order for a student to be successful in the course, advisories should be taken seriously. For specific information, students should consult their counselor or faculty advisor.

Verification of a Requisite: Students desiring to enroll in a course or program that specifies a co/prerequisite course and who have completed such a course at an institution other than Solano Community College must submit documentation to verify this completion. This documentation (unofficial or official transcript or report card) must be presented to a counselor, or Office of Admissions and Records.

Challenging a Requisite:

A student has the right to challenge a course requisite based on the following grounds:

- 1. The requisite has not been established in accordance with the District process for establishing requisites
- 2. The requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner
- The requisite course has not been made "reasonably available" and the required completion of it will cause a delay of one or more terms in attaining the goal specified in the student's authorized Individualized Education Plan (IEP)
- 4. The student has the knowledge or ability to succeed in the course or program despite not meeting the requisite.

In the challenge process, the burden of proof is on the student. In order to file a challenge, students must submit a "Petition to Challenge a Course Pre/Corequisite," available at the Admissions and Records office. If the challenge is upheld, the student will be allowed to enroll, contingent on the availability of space in the course; if denied, the student will not be allowed to enroll or, if already enrolled, will be dropped automatically from the class. Refer to the form for more detailed information on the requirements and procedures for processing this petition.

SCHEDULE OF CLASSES

A searchable class schedule is online at *www.solano.edu*. The Schedule of Classes contains registration information and instructions.

WAITLIST

Waitlist allows students to show their interest in a course where the seat capacity has been reached. When a seat becomes available, the next student on the waitlist will receive a notification email which is sent to the student's preferred email account. It is the student's responsibility to check their email. If students choose to have their student email forwarded to their personal email, it is the student's responsibility to ensure that the forwarded address is correct and that the **donotreplya&r@solano.edu** is not blocked by the external email provider's spam filters. Students have 48 hours to register in the waitlisted course from the time the notification email is sent. Failure to register within the 48 hour notification window will result in the student being expired from the waitlist which opens the opportunity for the next student to register.

LATE REGISTRATION

During the first week of each semester, students must go to the classes they wish to attend. If space is available, the instructors will give them an add code which they should use to enroll in the course online through MySolano. All enrollment fees must be submitted upon registration. (See Academic Calendar at **www.solano.edu** for all deadlines.)

DROPPING CLASSES

- Students are responsible for officially dropping courses online through MySolano before established deadlines.
- Students are responsible for paying all applicable fees each semester of attendance. Failure to pay fees may result in a hold on the student's account.
- Established deadlines are listed for each course on student's Schedule Bill.
- Students may be dropped from a class by the instructor for non-attendance.
- Students who do not officially drop courses may receive a grade of F.

DEBTS AND FEES

All debts and Fees to the College must be cleared before students may register for classes. Most debts for the current semester that are associated with registration can be paid online. If students do not have internet access or their debt involves special circumstances, contact the Cashier's Office. Debts left unpaid may be subject to collections and/or holds on student's records.

For proof of payment students are advised to:

- Keep receipts
- Print a copy of the confirmation page
- Save a screen shot on phone or tablet.

Student Photo-Identification Card Fee

A photo-identification card is recommended for all students. Students should carry their card while on campus. The fee is payable at registration. Once purchased, students may have photo taken and an ID will be created on the spot at the Cashier's Window.

The card may be used during nine consecutive semesters of attendance. The card must be validated each semester upon presenting proof of registration. Students with a valid ID card are eligible for off-campus student discounts. There is no charge for the validation. Student ID cards may be obtained at the Cashier's Window, Bldg. 400 (first floor).

Health Center Fees

The provision of health services is very expensive and the California Community College system does not have sufficient funds to subsidize student health services. The State Legislature mandates that the burden of supporting a student health center will be shared by all Solano Community College students through a general fee, regardless of whether they utilize the health center or have their own insurance.

The State of California has mandated this fee for credit courses through Section 72252 of the California State Education Code. The fee is not applicable to students who can demonstrate, at the time of enrollment, that they are recipients of benefits under the CalWORKS program, the Supplemental Security Income/State Supplementary program, or the General Assistance program. The fee is also not applicable to the following students: those who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization; and/or students who are attending a community college under an approved apprenticeship training program. Fee waiver forms may be obtained from the Cashier's Office.

Refer to Financial Aid Programs & Eligibility CCPG information.

FINANCIAL AID TYPES AND ELIGIBILITY

Financial aid assistance is available through the federal and state government, as well as through scholarships offered by the institution, private, and non-profit foundations.

Financial aid may help to offset the cost of higher education such as tuition, fees, books, supplies, housing, transportation and personal expenses. Be aware that financial aid does not fully support a student with all expenses. Financial aid is one of many tools to help students achieve their educational and career goals. Here is a listing of financial aid programs available through Solano Community College:

Financial Aid Programs

Grants – Federal and state gift aid that does not have to be repaid, unless the student withdraws before completing 60% of semester.

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)

Federal Work-Study - FWS-Money earned monthly working for the college through part-time work while taking classes.

Federal Direct Loans - Money borrowed which must be repaid with accrued interest.

- Subsidized
- Unsubsidized

California State Aid

- Cal Grant A, B, C, Transfer
- Chafee Grant for Foster Youth

California Community Colleges

- CCPG (CA residents)
- Student Success Completion Grant or SSCG for Cal Grant recipients
- Extended Opportunity Programs & Services (EOPS)
- Foster Youth Success Initiative (FYSI)
- CARE (Cooperative Agency Resources for Education)
- CalWORKS
- Solano Promise

Scholarships – Institutional, foundation, non-profit, and private gift aid that does not have to be repaid.

AB-540 Students The California Dream Act of 2011 (AB130/131) allows eligible undocumented and documented students to apply for and receive institutional scholarships and state administered financial aid (AB-130) and community college fee waivers (AB 131), effective January 2013. Apply with the CA Dream Application at *dream.csac.ca.gov*

How to Apply for Financial Aid

Apply online at *www.fafsa.gov* with the FAFSA (Free Application for Federal Student Aid) using the Solano Community College Title IV School Code 001292. Students are encouraged to submit the FAFSA by the annual March 2nd priority and state deadline; however, the FAFSA may be submitted late through the end of the spring term of the following academic year. Visit the FAFSA/CADAA Lab for help.

NOTE: Application processing may take up to 10 weeks after completing and submitting additional required forms and documentation (see "Student Requirements" on the MySolano Financial Aid Tab.)

Students are encouraged to log in to their MySolano account to read frequent email correspondence and check financial aid status. For more information, visit *www.solano.edu/financial_aid*.

ELIGIBILITY

Financial aid is based on financial need and several other factors. To be eligible to receive Federal Title IV financial aid assistance, students must:

- Demonstrate financial need (except for certain loans).
- Have a high school diploma or a General Education Development (GED) certificate, meet other standards home state establishes that the Department approves; complete a high school education in a home school setting that is treated as such under state law; or have completed 6 semester units in a post-secondary degree or certificate program prior to July 1, 2012.
- Be a U.S. citizen or eligible non-citizen.
- Have a valid Social Security Number or Alien Registration Number (ARN).
- Register with the Selective Service (males age 18-25). Students may use the online FAFSA at *www.fafsa.gov* to register, or may register at *www.sss.gov*, or call 1-847-688-6888.
- Maintain Satisfactory Academic Progress (SAP).
- Not be in default on a federal student loan.
- Not owe money on a federal student grant.

COST OF ATTENDANCE

Every aid year, the financial aid office develops a basic budget based on the expenses that all students are expected to have during a year. This budget is not an amount that the college charges, but an estimate of how much it costs to live for a typical nine-month school year. This estimate is used during the awarding process to determine your unmet financial need; many types of awards use unmet need as a criterion for eligibility or as a factor in determining award amounts.

Note: Federal regulations require us to reduce a student's budget when they enroll in less than six units in a term.

For the 2021-22 aid year, the financial aid office has used state averages provided by the California Student Aid Commission to develop the following nine-month budgets:

	Living off-campus	Living at home
Tuition	\$1,170	\$1,170
Books and Supplies	\$1,125	\$1,125
Food and Housing	\$17,253	\$9,081
Transportation	\$918	\$999
Personal Expenses	\$3,843	\$3,276
TOTAL	\$24,309	\$15,651

SATISFACTORY ACADEMIC PROGRESS (SAP)

Federal and State financial aid regulations require Solano Community College (SCC) to establish, publish, and apply qualitative, quantitative and incremental standards by which SCC can determine whether a student requesting and/or receiving financial aid is maintaining Satisfactory Academic Progress (SAP) in their course of study. Financial Aid requires a declared major and enrollment in a Title IV eligible program (16 or more units in length).

Solano Community College Financial Aid office evaluates all three of the following standards at the end of each term to determine a student's eligibility for Financial Aid.

Qualitative-Grade Point Average (GPA)

- Students must have a cumulative GPA of 2.0 on a 4.0 scale.
- Grades for remedial and English-as-Second-Language (ESL) courses count in the GPA calculation.

Quantitative-Pace of Progression

- Students must complete at least 67% of the cumulative number of SCC units attempted at each SAP evaluation.
- Completion rate is computed by dividing the total number of institutional units completed by the total number of units attempted.

Quantitative-Maximum Timeframe

- A student may not exceed 150% of published units of the program in which the student is enrolled. Example: For degree and transfer programs of 60 units, maximum timeframe is 90 units.
- For eligible certificate programs, maximum timeframe varies (i.e., 30 unit program = 45 units maximum, 18 unit program = 27 units maximum);
- All attempted units are counted in the calculation of the 150% program limits.

Warning

Students not making SAP will be automatically placed on "Warning" status for a period of one (1) term

- SCC uses SAP Warning status for students identified as not meeting cumulative overall SAP standards for one term.
- Students may receive financial aid during the warning period.
- Students who meet the cumulative overall SAP standards at the end of their Warning term become fully eligible again the following term.
- Students not making SAP at the end of the Warning period are determined to be ineligible for financial aid.

Re-establishing Eligibility

- Students may reestablish their eligibility by taking classes without receiving Federal Financial Aid, and meeting the 67% completion rate and minimum cumulative GPA of 2.0.
- Any grade changes performed within the previous term will be assessed at the request of the student.
- Sitting out one term or longer will not reestablish eligibility.

Student 'SAP Appeal for Federal Financial Aid' for Extenuating Circumstance

- Students determined ineligible for Federal Financial Aid due to unsatisfactory academic progress may submit a 'SAP Appeal for Federal Financial Aid' based on extenuating circumstances.
- SAP Appeals require the following documentation:
 - Typed, signed, and dated statement indicating what extenuating circumstance caused the student to fall below the SAP standards, and what has changed that will allow the student to meet the standards and successfully complete their program of study
 - Supporting documentation of extenuating circumstances
 - A comprehensive Student Education Plan (SEP) signed by an SCC counselor
 - A Financial Aid Review from National Student Loan Data System (NSLDS), www.nslds.ed.gov
 - Current term Progress Report may be required prior to final determination

Final decision is a Professional Judgment by a Financial Aid administrator on a case-by-case basis and is neither capricious nor discriminatory.

Exception to SAP Policy and/or requests for additional documentation may be made on a case-by-case basis by the Director of Financial Aid.

Probation

- Approved appeals result in the student being placed on SAP probation;
- Students may receive financial aid during terms of probation;
- Students must meet the SAP standards and make consistent academic improvement by the end of each probationary term.

SCHOLARSHIPS

www.solano.edu/scholarship_foundation/ www.solano.edu/scholarships/ www.solano.edu/financial_aid/

Solano Community College offers a number of scholarships from awards provided by a variety of social and professional organizations. Qualifications vary according to conditions stipulated by the donors of the funds. Recipients are usually selected on the basis of academic ability, promise for continued scholarly achievement, special talents and/or leadership abilities.

THE CALIFORNIA PROMISE GRANT, CCPG

A state financial assistance program offered through the California Community College system. Enrollment fee(s) for qualifying students who are California residents will be waived who meet CCPG income eligibility requirements:

- Be a California resident or eligible AB 540 student.
- Apply with the FAFSA (Free Application for Federal Student Aid) at *www.fafsa.gov*, the California Dream Act Application CADA *dream.csas.ca.gov* or the CCPG application. Refer to *www.solano.edu*, click "Financial Aid" for the paper application or use the CCCApply online CCPG application.
- Fulfill one (1) of the following three (3) methods.

1. CCPG A:

- Be a recipient of CalWORKS/TANF (Temporary Assistance to Needy Families), or SSI/SSP (Supplemental Security Income/State Supplemental Program), or General Assistance/General Relief at the time of enrollment.
- Provide documentation of receiving CalWORKS/ TANF, or SSI/SSP, or Untaxed Income Verification form of cash benefits currently received at time of enrollment.
- Documentation may include a copy of correspondence from the local office of Public Assistance which identifies the student (or family members if applicable) and indicates that a monthly payment is being awarded for the current or prior month. This may include a copy of an Adjustmentto-Benefits letter, Notice of Action or Aid Verification Summary that shows current receipt of CalWORKS/ TANF, SSI/SSP, or General Assistance/General Relief and the amount of the grant.

2. CCPG B:

• Meet the following 2021-2022 Income Standards:

Number in Household (including yourself)	Total Household income (adjusted gross income and/or untaxed income)
1	\$19,140
2	\$25,860
3	\$32,580
4	\$39,300
8	\$46,020
6	\$52,740
7	\$59,460
8	\$66,180
Each additional family member	add \$6,720

These standards are for the academic year and are based upon the federal poverty guidelines, as published each year, in January, by the US Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the student or the student's family must have a total income in the prior year that is equal to or less than 150% of the U.S. Department of Health and Human Services Poverty Guidelines based on family size.

3. CCPG C

 Demonstrate minimum need threshold of \$1,104.00 based upon FAFSA data. The "minimum need" threshold will be established annually by the California Community College Chancellor's Office. The minimum need threshold shall be in effect starting in Fall and ending in Summer for each academic year.

Important California College Promise Grant or CCPG (Formerly BOG Fee Waiver) Changes:

Once a student qualifies for the CCPG, it is important that the student ensures that they are meeting the ACADEMIC and PROGRESS STANDARDS in order to avoid losing the CCPG.

ACADEMIC: the student must sustain a GPA of 2.0 or higher. If cumulative GPA falls below 2.0 for two (2) consecutive primary terms (Fall/Spring semesters), the student may lose CCPG eligibility.

PROGRESS: a student must complete more than 50% of coursework. If the cumulative number of units completed is not more than 50% in two (2) consecutive primary terms (Fall/Spring semesters), the student may lose CCPG eligibility.

COMBINATION of ACADEMIC and PROGRESS

STANDARDS: any combination of two (2) consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50% may result in the loss of CCPG eligibility.

Eligibility requirements for the CARE Program include:

The Solano Community College Early Learning Center provides child care and development services for children of student parents and from the community. The Center is also the early childhood education laboratory for students studying Child Development and Family Studies (CDFS).

The center is open for child care from 7:45 a.m. - 3:30 p.m. Monday through Friday, serving young children under age 5 in part-day and full-day programs. The afternoon preschool program is offered from 1:00 - 4:00 p.m. each week day.

To place a child on the subsidized or non-subsidized child care wait list, visit the 200 building on the Fairfield campus to complete an application. As openings occur, we enroll from the wait list.

The majority of the enrollment spaces are state or Federally subsidized with no- or low-cost child care available to low-income families. The fees for nonsubsidized child care vary according to the child's age and hours enrolled in care.

The children's days and hours of enrollment are based upon the parents' school schedules and/or work hours. To support the consistency and structure that children need, we emphasize a consistent enrollment schedule for each child. We do not provide drop-in child care services.

High quality, developmentally appropriate services are provided daily by well-qualified, dedicated teachers. Child Development and Family Studies (CDFS) students learning to be teachers of young children work in the classrooms as well. The children receive one-on-one support through a curriculum designed to meet their developmental needs.

The Puente Program has won accolades for its approach to helping more than 400,000 underserved students thrive academically – by holding high expectations, valuing cultural and social capital, and ensuring that students and their families have critical college-going information and guidance. Puente's mission is to increase the number of educationally underrepresented students who enroll in four-year colleges and universities, earn degrees, and return to their communities as leaders and mentors to future generations. The Puente Program has three main components:

- One-year writing program: ENGL 001, LR 010, and ENGL 310D in the fall and ENGL 002 in the spring. These classes provide a supportive and stimulating environment for Puente students to build confidence in writing skills.
- 2. Focused counseling services: Students take COUN 007 and work closely with the Puente counselor until graduation, exploring career options, developing an academic educational plan and identifying lifetime goals. Students will visit University of California and California State University campuses and attend an annual student transfer conference.

STUDENT RESPONSIBILITIES Attendance and Participation

Students must attend the first meeting of their classes each semester in order to verify their class enrollments. Students failing to appear may be dropped from class rosters. Regular attendance, completion of examinations and assignments, and participation in class activities and discussion is expected. Instructors shall provide students with written statements describing course requirements, grading standards and course prerequisites.

Regular attendance is an obligation assumed by every student at the time of registration. Absences per semester should not exceed the number of hours or the number of days, as determined by the instructor, that a class meets per week. Absences in excess of the maximum may result in students being dropped from classes. Students who fail to attend their classes may be dropped by their instructors no later than the end of 62.5% of a full-term class, shortterm class, or summer session.

Students have the responsibility of verifying their enrollment status. If students stop attending, it is their responsibility to make sure the drop card has been submitted to the Admissions and Records office or that they have completed the drop online in *MySolano*.

It is the responsibility of students to know the status of their attendance records and to complete all academic work missed due to absences. Compliance with the above regulations may be waived in the presence of verifiable extenuating circumstances including accidents, illnesses, shift changes and temporary changes in military assignments. Students who are dropped from classes because of unsatisfactory attendance and/or participation may petition their instructors for class reinstatement.

Instructors may reinstate a student by signing an add card and writing "Reinstate" on the card. The add card must be submitted to the Admissions and Records office.

Attendance and Progress of Veterans

Veterans and their dependents must initiate their claim for educational benefits through the Veterans Resource Center on campus. After classes begin, students are required to notify the Veterans Resource Center promptly of any change in their unit loads or changes of address. Veterans should be aware that short-term classes, variable-unit courses and other flexible schedules may change the training time and affect benefits. A veteran who is academically disqualified must contact a Veterans Resource Center staff member for specific details concerning readmission.

Withdrawal from Classes

Students are responsible for officially dropping from classes and verifying that drop cards are submitted to the Admissions and Records office or completing the drop process using *MySolano*. Non-attendance or non-payment of fees is not a guarantee of removal from a course and does not alleviate responsibility to pay fees. Students who do not officially drop courses may receive an "F" for the term and incur a student debt.

Courses dropped after 20% of instruction through the end of 62.5% of instruction will be recorded as a "W" on the student's record. A student must petition the Academic Council for a "W" after the last day to drop if extenuating circumstances apply. Documentation may be required.

Short-term or summer session courses, which are less than a full semester in length, dropped during the first 20% of the class will not appear on the student's record. Courses dropped 21% to 62.5% of the term/session will be recorded as a "W" on the student's record.

Students should refer to their Schedule Bill for course specific deadlines.

Withdrawal from College

Students who find it necessary to drop all courses during the semester are required to drop within published deadlines. It is important to clear any debts owed to the College before leaving the College. Failure to drop properly could result in failing grades and a student debt.

Students are advised to speak with faculty members and a counselor before deciding to withdraw.

Students should access their *MySolano* account to drop or do so in person at any of our Admissions and Records campus locations.

A grade point average (GPA) is determined by dividing the total number of grade points earned by the total units attempted, excluding credit/no-credit courses and those in which W or I grades are earned. (Example: 36 grade points divided by 12.0 units attempted equals 3.0 GPA/B average).

Pass/No-Pass Option

The purpose of the pass/no-pass option is to encourage students to take challenging courses for electives outside the major area while avoiding undue concern for grades in competition with students who may be better prepared.

The P grade represents a letter grade of A, B, or C. The NP grade represents a D or F letter grade. Units earned in the grading system are not used in computing grade point averages. A letter grade cannot be changed to a pass/nopass grade, and a pass/no-pass grade cannot be changed to a letter grade unless the course is repeated. A course in which a grade of NP has been earned may be repeated once for a P or letter grade. Some courses are offered only on a P/NP grading basis and letter grades may not be earned in these courses. These courses are identified in the Course Descriptions section of this Catalog.

Students may request P/NP grades in most regular graded class offered by the College but they are limited to a total of 15 semester units under the P/NP option while attending Solano Community College. In order to exercise this option, a petition must be filed with the Admissions and Records office at the time of registration, or by the fifth week of the semester for a full semester course. Petitions for summer session and short-term courses must be filed within the first 30% of the course.

Academic Regulations

Students should be aware that other colleges and universities may be reluctant to accept P/NP grades. Students consult with a counselor prior to taking the P/NP grade option in their major fields of study.

Auditing

Course auditing is permitted as a service for students to continue study in a designated credit course that they have successfully completed the maximum number of allowable enrollments. At the time of this catalog, the following courses are not eligible for auditing: NURS 103, NURS 104, FIRE 140, EMT 213, all AERO and all COSM. Auditing is not allowed in online courses. Auditing conditions are as follows:

- 1. Student participation in the course is subject to instructor discretion
- 2. No grades or credit shall be awarded and no transcript of record maintained
- 3. Auditors may not change their status in the course from audit to credit student or the reverse
- Audit fees shall not be refunded. The auditing fee is \$15 per semester unit. One may apply to audit after the second class meeting when class size has been established for regular students.

Final Examinations

A final examination is required in all classes. For full semester day sections, final examinations will be given during the scheduled final examination period (finals week) at the end of each semester. For full-semester evening sections, short-term sections which end prior to finals week, and summer sessions the final examination will be given during the last class meeting. For short-term sections which end during the finals week period, the final examination will be given in accordance with the finals week schedule.

Incomplete Grades

An incomplete grade may be assigned only when a student has failed to complete the final examination, a class project, or a term paper because of illness or severe personal problems. Incomplete work must be completed by the end of one calendar year. When such conditions exist, the instructor and student must complete an "Incomplete Grade Contract" which outlines the work to be completed within one calendar year to result in an agreed-upon grade and states a preliminary grade which represents the grade earned by the student in work completed. When the work has been completed as outlined on the contract, the instructor will forward a "Change of Grade" form to the School Dean. Students who do not complete the contract will be assigned the preliminary grade at the end of one calendar year.

Change of Grades

Students requesting a change of grade must initiate the request within one year after completing the course for which the grade change is being requested. After this period, if there are extenuating circumstances, a change of grade may be requested; however, the period for requesting a grade change may not exceed 3 years after the completion of the course.

Students should submit a request in writing directly to the faculty member within one year after completing the course for which the grade change is being requested. If the faculty member is not available, the request should be submitted through the appropriate School Dean; however, only the faculty member that assigned the original grade or designee may authorize a change of grade.

Important Note

Except in the cases of mistake, fraud, bad faith, or incompetency, a grade assigned by an instructor is not a grievable issue as described by the California Education Code (Section 76224): ". . .when grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, and in the absence of mistake, fraud, bad faith, or incompetency, shall be final."

STANDARDS FOR ACADEMIC PROBATION AND DISQUALIFICATION

Students failing to maintain an acceptable standard of academic achievement shall be placed on academic probation, progress probation, academic dismissal or progress dismissal. (Reference: Student Services Policy and Procedures 5100) For purposes of probation and dismissal, only consecutive, primary semesters are counted. The semester in which a student's performance causes them to be placed on probation is the first probationary semester. Summer is not a primary semester.

Academic Probation

A. Placement on Academic Probation

- A student shall be placed on academic probation for the following reasons:
- 1. A student has attempted at least 12 total semester units and has achieved a cumulative grade point average (GPA) of less than 2.0.

B. Removal from Academic Probation

1. A student on academic probation is removed when their cumulative GPA is 2.0 or higher.

Progress Probation

A. Placement on Progress Probation

A student shall be placed on progress probation for the following reason:

 A student has attempted at least 12 total semester units and received transcript entries of "W", "I", or "NP" representing 50% or more of all units attempted.

B. Removal from Progress Probation

 A student will be removed from progress probation when the student has received transcript entries of "W", "I", or "NP" for less than 50% of all units attempted.

Dismissal

Dismissal prohibits the student from enrolling until one primary semester has passed and the student has met with a counselor and/or attended a probation/dismissal workshop.

A. Placement on Dismissal

A student will be dismissed for one or more of the following reasons:

- 1. A student achieves a cumulative GPA of less than 2.0 for three consecutive primary semesters.
- 2. A student receives 50% or more of transcript entries as "W", "I", or "NP" for three consecutive, primary semesters.

B. Removal from Dismissal

A student will be removed from Dismissal for any of the following reasons:

- 1. A student's cumulative GPA is 2.0 or better and a student's transcript entries of "W", "I", or "NP" are less than 50% of all units attempted.
- Satisfactory Progress after Dismissal: A student who meets the requirements for readmissions after dismissal and achieves a semester GPA of 2.25 or greater, but does not have an overall cumulative GPA of 2.0 or greater, shall remain on academic probation until the cumulative GPA is 2.0 or better. (This condition only overrides A.1. above.)

If semester GPA falls below 2.25 and/or student qualifies for Progress Probation, student will be academically and/ or progress dismissed.

Petition Process

Any student who has a problem regarding their academic performance, enrollment status, or registration/withdrawal procedures should contact the Admissions and Records office at *admissions@solano.edu*.

Appeals

Students who are dismissed may file an appeal to contest the requirement of sitting out a primary semester with the Vice President, Student Services, or designee if extenuating circumstances exist which caused the substandard grades. To appeal, students complete the "Readmit After Dismissal" petition and indicate on it that they are appealing the requirement of sitting out a primary semester.

Academic Renewal Without Course Repetition– Student Services Procedures 5110

Pursuant to regulations established by the Board of Governors of the California Community Colleges (Title 5, Section 55764), students may, under the provisions outlined below, petition for the elimination of past substandard coursework (D, F, or NP) in the calculation of the student's grade point average (GPA).

- 1. Coursework eligible for consideration under this regulation shall be:
 - a. No more than thirty (30) units;
 - Clearly sub-standard coursework, defined as those courses in which the student earned grades of D, F or No Pass;
 - c. Courses taken at Solano Community College; and
 - d. Courses taken two or more semesters (not including summer session) prior to petitioning.
- 2. Students are not eligible for relief under the academic renewal policy until they have:
 - Completed at least fifteen (15) units with a grade of "C" or better at a regionally accredited post-secondary institution subsequent to the coursework to be alleviated;
 - b. Met the two semester (not including summer session) time requirement; and
 - c. Filed an Academic Renewal Petition with the Admissions and Records office
- Courses eliminated under this policy may not be applied toward any degree or certificate requirement. Academic Renewal actions are irreversible.
- 4. If the request is approved, the student's academic record will be annotated to reflect the change, but all work will remain legible.
- 5. Solano Community College may honor the Academic Renewal Policy of other regionally accredited institutions in disregarding previous academic work.
- 6. Students should understand that other colleges may not honor the Academic Renewal Regulations of Solano Community College.

REPEATABILITY OF COURSES

Repetition of courses must be conducted by all California Community Colleges in compliance with California Title V Regulations, Sections 55040 through 55046.

Course enrollment to improve a sub-standard grade:

Students may enroll in a course up to three times or until the student receives a satisfactory grade, whichever comes first. A sub-standard grade is a notation of D, F, NP (No Pass), or W (Withdrawal). Solano Community College requires students to "petition to repeat" prior to the second attempt. A W will count as an attempt.

Repeatable Courses

Most courses with an earned grade of C or better cannot be repeated. However, there are specialized courses that are designated as repeatable and are noted in the course description. Types of courses in this category include:

- Transfer level courses that may be taken more than once to meet the major requirement for transfer to a California State University (CSU) campus or to other universities with a similar transfer requirement.
- Intercollegiate Athletics and their related conditioning courses may be repeated to meet requirements for CCCAA eligibility.
- Intercollegiate academic or vocational competition courses with the primary purpose to prepare students for competition.
- Variable unit courses cannot be repeated but students may enroll up to the total maximum units allowed.

Petition for An Exception - Non-Repeatable Courses Some special circumstances allow students to complete the Course Repetition petition process when the request does not meet the criteria cited in the section above:

A student may enroll again in a course due to a significant lapse of time (defined as at least 36 months) since the student's successful completion of the course and there is a properly established recency prerequisite for a course or program at Solano Community College or at another institution of higher learning. In cases where a transfer university requires a course to be taken as a university prerequisite more recently than 36 months, the college may alter the 36-month rule with documentation provided by the student submitted with the petition. Grades awarded for courses under this circumstance shall not be calculated in a student's grade point average. This is a one time exception.

- Upon verification a student may enroll again in a course where a legally mandated or licensure training requirement as a condition of continued paid or volunteer employment. These enrollments are not limited. Documentation for verification may include an expired CPR Certification, the job announcement or job description, coupled with a certification by the student that they need the course for employment.
- A special course that can be enrolled by petition for a disability-related accommodation.
- The college finds that the student's most recent previous grade is, at least in part, the result of extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the student's control. This is a one-time exception.

Limitations on Active Participatory Courses

Active participatory courses are those courses where individual study or group assignments are the basic means by which learning objectives are obtained. These include kinesiology and dance active participatory courses, as well as visual and performing arts active participatory courses (theatre arts, music and art). Some courses in these categories are related in content and have been placed in groups called Course Families. Course Families allow for skill development beyond an introductory level. A Course Family may include more than four courses, but students are limited to enrolling in a maximum of four courses in any one family. If a student gets a sub-standard grade (a notation of D, F, NP [No Pass], or W [Withdrawal]) in any course within a family, the sub-standard grade counts as one attempt of the four course limitations in the family. Consult with a counselor for more information.

ACADEMIC HONORS

President's Honor List recognizes those students who earn academic honors in a given semester. The President's List includes those students who have earned a grade point average of 3.85 or higher with at least 39 grade points in not fewer than 12.0 units of work completed.

Deans' Honor List recognizes those students who earn academic honors in a given semester. The Deans' List includes those students who have achieved a grade point average of at least 3.25 or higher with at least 39 grade points in not fewer than 12.0 units of work completed.

Alpha Gamma Sigma: Permanent membership in Alpha Gamma Sigma, the California Community College Honor Society, recognizes students who have maintained a high grade point average in all college work. A cumulative grade point average of 3.25 must be maintained to remain in good standing. Applications are available in the Student Life office, Room 1425/1426 in the Student Center.

Honors at Graduation: A student who achieves a cumulative grade point average of 3.50 to 3.74 will be graduated with honors; and 3.75 and above with high honors.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990 (CLERY ACT)

The Solano Community College District is in compliance with the Federal Crime Awareness and Campus Security Act of 1990 (Clery Act). Information required by this act may be found in the Student Handbook: Rights, Responsibilities & Procedures. "Crime Statistics and Campus Safety Information" is available on the College's Sheriff's Department website. An updated statistics list is available online at *http://ope.ed.gov/security*.

SAFETY FOR THE COLLEGE COMMUNITY The following information is published in accordance with Public Law 101.542 (§201), as amended by Public Law 102.26, the *Crime Awareness and Campus Security Act of* 1990.

Crime Reporting Procedures - No community or campus can be totally risk-free in today's society. Students, faculty, staff, and visitors are partners in creating an atmosphere that is safe and conducive to learning.

All law enforcement services are provided by the Solano County Sheriff's Office under a Memorandum of Agreement with Solano Community College District. The department is located in Bldg. 1800B. When on campus report any criminal action or other emergency by calling (707) 580-6526 or 911. The non-emergency number is (707) 864-7131. Off campus dial 911 to report an emergency.

College Property - Solano Community College property may not be removed from the campus without the expressed, written permission from the school dean or area supervisor. Unauthorized removal of College property from the campus is a violation of the law and may be prosecuted by the College. **Sheriff's Department** - It is the policy of the Solano Community College Board of Trustees to protect all members of the College community and to protect the property of the District (Board Policy §3410 & §3800). Under the general direction of the Service Area Manager assigned by the Sheriff's office, the campus Sheriff's Department shall ensure that reasonable protection is provided by using methods that fit within, and contribute to, the educational philosophy and process of the institution.

Deputies have full peace officer authority, pursuant to California Penal Code (§830.32A) and Education Code (§72330). They have peace-officer training, as prescribed by the California Commission on Peace Officer Standards and Training. Drivers should be aware that Deputies are authorized to enforce all provisions of the California Vehicle Code relative to both moving and non-moving violations on campus.

Sexual Assaults - Sexual assaults including rape, acquaintance rape, and other sex offenses, should be reported to the campus Sheriff's Department immediately. Deputies can be contacted in Bldg. 1800B or by calling (707) 580-6526. The non-emergency number for campus Sheriff's Department is (707) 864-7131.

A victim of sexual assault should not touch or change anything at the scene. They should not wash, take a shower, or change clothing; which may destroy important evidence. Sexual assault victims will be transported to the nearest hospital for examination and collection of important evidence by trained medical personnel.

Services available on campus include a deputy trained in sexual assault investigation. During the fall and spring semesters, a nurse is located in Bldg. 1400. The rape crisis hotline for Solano County is (707) 258-9404. Possible sanctions for a perpetrator of a sexual assault include: criminal prosecution, official warning, reprimand, social probation, restitution, suspension by teacher, emergency summary suspension, disciplinary suspension, disciplinary probation, and expulsion. All criminal investigations are conducted independently of College rules of conduct inquiries. **Crime Prevention** - One of the essential ingredients of any successful crime prevention program is an informed public. It is the intent of Solano Community College to inform students and staff, in a timely manner, of any criminal activity or security problems that may pose a reasonable threat to their physical safety. Another critical element of a campus safety program is training. The Sheriff's Department, the ASSC and the Office of Student Services sponsor on-going training programs on various topics, ranging from sexual assault awareness to the prevention of substance abuse.

Finally, all effective crime prevention programs include some measure of people watching out for one another. All staff and students are asked to be ALERT, SAFETY-CONSCIOUS, AND INVOLVED.

The Campus Crime Statistics Report is published annually and is available in the Solano Community College Sheriff's Department and on the College's website at *http://www. solano.edu/police/statistics.php.*

Off-Campus Crime: The local police departments have been requested to provide Solano Community College with crime data for the areas surrounding the facilities operated by the College. When a safety problem arises, the campus Sheriff's Department will notify persons using these facilities.

Sexual Harrassment

Sexual Harassment is prohibited by law and by College policy (Board Policies §4270 and §4285). Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal, visual, or physical conduct of a sexual nature or communications constituting sexual harassment made by someone from or in the work place or educational setting when:

- Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.
- 2. Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors programs, or activities available at or through the district.

Examples of Sexual Harassment:

1. Making unsolicited verbal, physical, written, and/or visual contact of a sexual nature.

Verbal: Offensive and/or inappropriate comments, epithets, whistling, jokes and innuendos of a sexual nature, including but not limited to, comments of a sexual nature about another person's or one's own physical appearance, attire, sexual thoughts, sexual behavior, marital status or sexual orientation.

Physical: Offensive and/or inappropriate touching, interference with movement, or sexual assault, including but not limited to, kissing, touching intimate places, unnecessary and unwelcome touching of non-intimate places, or blocking of free bodily movement.

Written: Sending or delivering sexually suggestive letters, notes, invitations, electronic media transmissions, or other reading materials.

Visual: Displaying sexually suggestive posters, pictures, drawings, cartoons, computer graphics or objects; making sexually suggestive or obscene gestures; leering or staring at another person with sexual intent.

The above types of conduct of a sexual nature may be considered sexual harassment whether or not they are directed at a specific person. A workplace or educational setting which is permeated with sexual communications or behaviors may create a hostile environment to all persons within that setting. Whether an environment is hostile depends on the totality of the circumstances, including such factors as the frequency and severity of the conduct and whether the conduct has a negative impact on a person's work or educational environment.

- 2. Continuing to express sexual interest after having been informed that the interest is unwelcome.
- 3. Coercive sexual behavior such as making reprisals, threats of reprisal, or implied threats following a rebuff of harassing behavior used to control, influence, or affect the career, salary, or work environment of another person, including but not limited to promises or threats regarding appointments, promotions, transfers, changes of assignment, or performance evaluations which are explicitly or implicitly made contingent on the person tolerating or submitting to the sexual behavior.

Campus Safety

4. Coercive sexual behavior such as making reprisals, threats of reprisal, or implied threats following a rebuff of harassing behavior used to control, influence, or affect the educational opportunities, grades, or learning environment of a student, including but not limited to promises or threats regarding grades earned or deserved, course admission, suggesting poor performance evaluations, letters of recommendation, benefits or services such as scholarships, financial aid, or work study jobs which are explicitly or implicitly made contingent on the student tolerating or submitting to the sexual behavior.

Obligations of All District Employees and Students:

All employees and students shall report to their immediate supervisor or school official any conduct on the part of other employees and students or non-employees, such as sales representatives or service vendors, who sexually harass any District employee, student, or other persons. If the immediate supervisor is the alleged harasser, contact Human Resources. Immediately following notification to the supervisor or school official, the party shall notify Human Resources and provide all information relevant to the complaint.

Because different procedures apply after a formal governmental administrative charge or complaint is filed, any employee receiving such a charge or complaint is directed to Human Resources immediately.

All employees and students shall cooperate with any investigation of an alleged act of sexual harassment conducted by the District or by an appropriate state or federal agency.

No employee or student of the District shall take any action to discourage a victim of sexual harassment from reporting such an instance.

The District will respond to any conduct which may constitute unlawful/prohibited discrimination as it deems appropriate, including but not limited to an internal investigation of reported conduct, and will take appropriate disciplinary action up to and including discharge, expulsion, or termination of contract if such is justified.

CIVIL RIGHTS/TITLE IX

Open Access & Non-Discrimination is the policy of the Solano Community College District, based on California Title 5 regulations, that no person, on the basis of ethnic group identification, national origin, religion, sexual orientation, age, sex, race, color, or physical or mental disability, shall be unlawfully subjected to discrimination under any program or activity that is funded directly by, or that receives any financial assistance from, the Chancellor or Board of Governors of the California Community Colleges.

Other forms of unlawful/prohibited discrimination under federal and state law include discrimination on the basis of race or national origin. Further, the College District, in compliance with state law, will not tolerate behavior by students or staff which insults, degrades, threatens, stereotypes, or otherwise discriminates on the basis of marital status, pregnancy, sexual orientation, political activities or affiliation and/or medical condition. In addition, Solano Community College has identified another form of discrimination not recognized by the Chancellor's Office and the State of California to include veteran status. Complaints should be filed with Human Resources. No one shall retaliate against anyone who files a discrimination complaint or participates in an investigation, or against anyone who is a representative of an alleged victim or an alleged offender.

"TITLE IX" of the Education Amendment of 1972 provides the starting point that guarantees the right of students, faculty, staff, and administration to be free of sexual discrimination and harassment. These guarantees apply to access to educational opportunities and courses, counseling and guidance services, treatment of students, access to personal records, athletics, financial assistance, the educational environment and work experience. Any inquiries related to "Title IX" concerns of sexual discrimination or harassment should be reported directly to the Title IX Administrator of the Solano Community College District, through Human Resources. *The Americans with Disabilities Act of 1990* provides individuals with disabilities equal educational opportunities, programs, and services. To ensure equality of access for students with disabilities, academic accommodations and auxiliary aids shall be provided to the extent necessary to comply with state and federal law and regulations. Academic accommodations and auxiliary aids shall specifically address those functional limitations of the disability which adversely affect equal educational opportunity. If students feel their accommodations have not been made, they may file a complaint with Human Resources.

ACADEMIC FREEDOM - FACULTY

The Solano Community College District affirms its belief in the academic freedom of its full time and adjunct faculty and students to engage in any teaching, studying, research, writing, and criticism deemed appropriate by such individuals to the spirit of free inquiry and pursuit of truth.

As stated in <u>Academic Freedom and Tenure</u> (Handbook of American Association of University Professors, 1969):

"...academic freedom consists in the absence of, or protection from, such restraints or pressures - chiefly in the form of sanctions, threatened by the state or church authorities or by the authorities, faculties, or students of colleges and universities, but occasionally also by other power groups in society - as are designed to create in the minds of academic scholars (teachers, research workers, and students in colleges and universities) fears and anxieties that may inhibit them from freely studying and investigating whatever they are interested in, and from freely discussing, teaching or publishing whatever opinions they have reached. "

Since these rights of academic freedom carry responsibilities with them, each faculty member and student should strive to be accurate, should exercise appropriate restraint, show respect for the opinions of others, and must indicate that they do not speak, necessarily, for the College.

STUDENT RIGHTS

Academic Freedom - Every student is guaranteed the right of full expression and advocacy, consistent with established District policy and regulations (Board Policy §5580). To this end, a "Hyde Park" location has been designated near the Student Center (Building 1400). This is the area where peaceful assembly may take place for the purpose of free expression and exchange of ideas by the students and staff of the College. Outside speakers and groups must be sponsored by a campus organization, faculty member or administrator.

The "Hyde Park" area is available five days a week, from 9 a.m. to 5 p.m., unless otherwise reserved. Scheduling of this area must be done through the Office of Student Life (Room 1425) prior to the activity.

Speech, with or without electronic amplification, shall not interfere with nor disrupt the orderly operation of the College, including classroom instruction, registration procedures, public programs, and athletic events. The expression of obscene, libelous, or slanderous statements, according to current legal standards, or statements which so incite students as to create a clear and present danger of the commission of unlawful acts on campus premises or the violation of College regulations or the substantial disruption of the orderly operation of the College are prohibited.

Privacy Act: Students at Solano Community College are guaranteed certain rights regarding their school records and information which they provide to the College (Family Educational Rights and Privacy Act of 1974, Section 438, Public Law 93-380). These rights include:

- 1. The right to inspect and review official college records.
- 2. The right to challenge the accuracy of the records.
- 3. The right of controlled access and release of information.

These rights are designed to protect the privacy of all students. A photo identification is required before releasing information. Official College records are kept in the Admissions and Records office. The Dean of Enrollment Services has been designated "Records Officer," as required by the Act.

Release of Student Information: Student information cannot be released without the written consent of the student as provided for in the *Family Educational Rights and Privacy Act of 1974.*

Rights to Privacy: While the College does not provide general directory services, it may (by law under special circumstances) release the following information about a student: name, address, telephone number, date of birth, major field of study, participation in officially recognized sports, height and weight of members of athletic teams, dates of attendance, and degrees and awards received. If a student does not wish such information to be released, notify the Admissions and Records office in writing.

Directory information may be released at the discretion of the College to persons or agencies, such as the National Student Clearinghouse, which the College deems to have legitimate reason for access to the information. To prevent disclosure, written notification must be sent to the Admissions and Records office.

The College is required to release student names, addresses, and telephone numbers to armed forces recruiters, per the Solomon Act, without first obtaining a student's permission. In addition, the College is required to release information to the U.S. Department of Education and the Federal Internal Revenue Services about fees paid and financial aid received according to the *Hope and Opportunity for Post Secondary Education Act of 1997*.

Student Equity: The mission of the California Community Colleges is to serve the educational needs of all residents of the State, regardless of the educational or socioeconomic background, ethnic, or cultural heritage of students seeking higher education opportunities. The College provides programs and services to ensure that all students have the opportunity to succeed academically. The overarching equity goal at Solano Community College is to provide a teaching and learning environment that is welcoming, supportive, and accessible to all participants, regardless of ethnicity, culture, nationality, language, disability, gender, sexual orientation, or religion, and to ensure that all students have an equal opportunity for academic success.

STUDENT RIGHT-TO-KNOW DISCLOSURE

Education is fundamental to the development of individual citizens and the progress of the Nation as a whole. There is increasing concern among citizens, educators, and public officials regarding the academic performance of students at institutions of higher education. Prospective students and prospective student athletes should be aware of the educational commitments of an institution of higher education. Knowledge of graduation rates helps prospective students and prospective student athletes make an informed judgment about the educational benefits available at a given institution of higher education.

Compliance with the Student Right-to-Know and Campus Security Act of 1990 completion and transfer rate statistics can be viewed at *http://srtk.cccco.edu/index.asp.*

STUDENT COMPLAINTS AND GRIEVANCES

When students believe their individual rights, or rights to due process (as provided for by College policies, state laws, and/or federal laws) have been denied, they may seek redress through the formal complaint or grievance procedure.

Student Complaints: Unlawful/Prohibited Discrimination Policy and Complaint Resolution Procedures (§4285) and Sexual Harassment Policy (§4270)

In the event that any student believes that an act of prohibited and unlawful discrimination involving ethnic group identification, religion, age, sex, color or physical or mental disability, race, national origin, marital status, pregnancy, political activities or affiliation, medical condition, veteran status, or sexual orientation has been directed against them by another student, staff member, group or campus organization, the student may file a complaint with the Human Resources Department, (707) 864-7128.

At any time the student may submit their complaint to any of the following agencies: California Department of Fair Employment and Housing at (800) 884-1684; U.S. Department of Education, Office for Civil Rights at (800) 872-5327; California Community College Chancellor's Office at (916) 322-4005, and Equal Employment Opportunity Commission at (800) 669-4000.

Student Grievances: Non-Civil Rights (§5350)

A grievance may arise from a decision or action that has an adverse effect on a student with respect to their educational rights. It may arise when a student believes they have been denied educational rights provided by college, state, and federal policies, rules or regulations. Copies of Solano Community College's current procedures on "Student Grievances: Non-Civil Rights (§5350)" are available free, upon request, from the Vice President of Student Services, or designee (Room 604) *solano.edu/district_policies/series5300_ student_rights. php* These procedures outline the steps to file a grievance, describe the hearing process, and establish the time limits under which these procedures operate.

ACADEMIC INTEGRITY

At the heart of any institution of higher learning is the fundamental right of Academic Freedom for which Honesty and Integrity are preconditions. Academic Integrity is therefore fundamental to the Solano Community College community. Academic Integrity is maintained only when all academic work is the product of identified individuals. Any act of Academic Dishonesty interferes with Academic Integrity and therefore with the core values of this institution. All violations of Academic Integrity on the part of any member of the academic community constitute a serious offense.

ACADEMIC HONESTY POLICY

The College community functions best when its members treat one another with honesty, fairness, respect and trust. Therefore, an individual should realize that deception for the purpose of individual gain is an offense against the members of the College community. Violation of the Academic Honesty Policy includes but is not limited to:

Plagiarism – from the Latin word for "kidnap" – 1. involves using another's work without giving proper credit, whether done accidentally or on purpose. This includes not only words and ideas, but also graphs, artwork, music, maps, statistics, diagrams, scientific data, software, films, videos and the like. Plagiarism is plagiarism whether the material is from published or unpublished sources. It does not matter whether ideas are stolen, bought, downloaded from the Internet, or written for the student by someone else – it is still plagiarism. Even if only bits and pieces of other sources are used, or outside sources reworded, they must still be cited. To avoid problems, students should cite any source(s) and check with the instructor before submitting an assignment or project. Students are also encouraged to visit the Academic Success and Tutoring Center (ASTC) for free help in understanding and preventing plagiarism. Students are always responsible for any plagiarism in their work.

- Violation of class assignments, examination rules, e.g., communicating or transferring information to another student, using any materials such as books, notes, etc., other than those expressly allowed for the exam, looking at another student's exam, etc.
- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including, but not limited to, handwritten or computer generated class notes, except as permitted by any college policy or administrative procedure.

Sanctions for Academic Dishonesty

An instructor who determines that a student has cheated or plagiarized has the right to give a failing (i.e. "F") grade, or numerical equivalent, for the assignment or examination. Instances of alleged plagiarism or any other form of academic dishonesty may be referred to the Vice President, Student Services, for action in accordance with the established disciplinary procedures as set forth in Solano Community College Board Policy §5300. Following procedures consonant with due process, a student may be expelled, suspended, or given a lesser sanction if they are found to have committed an act of academic dishonesty. The totality of the particular circumstances, the student involved, and any relevant mitigating factors shall be considered in every case.

Additional Consequences of Violating the Academic Integrity Policy

Students committing acts of academic dishonesty not only face college censure but run a serious risk of harming their future educational and employment opportunities. Prospective employers and other educational institutions frequently use recommendation forms that ask for judgment and comment on an individual's moral or ethical behavior. Many scholarship opportunities, awards and memberships to academic societies, such as honor societies or discipline-specific associations, also rely heavily on recommendations.

College faculty and administrators knowledgeable of academic dishonesty infractions are ethically bound to report such incidences. Moreover, in all cases in which a grade of "F" is assigned for disciplinary reasons, the "F" will remain on the student's transcript, even if the course is retaken and a passing grade is achieved. Lastly, many other institutions and professional environments impose a no tolerance policy on dishonesty which may result in the student being expelled or fired. Solano Community College students are therefore obligated to develop educational habits befitting their scholastic and career goals.

SOLANO COMMUNITY COLLEGE HONOR CODE

At Solano Community College, we believe that Academic Integrity is fundamental in an institution dedicated to personal development through learning, free inquiry, and the exchange of ideas. Honest work is an integral part of the learning process: it builds self-esteem, knowledge, and skills. It is the responsibility of every Solano Community College student to represent work truthfully and engage honestly in all assignments. We believe that any instance of academic dishonesty hurts the entire College community.
