

SCC is RIGHT for you!

QUALITY EDUCATION at an Affordable Price

(see chart below)

As a full-time student at Solano Community College (SCC), you can expect to pay a little more than \$1,080 in annual fees (30 units at \$46/unit). You'd pay more than \$ 5,778 a year at a California State University (CSU) campus and \$11,893 at a University of California (UC) campus. SCC offers many financial aid options and scholarships to help you maximize your financial resources.

*Applies to California residents; excludes cost of textbooks, materials fees, transportation/parking, and room & board. Fees subject to change due to State budget.

INCREASE Your Earning Power

SCC graduates earn as much as twice the State's average wage in some cases. The average lifetime income of an SCC graduate with an associate degree is more than \$1 million—about \$250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example. Associate of Arts and Science degree holders earn 22% more than those with a high school diploma.

Health Fee Exemptions

Since the provision of health services is very expensive and the California Community College system does not have sufficient funds to subsidize student health services, the State legislature mandates that the burden of supporting a student health center will be shared by all Solano Community College students through a general fee, regardless of whether they utilize the health center or have their own insurance.

The following students are exempt from paying the mandatory health fee:

- (1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- (2) Students who are attending a community college under an approved apprenticeship training program.

Students who fall within any one of the two grounds for exemption may apply for a fee waiver by submitting a written request to the Office of Student Development.
