## COURSE NUMBERING SYSTEM

The following numbering system indicates transferability, pass or no-pass status and other related information. For specific transfer information, consult a counselor and refer to the catalog of the prospective transfer institutions.

### Class Numbers

**001-049** - Qualify for an AA/AS Degree; transfer to the University of California system and the California State Universities system.

**050-099** - Qualify for an AA/AS Degree and transfer to the California State Universities system.

**100-199** - Qualify for an AA/AS Degree but, generally, do NOT transfer to four-year institutions. Some classes may be used to meet requirements in certain majors at some four-year institutions.

**300-399** - Credit classes which DO NOT apply to an AA/AS Degree. Exception: One English class below English 001 which may be applied to an Associate Degree as an elective. Classes do not transfer to four-year institutions.

**500-599** - Non-credit classes.

## DEFINITIONS

**Advisory** – A class or equivalent preparation that will broaden the student's learning experience in a subsequent class.

**CRN** – What was previously known as a SECTION number is now known as a CRN number.

**Co-Requisite** – Some classes require enrollment in both the lecture and the lab, or are part of a learning community that requires enrollment in all classes within the community. Your enrollment in a class with a co-requisite is blocked until you have completed or enrolled in the co-requisite class.

**Prerequisite** – A class or equivalent preparation that must be completed before enrolling in another class. Your enrollment in a class with a prerequisite is blocked until the requirements of the prerequisite are satisfied.

**Open Entry** – Class that can be added to a program of study up to the last day to drop a full-term class.

**Open Exit** – Classes that can be completed by fulfilling class requirements at any time during the semester.

### SCC Minimum English and Math

**Standards** – The minimum English standard is eligibility for enrollment in English 370; the minimum math standard is eligibility for enrollment in Math 330.

**Student ID Number** – We assign a unique 9-digit number to you when you apply for admission. If you attended Solano prior to Summer 2008, your Student ID Number transferred over to the new system.

**Class Cancellation** – The College reserves the right to cancel any class that does not meet minimum enrollment requirements or has unexpected staffing or facility situations that cannot be satisfactorily resolved. Class times and/or room assignments are subject to change; changes are posted outside the Office of Admissions and Records, Building 400, Fairfield Campus, and at the Vallejo and Vacaville Centers for classes scheduled at these locations. Call (707) 424-2431 for class times and room changes at Travis Air Force Base.
