### **Board Policies 1009 and 5505**

Nasir Baig, the Student Trustee for 2014/15 addressed the Council and reviewed the changes that have been made to Board Policy 1009 since it was first presented to the Governing Board in 2010 until it was approved in April 2014. Mr. Baig explained that in the past if the position of Student Trustee was vacated by resignation or disqualification, a special election would take place. The Policy now states that if the office becomes vacant, the Governing board may authorize the officers of the ASSC to appoint a student to serve the remainder of the term. If a student is recalled, a special election shall be held, following the Board Procedures for 1009. Currently there are no procedures for Board Policy 1009. His proposal would be to work on it over the summer and have it ready to bring to the Council in the Spring of 2015.
