Federal Pell Grant Lifetime Eligibility Used (LEU)

There is now a lifetime limit to the amount of Federal Pell Grant a student may receive. A new federal law has set the lifetime limit as an equivalent of six years of full-time enrollment. Since the maximum amount of Pell Grant funding a student can receive each year equals 100% then each student has 600% Pell eligibility available.

Students have the right to decline or return Pell Grant funds within the academic year in order to preserve eligibility for future enrollment periods. Undisbursed Pell Grant funds may be declined within the award year.

DEADLINE: this completed form must be returned to the Financial Aid Office at least one week prior to disbursement of financial aid for the term you wish to have adjusted.
