SUMMARY:

Superintendent-President Laguerre and Executive Director Bostic will present the Solano Community College District (SCCD) and Solano Community College Educational Foundation draft Master Agreement.
MASTER AGREEMENT
BETWEEN
THE SOLANO COMMUNITY COLLEGE DISTRICT (SCCD) AND
THE SOLANO COMMUNITY COLLEGE EDUCATIONAL FOUNDATION

PREAMBLE

This Master Agreement is renewed and entered into this day of ___________ by and between the Solano Community College District (the "District") and the Solano Community College Educational Foundation ("the Foundation") a nonprofit, tax-exempt organization operated for the benefit of Solano Community College (an auxiliary organization described in Education Code section 72670(e)

1. Background, Purpose and Mission
The Foundation is an Internal Revenue Code Section 501 (c) (3) public charity which exists solely for the purpose of supporting the College and its students and which has been recognized by the SCCD Governing Board as having a formal relationship with, and working on behalf of, the College; and

- The College offers a comprehensive array of educational and other services to students and to the community, and has done so continuously since 1945; and the Foundation was created in 1985 by a group of distinguished citizens who were interested in supporting education and a quality college for Solano County; and

- SCCD has found that the administration of fundraising, development, and charitable fund management is most efficiently performed by a private sector, nonprofit entity such as the Foundation; and

- SCCD believes that so long as the Foundation fully performs the fundraising, and fund development functions for the benefit of the College; and it is expected that from the funds raised salary and benefits of the Executive Director will be reimbursed to the college.

2. Provision of Specified Personnel

The Executive Director of Institutional Advancement shall serve as the Foundation’s Executive Director and perform only tangential services to the district. The Executive Director will develop funding opportunities with community, alumni, individual, foundations and corporate donors as well as manage administrative functions on behalf of the Foundation and for the benefit of the College. The Executive Director of the Foundation has direct responsibility for the growth, development and performance of the Foundation volunteer Board of Directors. The support position that performs the functions related to accomplishing the goals of the Foundation Office for the benefit of the College, will be the responsibility and under the supervision of the Executive Director. The Executive Director of the Foundation will direct the District’s self-supporting Grant and Resource Development Coordinator.

Foundation functions shall include fundraising (annual, major gifts, capital campaigns, planned giving), donor relations, scholarship development, accounting functions, alumni development, maintaining a district and foundation database, prospect research, social media, corporate and foundation relations, stewardship.

The District believes that the aforementioned arrangement is expected to be beneficial to the District. Accordingly, in order to ensure that the various functions performed by the District’s Executive Director of the Foundation and the Executive Assistant continue to be performed successfully, the District shall continue to provide the salary for the Executive Assistant position and the accompanying benefits, at the District’s sole cost.
However, the Foundation shall reimburse the district for the salary and benefits of the Executive Director. The reimbursement for the Executive Director will start effective July 1, 2012.

The parties agree that the two (2) individuals hired into the preceding positions shall be considered District employees and that their employment shall be governed by the District and the District’s applicable policies and procedures regarding hiring, supervision, evaluation, termination and other human resources matters. The President of the Board and the Superintendent President will jointly evaluate the Executive Director with input from other board members.

The parties agree that the Foundation shall be solely responsible for payment of any other compensation and or benefits of any other individual employed by the Foundation aside from the one position described above (Executive Assistant).

3. Provision of District Services and Facilities

In recognition of the benefits that the Foundation provides to the District, the District shall provide at no cost to the Foundation certain District facilities and property for the Foundation use. Such facilities and property may include office space, office equipment, communications equipment and other such facilities and property as are reasonably available and necessary for the efficient accomplishment of the Foundation’s purpose. The Foundation shall pay for its own miscellaneous supplies through the Foundation approved annual budget.

To the extent herein provided, the Foundation may occupy, operate, and use designated District facilities and property separately or jointly with the District. The Foundation shall use the facilities and property only for those services and functions that are consistent with District policies, rules, and regulations. The Foundation’s right to use any District facility or equipment pursuant to the terms and conditions of this agreement shall terminate upon (90) days written notice by the District Superintendent-President.

With the written permission of the District Superintendent-President, the Foundation may use the District’s logotype for similar purpose. The District has approved the Solano Community College Educational Foundation logo and retains approval rights on any revisions and or alterations of said logo. Pursuant to education Code section 720000 (b) (4) and applicable copyright protections, the District shall retain all ownership rights in the District’s name and logotype along with the power to prohibit or revoke the Foundation’s or any other party’s use of such items.

5. Independent Financial Audit and Reporting

An independent certified public account (“CPA”) firm selected by the Foundation Board of Directors shall be retained annually to audit the financial statement of the Foundation, with the cost of that service paid by the Foundation. Such audit reports shall be supplied to the District as soon as they are available, but no later than one hundred eighty (180) days after the close of the calendar year, or such earlier date as the law may require. The audit shall include separate valuations of the Foundations’ financial contributions to the District and the District’s financial contributions to the Foundation. The Superintendent-President may submit in writing, to the President of the Board of Directors of the Foundation, any concerns, suggestions, or a recommendation regarding the Foundation’s cost structure and budget within 30 days after the Superintendent-President receives the proposed changes or budget reflecting the changes. The Board of Directors of the Foundation shall consider such concerns, suggestions, and recommendations, but shall have the right to adopt and implement such changes if a majority of the Foundation Board determines that such changes are necessary or desirable to achieve the purpose of the Foundation.

The Foundation Board of Director is responsible for the control and management of the assets of the Foundation, including the prudent management of gifts received by the Foundation, consistent with donor intent and District approval.

Provisions for the acceptance, management and investment of gifts shall be established by the Board of Directors of the Foundation to insure the good stewardship and fiduciary responsibilities of the Foundation for endowment, capital and other gifts. The Foundation will periodically assess its gift management and acceptance policies. Copies of such policies and any revisions thereto, shall be shared with the Superintendent-President. The Foundation will promptly acknowledge and issue receipts for all gifts on behalf of the Foundation and the District and provide appropriate recognition and stewardship of such gifts. The Foundation will receive, hold, manage, invest, and disperse contributions of cash, securities and other forms of property, including deferred gifts that are contributed in the form of planned and deferred gifts instruments. The Foundation’s spending policies may only include reasonable business expenses that support the purpose of the Foundation for the College and which do not conflict with applicable laws and regulations, including conflict of interest law. Spending policies and any revisions thereto, shall be shared with the Superintendent-President.

Upon cessation of operations of the Foundation, the net assets of the Foundation resulting or arising from this Master Agreement shall be either transferred to the District or expended for the benefit of the District, or otherwise distributed in accordance with the Foundation’s Articles of Incorporation.
