NOW THEREFORE, the parties agree as follows:

1. **Services.** Contractor shall provide the specific services, or accomplish specific tasks and objectives described on Exhibit A, Statement of Work ("SOW"), attached hereto and incorporated by reference herein.

2. **Term.** The term of this agreement shall commence on September 1, 2012 and terminate on June 30, 2013, unless otherwise terminated in accordance with paragraph 10, Termination.

   **Note:** Contractor may not begin performing the Services until this Agreement has been signed by both parties.

3. **Payment for Services Provided.** The District shall pay Contractor for the performance of the Services set forth in this Contract after delivery and acceptance by the District the sum not to exceed $3,600 as specified in Exhibit A.

4. **Independent Contractor.** District and Contractor agree that the Contractor and the agents and employees of Contractor, in the performance of this agreement, shall act in an independent capacity and not as agents or employees of the District. Contractor agrees that during the term of this Agreement, Contractor will not accept any employment as an employee of the District or of any of the entities that are directly or indirectly affiliated or associated with the District including but not limited to auxiliary organizations, student body organizations, or foundations. As an independent contractor, Contractor shall be responsible for any payroll or withholding taxes, and workers' compensation benefits that may be required for itself or its employees. Because Contractor is engaged in Contractor's own independent business, Contractor is not eligible for, and shall not participate in, any employer pension, health, or other fringe benefit plan of the District.

6. **Mutual Indemnification.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless District, its trustees, officers, agents, employees, and volunteers from and against all claims, damages, losses, and expenses (including but not limited to attorney fees and court costs) arising from the acts, errors, mistakes, omissions, work or service of the Contractor, its agents, employees, or subcontractors in the performance of this Agreement.
To the fullest extent permitted by law, District shall defend, indemnify, and hold harmless Contractor, its trustees, officers, agents, employees, and volunteers from and against all claims, damages, losses, and expenses (including but not limited to attorney fees and court costs) arising from the acts, errors, mistakes, omissions, work or service of the Contractor, its agents, employees, or subcontractors in the performance of this Agreement.

7. **Insurance.** Contractor, at its sole cost and expense, shall insure its activities in connection with this Agreement, and shall maintain during the term of this Agreement the following insurance coverage, limits of coverage, and other insurance requirements.

A. **Insurance Coverage and Minimum Limits**

   3. Workers’ Compensation insurance, if applicable, as statutorily required by California State law.
   4. Professional Liability insurance covering acts, errors, mistakes, and omissions arising out of the work or services performed by Contractor, or any person employed by the Contractor, with a limit of not less than $1,000,000 each claim. This insurance coverage is required only when the District is contracting for the services of an accountant, attorney, physician, architect or similarly trained professionals.

B. **Other Insurance Provisions**
   1. The General Liability and Automobile Liability Insurance policies shall be endorsed to name the Butte-Glenn Community College District, its trustees, officers, agents, employees, and volunteers as additional insureds with the following language:
      Butte-Glenn Community College District, its trustees, officers, agents, employees, and volunteers are hereby named additional insureds as their interest may appear.

   2. All insurance policies shall be endorsed to provide for thirty (30) days’ advance written notice by certified mail to the District of cancellation, suspension, or any material change of the required insurance coverage.

   3. If any of the required insurance policies are written on a “claims-made” basis, coverage shall extend for two years past completion and acceptance of the Contractor’s work or services and must be evidenced by annual certificates of insurance.

   4. The Contractor’s insurance must be primary, and any insurance or self-insurance maintained by the District shall not contribute to it.

   5. The requirements in this paragraph shall not limit the Contractor’s liability pursuant to paragraph 6, Indemnification, of this Agreement.

   6. If any part of this Contract is assigned or subcontracted, these insurance requirements also apply to all assignees and subcontractors.

   7. **Verification of Coverage.** Prior to commencing Services under this Agreement, Contractor shall furnish District with certificates of insurance and original endorsements evidencing the coverage, limits, and conditions required by this Agreement.

21. **Liability of District.** District’s obligations under this Agreement shall be limited to the payment of the compensation as provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.

SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO: Members of the Governing Board

SUBJECT: DRAFT EMPLOYEE HIRING PROCESS

REQUESTED ACTION: INFORMATION/ACTION

SUMMARY:

Adapting the Integrated Planning Process (IPP) for staffing requests began with discussions in the Office of Human Resources and California State Employee Association (CSEA) representatives, followed by subsequent discussions with the Process Evaluation and Review Team (PERT) and Shared Governance Council (SGC). As a result of these discussions, a complete draft for determining funding priorities for hiring was developed. The process followed the planning principles of identification, prioritization, and confirmation.

The draft employee hiring process has been discussed and refined at a number of meetings, including the SGC on June 20, 2012. Following SGC feedback, the draft hiring process was presented to the Superintendent-President’s Council (SPC) and approved at the SPC Retreat.

Implementation is recommended in the 2012-2013 academic year.
