SUBJECT: AMENDMENT TO UNIVERSITY OF CALIFORNIA, SAN FRANCISCO DEPARTMENT OF ANATOMY WILLEDED BODY PROGRAM

REQUESTED ACTION: APPROVAL

SUMMARY:

The District has used cadavers for its Anatomy classes for many years. In recent years, the cadavers have been supplied through a contract with the University of California, San Francisco. The last contract was approved by the Board on July 16, 2008. In order to continue this arrangement, the UCSF has submitted an amendment to the contract. This amendment extends the terms of the contract until June 30, 2011. Since we use the cadavers for educational purposes only, there will be no increase in the fees for the service which are $2500 per cadaver.

SUBJECT: PROPOSED AGREEMENT WITH WILLIAM C. WATTS, DBA POSTAGE CONSULTING SERVICES

REQUESTED ACTION: APPROVAL

SUMMARY:

Board approval is requested to finalize an agreement with William C. Watts, dba Postage Consulting Services. It’s proposed for Mr. Watts to analyze the District’s bulk mailing, current postage rates, mail labeling language, and overall postage procedures.

The District has multiple bulk mailings throughout the year that should be analyzed for better efficiency and reduced waste of financial and staffing resources. For an initial 24-month period, Mr. Watts proposes to make certain recommendations on the District’s mailings and would receive compensation only if the District implements the recommendation and realizes a cost savings. There are no additional costs to the District. The current proposal is a 60/40 split, with the District capturing a 60 percent of the saved amount. At the conclusion of 24 months, the District will retain 100 percent of the implemented savings recommendations made by Mr. Watts.

Ross Beck, Director of Marketing, Public Relations, and Communications will make a presentation to the Board on the proposed agreement’s merits. Attached is a copy of the agreement.

CONSULTING CONTRACT – COMPENSATION AND PAYMENT
01-01-08

Compensation for services rendered to __________________________________________representing __________________________________________ and William C. (Bill) Watts has been agreed upon as follows:

Mr. Watts will review the different types of mail we are mailing and analyze our mailing volumes, frequencies, current postage rates, mail make-up, and our overall postal procedures. Following his review, he will meet with us or our designated person(s) and present in writing recommendations relative to the areas he identified where we could be reducing our postage and/or postage related expenses. The recommendation(s) will detail:

A) The individual area where a savings exists
B) Appropriate Postal Rules/Regulations allowing the savings
C) Any known related cost to institute the savings
D) Projected savings amount (based upon our current mailing data)
E) How to get the savings started (specific guidance and/or instructions)

Any recommendation made by Mr. Watts that is not already in place or implemented by the college(s), that we accept and institute during the term of the contract, will cause compensation to be paid to Mr. Watts as detailed below. We are absolutely under no obligation to accept or institute any one or more recommendations made. It is only when we accept and institute any one or more of the recommendations that we agree to compensate him for actual savings captured per the terms disclosed below. Mr. Watts will be compensated for two categories of savings (1) “Future Net Savings” as well as (2) “Reimbursed/Refunded Monies” as defined below.

FUTURE NET SAVINGS are savings we will have saved in the future. Those savings will be determined by what we would have paid absent Mr. Watts’ recommendations (old higher rate or costs) versus what we will pay as a result of implemented recommendations (new lower rate or costs). Future Net Savings amount will be determined individually at the time of each actual mailing.
Each separate recommendation stands alone with its own 24 month compensation period, and its own savings will be computed in that manner. Establishing that a savings exists will be determined when the first mailing, relative to that particular recommendation, is made and a savings does actually occur. Beginning with that first mailing with a savings, Mr. Watts will be paid on the savings of that amount ONLY, for that mailing, and again for all and each subsequent mailing, with a savings, during the following 24 month period. All the “Future Net Savings” will be computed using our own in-house documents, postal mailing forms/records, and data supporting the actual savings. Once the actual savings are captured Mr. Watts will be paid forty percent (40%) of that amount and we will keep sixty percent (60%) of the saved amount. At the end of the 24-month period for each separate savings recommendation accepted and instituted, NO ADDITIONAL PAYMENTS are paid to Mr. Watts. We will then retain all (100%) of future savings.

REIMBURSED FUNDS OR REFUNDED MONIES - - Reimbursed Funds or Refunded monies are any funds/monies that we have already spent that Mr. Watts assists or causes us to get back for whatever reason (computation errors, incorrect rates charged, paying higher rates while waiting for approval for lower rates, various discounts not allowed by the USPS that should have been, etc). Whatever amount of monies we are reimbursed or refunded Mr. Watts will be paid fifty (50%) of any such amount(s). Payment to Mr. Watts will be made to him within thirty (30) days after we receive the monies.

Any and all compensation due Mr. Watts for either “Future Net Savings” or “Reimbursed Funds or Refunded Monies” earned prior to the end of the two year period will be paid directly to Mr. Watts and/or Patsy Watts. In the event that both are deceased, then the compensation due Mr. Watts is to be paid directly to his estate.

Mr. Watts is an Independent Contractor (not an employee of our organization) and is solely responsible for payment of his/their own taxes and personal liability insurance.

GOVERNING BOARD AGENDA ITEM

SUBJECT: RENEW AGREEMENT WITH THE NORTH COAST COLLEGE AND UNIVERSITY MUTUAL AID GROUP (NCCUMAG)

REQUESTED ACTION: APPROVAL

SUMMARY:

Board approval is requested to renew an agreement with the North Coast College and University Mutual Aid Group (NCCUMAG). Established 15 years ago, Solano Community College District was one of the original members of the NCCUMAG. Member districts and universities include: College of the Redwoods, Humboldt State University, Marin Community College District, Mendocino College, Napa Valley College, Santa Rosa Junior College, Solano Community College District, and Sonoma State University.

The agreement recognizes that in times of natural or man-made disaster, institutional resources may be overwhelmed and that local assistance may be delayed. The agreement also recognizes that the assistance of personnel and equipment from other colleges and universities may be better suited for assistance in an educational community. The agreement includes information on the consortium’s purpose, definitions, requesting mutual aid, responsibilities including possible cost reimbursements and work hours provided, and injury and illness reporting.

SUMMARY:

CONTINUED FROM PREVIOUS PAGE:

The District has actively participated in various areas. Chief of Police, Steve Dawson, is the immediate past President of the NCCUMAG, and the District has hosted meetings and provided training workshops for member institutions.

Additional benefits of consortium membership include the positive exposure through outreach, obtaining supplies, and bringing in others to assist in public awareness and instruction free of charge. It is hoped that this District can continue its involvement within the North Coast College and University Mutual Aid Group. Attached is a copy of the agreement.

(NCCUMAG)

SUBJECT: FURNITURE FOR VACAVILLE CENTER PROJECT

REQUESTED ACTION: APPROVAL

SUMMARY:

Board approval is requested for the purchase of furniture for the Vacaville Center building which is now about 85% complete and turnover to the District is currently scheduled for February 25, 2010.

For the past six months, staff has been meeting to design and coordinate the furniture and equipment plans for the Center. The furniture plan was finalized in mid-December and on January 4, 2010, we sent out a Request for Quotes (RFQ) package for the procurement and installation of furniture. This went to seven potential vendors. The District received no response from four, a declination from one and quotes as shown from the following two firms:

SUBJECT: FURNITURE FOR VACAVIDLE CENTER PROJECT

REQUESTED ACTION: APPROVAL

SUMMARY:

CONTINUED FROM PREVIOUS PAGE:

Taxes and freight will be in addition to the amounts shown, but as Office Depot is the low price quote and they have provided the District with outstanding service in the past, staff is recommending that they be awarded the contract for the procurement and installation of furniture (as quoted) for the Vacaville Center.

Attached is a bid summary. Upon request, the complete RFQ is available for review in the Facilities Department.

Staff will be present at the meeting to answer any questions from the Governing Board.
Background: For the past six months, staff has been meeting regularly to design and coordinate the furniture and equipment plans for the new Vacaville Center. The furniture plan was finalized in mid-December, and on January 4, 2010 we sent out (via e-mail) a Request for Quotes (RFQ) package to seven vendors (shown below).

Responses to the RFQ were as shown in the chart, and by the published deadline (Friday, January 15 at 3:00 pm), two quotes had been received.

NOTE: Above quotes include charges for fabrication/assembly/installation. Solano County sales tax and freight charges are not included and amount to a total of an additional 9-11% ($45,000-$66,000) increase to the quotes.

Recommendation: Office Depot, in addition to submitting the substantially lower price quote, has provided excellent service to the District on several recent projects. Staff is therefore recommending that the Board of Trustees award the contract for the Vacaville Center furniture procurement and installation to Office Depot.

Youth Entrepreneurship Program
Request for Proposal – No more than two (2) pages
Funds – Not to exceed $35,000

Describe the scope of your proposed YEP program.
We plan to build on the afterschool program that we have been delivering for the last two years. The afterschool program consisted of four afternoon sessions offered once a week. The first week was focused on “motivation and goal setting”, the second week was a “financial literacy” day, the third week was “understanding the business world”, and the forth week was a “leadership skills” day. For this project, we plan to shift the focus toward having the students complete a business plan and conduct a business plan competition in June. The Solano YEP Program will have an emphasis on program participation for students of African American and Hispanic descent and youth who are geographically challenged due to living in poorer areas.

In what format will you deliver these services?
The previous afterschool program was delivered over four weeks with 3 hour afternoon sessions once a week. The “motivation and goal setting” session featured a movie day with clips of motivational speakers, the “financial literacy” session featured a book review day based on the Rich Dad, Poor Dad book for teens, the “understanding the business world” session featured a game day using the Cash Flow game, and the “leadership skills” session featured a business simulation day in the computer lab using Junior Achievement Titan simulation. For this project, we plan to change the delivery to four full day Saturday sessions meeting the first Saturday of each month (February, March, April, May). The focus will also be changed to have the young entrepreneurs work on developing a business plan. A business plan competition will then be held in June.

List all partners you will work with and the reason for their participation.
The Solano YEP program has developed a relationship with the Virtual Enterprise programs at the following high schools:

- Rodriguez High School
- Vanden High School
- Dixon High School
- Will C. Wood High School
- Vacaville High School
- Benicia High School
- Jesse Bethel High School
- Armijo High School
In addition to schools, the Solano YEP program will work with the following partners:
  • Vallejo Boys and Girls Club
  • Vallejo Project Fight Back
  • Fairfield Police Action League

One of the teams from the Vallejo Chamber Leadership Program has chosen youth entrepreneurship as their project for the year. They were very interested in what we have been doing with the Solano YEP Program. We met with them last week and have plans to work on a joint youth entrepreneurship project.

Explain your plan to outreach to the 14-27 year old population to raise awareness of your YEP program.
We basically plan to work with the partners above. Both Wil Cason, the Solano YEP Project Coordinator and Mark Lillis, the YEP Outreach Coordinator, will meet with the project partners to promote the program and recruit students to participate.

Describe in detail how you will allocate these dollars towards your YEP program.
See attached Budget Detail Sheet and Budget Summary Sheet.

A 0.25 FTE Admin I position (Beverly Pfeiffer) will be assigned to the grant project to provide administrative support. Wil Cason will continue as the YEP Project Coordinator and will be paid a total of $9,000 (30 weeks times 6 hrs per week times $50/hr). Mark Lillis will continue as the YEP Outreach person and will also assist Wil with instruction and will be paid $40/hr. We have also allocated $2,800 to develop a Solano YEP website. Mark Lillis will also manage this effort. SBDC Business Advisors will be assigned to work one-on-one with students to assist them with developing a virtual or real business plan. The SBDC Business Advisors will be paid $40/hr. The grant funds will also be used to purchase 30 copies of the Rich Dad, Poor Dad for Teens book and 30 T-Shirts for the students.

List the qualitative outcomes expected from your YEP program in the following areas.
The Solano YEP program is projected to serve 30 youth. Qualitative outcomes will include a better understanding of Entrepreneurship as a Career and acquisition of business skills in the following areas:
  • Goal Setting
  • Financial Literacy/Understanding the Business World
  • Personal Finance
  • Business Planning
  • Starting and Operating a Business

c. Provide an explanation on how the district intends to fund the salary and benefit increases, and also identify the revenue source/obligation.

VI. Did the district have significant events for the quarter (include incurrence of long-term debt, settlement of audit findings or legal suits, significant differences in budgeted revenues or expenditures, borrowing of funds (TRANs), issuance of COPs, etc.)? NO

If yes, list events and their financial ramifications. (Enter explanation below, include additional pages if needed.)

VII. Does the district have significant fiscal problems that must be addressed? This year? YES Next year? YES

If yes, what are the problems and what actions will be taken? (Enter explanation below, include additional pages if needed.)

The reduction of State revenue, combined with the uncertainty associated with Federal ARRA funds in the 2010-11 fiscal year continues to impact negatively, on both unrestricted and restricted funding for the district. Leadership is planning to mitigate against the effects of a potentially protracted period of resource scarcity through several initiatives including deferred payments, a selective hiring freeze, capturing efficiencies through organizational realignments and the effective implementation of an institution-wide ERP system. While these measures are expected to deliver positive outcomes, the effect of increased education demand (as a result of general economic contraction and anticipated return of Vository) during increased resource availability signals the need for fiscal vigilance and ongoing operating improvements. These are a part of Solano College's Planning and Process Improvement Initiative.
