10. INDEMNIFICATION

A. Contractor will indemnify, hold harmless and assume the defense of the County of Solano, its officers, employees, agents and elective and appointive boards from all claims, losses, damages, including property damages, personal injury, death and liability of every kind, directly or indirectly arising from Contractor's operations or from any persons directly or indirectly employed by, or acting as agent for, Contractor, excepting the sole negligence or willful misconduct of the County of Solano. This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is by and between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation, unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

C. Contractor is solely obligated to pay all applicable taxes, deductions and other obligations including, but not limited to, federal and state income taxes, withholding, Social Security, unemployment, disability insurance, Workers' Compensation and Medicare payments.

D. Contractor shall indemnify and hold County harmless from any liability which County may incur because of Contractor's failure to pay such obligations.

E. As an independent contractor, Contractor is not subject to the direction and control of County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business, but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment including hours, wages, working conditions, discipline, hiring and discharging or any other condition of
employment.

H. As an independent contractor, Contractor shall indemnify and hold County harmless from any claims that may be made against County based on any contention by a third party that an employer-employee relationship exists under this Contract.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim to any right or benefit or term or condition of employment insofar as they may be related to or arise from compensation paid hereunder.

12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:
   (1) Establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles for government agencies;
   (2) Document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices and other official documentation that sufficiently support all charges under this Contract;
   (3) Submit monthly reimbursement claims for expenditures that directly benefit Solano County;
   (4) Be liable for repayment of any disallowed costs identified through quarterly reports, audits, monitoring or other sources; and
   (5) Retain financial, programmatic, client data and other service records for 3 years from the date of the end of the contract award or for 3 years from the date of termination, whichever is later.

13. COMPLIANCE WITH LAW

A. Contractor shall comply with all federal, state and local laws and regulations applicable to Contractor's performance, including, but not limited to, licensing, employment and purchasing practices, wages, hours and conditions of employment.

B. Contractor warrants that all Contractor claims for payment or reimbursement by County will comply with the applicable Office of Management and Budget Circulars, particularly with respect to 2 CFR Part 225 and 2 CFR Part 230, as currently enacted or as may be amended throughout the term of this Contract.

14. CONFIDENTIALITY

A. Contractor shall prevent unauthorized disclosure of names and other client-identifying information, except for statistical information not identifying a particular client.

B. Contractor shall not use client specific information for any purpose other than carrying out Contractor's obligations under this Contract.

Contractor shall employ or retain no such person while rendering services under this Contract. Services rendered by Contractor’s associates or employees shall not relieve Contractor from personal responsibility under this clause.
B. Contractor has an affirmative duty to disclose to County in writing the name(s) of any person(s) who have an actual, potential or apparent conflict of interest.

16. DRUG FREE WORKPLACE
Contractor warrants that Contractor is knowledgeable of Government Code section 8350 et. seq., regarding a drug free workplace and shall abide by and implement its statutory requirements.

B. Further, Contractor shall not discriminate against its employees, which includes, but is not limited to, employment upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship.
21. **SUBCONTRACTOR AND ASSIGNMENT**

   monies due without the prior written consent of the County's Contract Manager, the County's applicable
   Department Head or his or her designee and the County Administrator subject to any required state or
   federal approval.
   C. If County consents to the use of Subcontractors, Contractor shall require and verify that
   its subcontractors maintain insurance meeting all the requirements stated in Section 7 above.
   D. Assignment by Contractor of any monies due shall not constitute an assignment of the
   Contract.

22. **UNFORESEEN CIRCUMSTANCES**
   Contractor is not responsible for any delay caused by natural disaster, war, civil disturbance,
   labor dispute or other cause beyond Contractor's reasonable control, provided Contractor gives written
   notice to County of the cause of the delay within 10 days of the start of the delay.

23. **OWNERSHIP OF DOCUMENTS**
   A. County shall be the owner of and shall be entitled to possession of any computations,
   plans, correspondence or other pertinent data and information gathered by or computed by Contractor
   prior to termination of this Contract by County or upon completion of the work pursuant to this Contract.
   B. No material prepared in connection with the project shall be subject to copyright in the
   United States or in any other country.

24. **NOTICE**
   A. Any notice necessary to the performance of this Contract shall be given in writing by
   personal delivery or by prepaid first-class mail addressed as stated on the first page of this Contract.
   B. If notice is given by personal delivery, notice is effective as of the date of personal
   delivery. If notice is given by mail, notice is effective as of the day following the date of mailing or the
   date of delivery reflected upon a return receipt, whichever occurs first.

25. **NONRENEWAL**
   Contractor acknowledges that there is no guarantee that County will renew Contractor's services
   under a new contract following expiration or termination of this Contract. Contractor waives all rights to
   notice of non-renewal of Contractor's services.

26. **COUNTY'S OBLIGATION SUBJECT TO AVAILABILITY OF FUNDS**
   A. The County's obligation under this Contract is subject to the availability of authorized
   funds. The County may terminate the Contract, or any part of the Contract work, without prejudice to any
   right or remedy of the County, for lack of appropriation of funds. If expected or actual funding is
   withdrawn, reduced or limited in any way prior to the expiration date set forth in this Contract, or any
   subsequent Amendment, the County may, upon written Notice to the Contractor, terminate this Contract
   in whole or in part.
   B. Payment shall not exceed the amount allowable for appropriation by the County Board of
   Supervisors. If the Contract is terminated for non-appropriation:
   i. The County will be liable only for payment in accordance with the terms of this
Contract for services rendered prior to the effective date of termination; and
   ii. The Contractor shall be released from any obligation to provide further services
   pursuant to this Contract that are affected by the termination.
C. Funding for this Contract beyond the current appropriation year is conditional upon
   appropriation by the Board of Supervisors of sufficient funds to support the activities described in this
   Contract. Should such an appropriation not be approved, this Contract will terminate at the close of the
   current Appropriation Year.
D. This Contract is void and unenforceable if all or part of federal or State funds applicable
   to this Contract are not available to County. If applicable funding is reduced, County may either:
   (1) Cancel this Contract; or,
   (2) Offer a contract amendment reflecting the reduced funding.

27. **CHANGES AND AMENDMENTS**
   A. County may request changes in Contractor's scope of services. Any mutually agreed
   upon changes, including any increase or decrease in the amount of Contractor's compensation, shall be
   effective when incorporated in written amendments to this Contract.
   B. The party desiring the revision shall request amendments to the terms and conditions of
   this Contract in writing. Any adjustment to this Contract shall be effective only upon the parties' mutual
   execution of an amendment in writing.
   C. No verbal agreements or conversations prior to execution of this Contract or requested
   Amendment shall affect or modify any of the terms or conditions of this Contract unless reduced to
   writing according to the applicable provisions of this Contract.

28. **CHOICE OF LAW**
   The parties have executed and delivered this Contract in the County of Solano, State of
   California. The laws of the State of California shall govern the validity, enforceability or interpretation of
   this Contract. Solano County shall be the venue for any action or proceeding, in law or equity that may
   be brought in connection with this Contract.

29. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT**
   Contractor warrants that it is knowledgeable of the Health Insurance Portability and
   Accountability Act of 1996 ("HIPAA") and its implementing regulations issued by the U.S. Department
   of Health and Human Services (45 C.F.R. Parts 160-64) regarding the protection of health information
   obtained, created, or exchanged as a result of this Contract and shall abide by and implement its statutory
   requirements.

30. **WAIVER**
   Any failure of a party to assert any right under this Contract shall not constitute a waiver or a
   termination of that right, under this Contract or any provision of this Contract.

31. **CONFLICTS IN THE CONTRACT DOCUMENTS**
   The Contract documents are intended to be complementary and interpreted in harmony so as to
   avoid conflict. In the event of conflict in the Contract documents, the parties agree that the document
   providing the highest quality and level of service to the County shall supersede any inconsistent term in
   these documents.
32. **FAITH BASED ORGANIZATIONS**

A. Contractor agrees and acknowledges that County may make funds available for programs or services affiliated with religious organizations under the following conditions: (a) the funds are made available on an equal basis as for programs or services affiliated with non-religious organizations; (b) the program funded does not have the substantial effect of supporting religious activities; (c) the funding is indirect, remote, or incidental to the religious purpose of the organization; and (d) the organization complies with the terms and conditions of this resolution.

B. Contractor agrees and acknowledges that County may not make funds available for programs or services affiliated with a religious organization (a) that has denied or continues to deny access to services on the basis of race, color, religion, ancestry, national origin, sex, citizenship, or known disability; (b) will use the funds for a religious purpose; (c) will use the funds for a program or service that subjects its participants to religious education.

C. Contractor agrees and acknowledges that all recipients of funding from County must: (a) comply with all legal requirements and restrictions imposed upon government-funded activities set forth in Article IX, section 8 and Article XVI, section 5 of the California Constitution and in the First Amendment to the United States Constitution; and (b) segregate such funding from all funding used for religious purposes.

33. **PRICING**

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

34. **USE OF PROVISIONS, TERMS, CONDITIONS AND PRICING BY OTHER PUBLIC AGENCIES**

Contractor and County agree that the terms of this Contract may be extended to any other public agency located in the State of California, as provided for in this section. Another public agency wishing to use the provisions, terms, and pricing of this Contract to contract for equipment and services comparable to that described in this Contract shall be responsible for entering into their own contract with Contractor, as well as providing for their own payment provisions, making all payments, and obtaining any certificates of insurance and bonds that may be required. County is not responsible for providing to any other government agency any documentation relating this Contract or its implementation. Any government agency that uses provisions, terms, or pricing of this Contract shall by virtue of doing so be deemed to indemnify and hold harmless County from all claims, demands, or causes of actions of every kind arising directly or indirectly with the use of this Contract. County makes no guarantee of usage by other users of this Contract nor shall the County incur any financial responsibility in connection with any contracts entered into by another government agency. Such other government agency shall accept sole responsibility for placing orders and making payments to Contractor.

35. **DISBARMENT OR SUSPENSION OF CONTRACTOR**

A. Contractor warrants that its officers, directors and employees (i) are not currently excluded, debarred, or otherwise ineligible to participate in the federal health programs as defined in 42 USC § 1320a-7b(f) (the “Federal Healthcare Programs”) or any state healthcare programs; (ii) have not been convicted of a criminal offense related to the provision of healthcare items or services but have not yet been excluded, debarred, or otherwise declared ineligible to participate in the Federal Healthcare Programs or any state healthcare programs, and (iii) are not, to the best of its knowledge, under
investigation or otherwise aware of any circumstances which may result in Contractor being excluded from participation in the Federal Healthcare Programs or any state healthcare programs.

   B. This representation and warranty shall be an ongoing representation and warranty during the term of this Contract and Contractor must immediately notify the County of any change in the status of the representations and warranty set forth in this section.

   C. If services pursuant to this Contract involve healthcare programs, Contractor agrees to provide certification of non-suspension with submission of each invoice. Failure to submit certification with invoices will result in a delay in County processing of Contractor's payment.

36. EXECUTION IN COUNTERPARTS

   This Contract may be executed in duplicate originals, each of which is deemed to be an original, but when taken together shall constitute one instrument. Facsimile copies shall be deemed to be original copies.

37. LOCAL EMPLOYMENT POLICY

   Solano County desires, whenever possible, to hire qualified local residents to work on County projects. A local resident is defined as a person who resides in, or a business that is located in, Solano County. The County encourages an active outreach program on the part of its contractors, consultants and agents. When local projects require subcontractors, Contractor shall solicit proposals for qualified local residents where possible.

38. ENTIRE CONTRACT

   This Contract, including any exhibits referenced, constitutes the entire agreement between the parties and there are no inducements, promises, terms, conditions or obligations made or entered into by County or Contractor other than those contained.
SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO: Members of the Governing Board

SUBJECT: MEASURE G 2008-2009 FINANCIAL AND PERFORMANCE AUDIT REPORT

REQUESTED ACTION: ACCEPTANCE

SUMMARY:

Proposition 39 requires that the local community college Governing Board:

(a) Conduct an annual, independent performance audit to ensure that funds have been expended only on the specific projects listed in the ballot language.

(b) Conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all the funds have been expended for school facility projects.

The Governing Board did provide for a Measure G Performance and financial audit for 2008-09 as required. This report was completed some time ago (January 2010) and affirmed that funds were spent only on specific projects listed and that all funds had been expended for school facility projects. The audit was not presented earlier due to staff turnover and in order to reconcile project-by-project expenditures. The audit firm, Perry Smith LLP, was contracted to do additional work on individual projects per Attachment V of the audit report.

INDEPENDENT ACCOUNTANT'S REPORT
ON APPLYING AGREED-UPON PROCEDURES

Board of Trustees and
Citizens' Bond Oversight
Committee for Measure G
Solano Community College District
Fairfield, California

We have performed the procedures enumerated in Attachment II, which were agreed to by Solano Community College District (the "District") and the Citizens' Bond Oversight Committee for Measure G (the "Committee"), solely to assist the Committee in evaluating District management's assertions concerning activity related to bond funds through June 30, 2009 as detailed in Attachments IV and V. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the District and the Committee. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment II either for the purpose for which this report has been requested or for any other purpose.

The procedures performed and conclusions reached as a result of these procedures are identified in Attachment II. Attachments I and III provide background information on the Measure G General Obligation Bond issuance.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed other procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of Solano Community College District and the Citizens' Bond Oversight Committee for Measure G and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.

LEGISLATIVE HISTORY

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools, and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, community college districts, or county offices of education, "for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities", upon approval by 55% of the electorate.

SOLANO COMMUNITY COLLEGE DISTRICT MEASURE G GENERAL OBLIGATION BONDS

On November 5, 2002, the electorate of the Solano Community College District approved the $124.5 million Measure G general obligation bonds with greater than 55% of the votes in favor. The purpose of the bonds as included in the ballot was as follows:

"To upgrade 30 year-old classrooms, science labs, libraries, electrical wiring, technology, heating/ventilation systems and lighting for student safety; replacement of portable classrooms; upgrade/repair/acquire/construct/equip science labs, facilities, classrooms and sites; expand/establish facilities in Vacaville/Vallejo; prepare Solano College students for jobs/four-year colleges, shall Solano Community College District issue $124.5 million of bonds at legal rates, appoint Citizens Oversight Committee, and perform annual audits to ensure the legal/proper use of all funds?"

The projects identified in the ballot language were specified in greater detail by Solano Community College District Governing Board Resolution No. 02/03 - 05 approved at the July 17, 2002 meeting. The projects identified in the resolution are included as Attachment III.
PROCEDURES PERFORMED

Solano Community College District provided a list of all Measure G project expenditures (the "List"). An approximate total of 750 warrants were identified representing $27,019,405 in expenditures from July 1, 2008 to June 30, 2009. We performed the following procedures to the List of Measure G bond expenditures:

- Verified the mathematical accuracy of the List.
- Selected a sample of 50 expenditures totaling $16,229,393. The sample was selected to provide a representation across specific construction projects, vendors, and expenditure amounts. The sample represented 7% of the total number of expenditures and 60% of the total expenditure value. Examined purchase orders and invoices for each of the expenditures; verified that the expenditures were made for the acquisition, construction, renovation, repair and modernization of District property and facilities and that funds were not spent for salaries or other administrative expenses.

CONCLUSIONS

- The List was mathematically accurate.
- Each of the 50 expenditures tested represented valid Bond expenditures, were properly charged to the location indicated, were properly coded as to the nature of the expenditure, and were determined to represent acquisition, construction, renovation, repair and modernization of District property and facilities and were not spent for salaries or other administrative expenses.

AGENDA ITEM 12. (b)
MEETING DATE November 17, 2010

SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO: Members of the Governing Board

SUBJECT: AMENDMENT TO AGREEMENT WITH
tBP/ARCHITECTURE FOR BUILDING 1300

REQUESTED ACTION: APPROVAL OF ADDITIONAL SERVICES

SUMMARY:

Board approval is requested for additional design services with tBP/Architecture for the Building 1300 renovation.

In 2008, the District signed an initial contract with tBP/Architecture for the Renovation of Building 1300 (Fine Arts), but only through the Schematic Design Phase. In early 2009, this contract was reviewed, found to be extremely unfavorable to the District, and a new contractual direction was undertaken. tBP was contacted and agreed to a new, full-project (minus schematic design) contract. A replacement contract was obtained, negotiated with tBP and signed in February, 2010. Based on the known project scope at that time, the estimated architect's fee was $281,069.

Now that the District is moving well into construction drawings, the following additional scope and requirements (and associated requested Add-Services fees) have been proposed and forwarded:

Subject: Fire Sprinkler Design – Building 1300 Remodel
          tBP Project No.: 20674.02

Dear David:

We are pleased to submit our proposal to provide fire sprinkler design documents for the Building 1300 Remodel. This design service request is based on our preliminary design meeting with DSA during late 2009, wherein the requirement for the building Automatic Fire Sprinkler System (AFSS) was confirmed. At that point in time, AFSS design was a DSA deferred approval item. Effective March 3, 2010, DSA issued a new Policy 10-01, which revised the plan submittal requirements for AFSS to inclusion in the plan review process for construction projects within DSA jurisdiction.

Therefore, the sprinkler systems design documents must be included in the project documents for the above project and will be submitted to California’s Division of State Architect in accordance with NFPA 13 for review as required by DSA.

Scope of Services:
The following Design services will be performed by our mechanical/plumbing engineering consultant under the direction of tBP/Architecture:

1. Provide sprinkler piping and head layout system design documents coordinated with other design consultant disciplines and architectural elements of building.
2. Sprinkler system design documents will include:
   a. Sprinkler head layout.
   b. Branch line and main locations.
   c. Seismic assembly locations.
   d. Seismic bracing locations.
   e. Hydraulic calculations and bracing calculations.
3. Design coordination.
4. Obtain DSA approval of the sprinkler system design including backcheck.
5. Provide bidding and construction administration services related to the Fire Sprinkler Design.

Project Schedule
Concurrent with base project schedule.
Compensation:

Compensation for services provided is inclusive of all costs and shall be a fixed fee of Fourteen Thousand Dollars ($14,000.00), as follows:

Architectural Design and Coordination: none
Mechanical & Plumbing Design and Coordination: $14,000.00
Total Fee: $14,000.00

Exclusions:

1. Flow testing of hydrants and existing stand pipes.
2. Design of underground building fire sprinkler supply piping.
3. Pre-bid and pre-construction meetings.
5. Life cycle cost analysis for alternate fire sprinkler systems.
6. Acoustical and vibration isolation calculations for fire sprinkler systems.
7. Commissioning of systems, unless provided as optional services and accepted.
8. Cost reduction requiring redesign.
9. Field or unforeseen condition revisions requiring redesign and additional design.

If this proposal is acceptable, please signify your acceptance and District authorization to proceed by signing and returning and the attached Professional Services Agreement. Thank you in advance for your assistance.

Sincerely,

SUBJECT: UPDATE ON THE DISTRICT BUDGET

REQUESTED ACTION: INFORMATION

SUMMARY:

On October 8, 2010, Governor Schwarzenegger signed into law the 2010-11 State Budget. One hundred days late, it was the most overdue state budget in California history (beating the earlier record of 85 days set by the 2008-2009 State Budget). The budget package, comprised of 26 separate pieces of legislation, was also one of the most complex California has ever seen. Having exhausted all the easy and straightforward solutions in recent years, state leaders used a combination of cuts, rosy assumptions, borrowing, and temporary revenues to bridge an estimated $19.3 billion budget gap.

On October 19, the Governor finalized action on the last of the budget trailer bills, including the education trailer bill (Assembly Bill 1610). In doing so, he vetoed $60 million from the community college budget package. It appears that his primary rationale for the vetoes was not related to the specific programs, but rather a general concern with the way in which the funds

RESOLUTION CHAPTER 142

Assembly Concurrent Resolution No. 138—Relative to the California Community Colleges.

[Filed with Secretary of State September 9, 2010.]

LEGISLATIVE COUNSEL'S DIGEST

ACR 138, Nava. California Community Colleges; faculty.
This measure would express the intent of the Legislature that part-time and temporary faculty receive pay and benefits that are equal to those of specified tenured and tenure-track faculty, to the extent funding is provided, and that the California Community Colleges increase the percentage of full-time tenured and tenure-track faculty.

WHEREAS, Instruction at community colleges is provided by a combination of full-time and part-time faculty; and
WHEREAS, An increasing percentage of the courses offered in public colleges and universities in California are being taught by part-time and other adjunct faculty; and
WHEREAS, National research validates the importance of a sufficient complement of full-time faculty, particularly for the population served by the California Community Colleges; and
WHEREAS, The system of higher education within the California Community Colleges has become dependent upon a contingent workforce that is poorly compensated and too often lacks basic supports; and
WHEREAS, These twin developments, the economic exploitation of part-time and other contingent faculty, and the shrinking of the ranks of full-time tenured faculty, limit the ability of the state’s public higher education system to provide high-quality education, research, and support for economic development; and
WHEREAS, Providing sufficient numbers of faculty with full-time tenured and tenure-track employment and improving the conditions under which part-time and other adjunct faculty work will result in better service for students, communities, and the economy; and
WHEREAS, A state statute expresses legislative intent that 75 percent of instructional hours be taught by full-time faculty, with no more than 25 percent being taught by part-time faculty; and
WHEREAS, Implementing regulations developed by the board of governors, which oversees the statewide system, generally requires community college districts to move closer to the 75-percent target by hiring more full-time faculty in years in which those districts receive additional enrollment funding; and
WHEREAS, The 75/25 statutory ratio is a guideline for community college districts, and the California Community Colleges regulation, commonly known as the Faculty Obligation Number, or "FON," imposes financial penalties on districts that fail to meet their employment target for full-time faculty members; and

WHEREAS, Fair tax policies are the financial foundation of a modern society; and

WHEREAS, Property taxes are the most reliable revenue source for public services; and

WHEREAS, Proposition 13, an initiative measure approved by voters at the June 6, 1978, direct primary election, moved education decisionmaking to the state level and created difficulties in funding education; and

WHEREAS, Federal tax breaks have caused cuts in federal support for higher education programs; and

WHEREAS, Funds have been provided through the annual Budget Act to assist community college districts; and

WHEREAS, The principle of equal pay for equal work requires that part-time faculty be provided with compensation that is directly proportional to the compensation of full-time faculty; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That it is the intent of the Legislature that all part-time and temporary faculty receive pay and benefits that are equal to those of tenured and tenure-track faculty of comparable qualifications doing comparable work, as determined on a pro rata basis, to the extent funding is provided; and be it further

Resolved, That the longstanding policy of the Board of Governors of the California Community Colleges that at least 75 percent of the hours of credit instruction in the colleges be taught by full-time instructors should be advanced; and be it further

Resolved, That each community college district should develop and adopt plans to meet the requirements related to increasing the percentage of full-time tenured and tenure-track faculty, to the extent funding is provided; and be it further

Resolved, That the development and adoption of plans related to increasing the percentage of full-time tenured and tenure-track faculty should be subject to a collective bargaining process that includes the exclusive representatives of the full-time and part-time faculty serving in that district; and be it further

Resolved, That the determination of the method of prorating salaries should be subject to a collective bargaining process that includes the exclusive representatives of faculty serving at that institution; and be it further

Resolved, That each community college district should establish a process under which part-time and other adjunct faculty, after successful completion of a probationary period, may receive timely notice of, and priority consideration for, appropriate teaching assignments in future academic terms and preferential consideration for attaining a tenure-track position when one becomes available; and be it further
Resolved, That the process should ensure that part-time and other adjunct faculty receive the accumulation of seniority, notification about job openings at that institution prior to the publication of announcements of those openings outside of that institution, and preferential consideration for appointments to tenure-track positions; and be it further

Resolved, That the implementation of these requirements should be subject to a collective bargaining process that includes the exclusive representatives of the full-time and part-time faculty serving at that institution; and be it further

Resolved, That each community college district should make progress toward the goals described in this measure; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the governing board of each district of the California Community Colleges and to the author for distribution.
