The parties agree that for all full-semester classes taught during the spring 2011 semester, the compensation will be calculated by taking the number of weekly hours that the class is scheduled for in the section K, multiplying by 16, and adding 1.50 then multiplying that total by the published hourly rate.

Thus, 3-hour classes will be paid 49.5 times the published rate; 4-hour classes 65.5 times the published hourly rate; 5-hour classes 81.5 times the published hourly rate, etc.

For the Fall 2011 and Spring 2012 semesters, the compensation for all full-semester classes will be calculated by taking the number of weekly hours that the class is scheduled for in the section K, multiplying by 16, and adding 1.25 then multiplying that total by the published hourly rate.
