AGENDA ITEM  8. (d)
MEETING DATE  December 21, 2011

SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO:  Members of the Governing Board

SUBJECT:  PROFESSIONAL SERVICES CONTRACT

REQUESTED ACTION:  APPROVAL

SUMMARY:

On January 14, 2011, the California Employment Development-Workforce Investment Division (EDD-WID) announced an Alternative and Renewable Fuels Vehicle Technology Program (ARFVTP) award of $500,000 to Solano Community College (SCC). On August 10, 2011, SCC received the EDD-WID Subgrant Agreement. The Board accepted the funds on August 17, 2011.

The funding for ARFVTP was authorized by the California Energy Commission (AB118) in response to the increased number hybrid and alternative fuel vehicles requiring skilled technicians to safely diagnose and repair the new vehicles.

Mr. Joseph P. Gumina has been selected to provide classroom and lab instruction for several workshops through June 30, 2012. There are 16 workshops scheduled in the ARFVTP Grant; the remaining nine will occur between July and December 2012. Independent Contractor Determination

Under federal and California law, if the District has a right of “control” over a service provider as to the work done and the manner or means of accomplishing the work, an employer/employee relationship exists, even if the right is not exercised. Strong evidence of “control” that could establish employee status if the District’s right to discharge the service provider at will and without cause. The following factors are typically evidence the District does not have the right of control and that the service provider is appropriately designated as an independent contractor. No single factor is determinative. The factors must be considered on a case-by-case basis:

- Distinct Occupation or Business: The service provider is engaged in a separately-established occupation or business
- Industry Custom: The type of work done is usually under the direction of a District without supervision
- Skill: The skill is required in performing the needed services
- Tools and Place of Work: The person or the District may provide the tools and place of work
- Right to Hire: The service provider has the right to hire or terminate others to assist in performing the services
- Length of Time of Service: The length of time the services are performed is an isolated event
- Method of Payment: Method of payment is complete job or by time, piece, rate.
- Not Regular District Business: The service provided is not part of the regular business of the District
- District’s Actual Exercise of Control: The District’s actual control over the manner and means of performing the services is limited.
- Intent of the Parties: The intent of the parties is not to create an employer-employee relationship

Warning: Misclassification of the service provider could result in District liability for payroll taxes, a fine, and possibly other sanctions.

Examples of Independent Contractor Services: The following are examples of independent contractors:
- Interpreter services and workshop presenters operating under a business license to provide the same or similar services
- Small Business Development Center consultants providing services to small business owners
- Community Service instructors hired to provide a specific class of which they have expertise and operate under a business license to provide the same or similar service

Consultant for Special Services: The District may employ an individual as a consultant in certain circumstances. Government Code section 53060 authorizes the employment of any persons for the furnishing to the corporation or district special services and advice in financial, economic, accounting, engineering, legal, or administrative matters if such persons are specially trained and experienced and competent to perform the special services required. The test to determine if this arrangement is appropriate is:
- The nature of the services
- The necessary qualifications required of a person furnishing the services
- The availability of the service from public sources

Responsible Manager Review and Acknowledgement

I read the independent contractor guidelines and believe the services to be provided meet the established criteria.

It is also understood and agreed that if a party has not received the required documents within ten (10) business days after the execution of this Agreement, the party, not in receipt of the aforementioned Certificate(s) of Insurance, may terminate the Agreement and seek any and all of the legal remedies available to it.

6.0 Miscellaneous Provisions

It is the responsibility of SOLANO, the user institution to arrange for proper transportation of cadavers.
"Proper transportation" is defined as transport in a closed vehicle (not a passenger vehicle, station wagon, or open-bed truck) with sufficient space for the number of cadavers to be transported in a respectful manner. In addition, anatomically embalmed cadavers are very heavy and therefore the user institution must provide individuals experienced in handling and transporting cadavers.

All cadavers and parts thereof must be returned to the Willed Body Program or their designated Crematory for disposition. This must be arranged in advance. The Willed Body Program will pay for the cremation and scattering of the cremated remains, but the transportation from the user institution back to the Willed Body Program facility or Crematory is the responsibility of the user institution and shall be according to the standards set out above.
Cadavers will not be released until the Willed Body Program has received a completed UCSF allocation request and purchase order.

Please address Letters of Commitment and Purchase Orders to:

Willed Body Program
School of Medicine, AC-14
University of California, San Francisco
San Francisco, CA 94143-0902

6.1 Public Records:

The parties acknowledge that UCSF is a California constitutional corporation subject to California Government Code 6250, et seq. also known as the California Public Records Act ("Act") and that all records and files of UCSF except those that may be excepted by the Act are available to any member of the public who makes a request pursuant to the Act.

6.2 Waiver:

No term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. The failure of either party to exercise any right or remedy hereunder shall not be deemed to be a waiver of such right or remedy or other right or remedy hereunder.

6.3 Ability to Enter Into Agreement

Each party represents and warrants to the other party that this Agreement has been duly authorized, executed and delivered and that the performance of its obligations under this Agreement does not conflict with any order, law, rule or regulation or any agreement or understanding by which such party is bound.

6.4 Parties Bound:

This Agreement, including the indemnification provisions, shall be binding upon and inure to the benefit of the parties hereto, their respective successors, assigns, legal representatives and heirs. This Agreement shall not be assignable by either party without the prior written consent of the other party.

6.5 Section Headings:

The section headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

6.6 Exhibits:

Any and all exhibits attached hereto are incorporated herein by reference and made a part of this Agreement.

7.0 Governing Law:

California law shall govern the interpretation and enforcement of this Agreement. Any litigation or other mutually agreed-upon dispute resolution between the parties shall take
place in San Francisco County, California; both parties waive any objection to personal jurisdiction or venue in any forum located in that County.

7.1 Severability:

If any provision of this contract is found by a court of competent jurisdiction to be unenforceable for any reason, the remainder of the contract shall continue in full force and effect, provided that the severed provision(s) are not material to the overall purpose and operation of this agreement.

It is further agreed that if either party is prohibited by law from performing any term and/or condition of this Agreement, the affected party's performance shall be deemed excused with respect to that specific term and/or condition. However, the affected party shall be obligated to perform any and all other terms and/or conditions not prohibited by law.

7.2 Entire Agreement:

This Agreement constitutes the entire understanding of the parties with respect to the rights and obligations contemplated herein and supersedes any prior understanding between them, whether oral or written, respecting the same subject matter.

IN WITNESS WHEREOF, intending to be legally bound, each party has caused this Agreement to be signed by its duly authorized officer as of the day and year written below.

REQUESTED ACTION: APPROVAL

SUMMARY:

December 7, 2011, marks the 70th anniversary of Pearl Harbor Day, the day when 2,400 lives were lost and changed America forever as it catapulted our nation into World War II. Thousands of Solano County residents answered our country’s call for military service by joining the Armed Forces or the call for civil service by working at Mare Island and other bases. Their service to America has ensured that our country still stands strong, that our founding principles still shine, which allow us to enjoy the blessings of life, liberty, and the pursuit of happiness.

Solano Community College offers sincere appreciation and respect to our WWII Veterans and service members. They have served with courage and distinction in the face of tremendous adversity, and they have demonstrated an unfaltering commitment to America.

Solano Community College honors the contributions of our Veterans and service members to our great and grateful nation with this Proclamation, Resolution No. 11/12-11.

SUBJECT: RESOLUTION IN SUPPORT OF SENATE CONSTITUTIONAL AMENDMENT (SCA) 5, RESOLUTION NO. 11/12-12

REQUESTED ACTION: APPROVAL

SUMMARY:

Regrettably, the future of funding for California’s K-14 education system does not look promising. American Recovery and Reinvestment Act (ARRA) funds have dried up. The revenues from the one-time tax increases as part of the Budget Act of 2009 have expired.

Senate Constitutional Amendment (SCA) 5 (Simitian—State Senator, Eleventh District), which reduces the two-thirds vote requirement in parcel taxes, will be acted on by the California State Legislature. Reductions in the state General Fund revenue have led to reduced school funding. This unstable and erratic funding revenue has resulted in unpredictable funding levels for school districts and county offices of education. The parcel tax revenue can provide a stable, predictable source of school revenue.

Passage of SCA 5 will empower local voters to invest in their schools based on the needs of their communities by requiring a tough, but fair 55 percent vote to pass local parcel taxes, while protecting taxpayers and homeowners with accountability provisions that will ensure that funds generated from parcel taxes are not wasted or mismanaged. Passage of SCA 5 will allow local voters to decide to make investments in their neighborhood schools in addition to state funding. Revenue.
