The roll call vote of each Board member was as follows:

AYES: Trustee McCaffrey, Trustee Claffey, Vice President Young, Trustee Keith, Trustee Chapman, and Trustee Thurston
NOES: None
ABSENT: Board President Honeychurch

9. REPORTS (NO ACTION REQUIRED):

(a) Academic Senate

At the suggestion of Vice President Young, Superintendent-President Jowel Laguerre sang in French birthday greetings to Academic Senate President Thom Watkins. There was applause from those present in the audience. Mr. Watkins thanked Dr. Laguerre for his beautiful serenade.

Thomas Watkins, Academic Senate President, reported that:

--in all sincerity he was MOST HAPPY to be back.
--he would begin his report by wishing everyone a Happy New Year! The Academic Senate held two meetings during the Flex-Cal period, Friday, August 12 and Monday, August 15. The theme for Friday's meeting was "Happy New Year – School Year 2011-2012." President Watkins stated that he wanted everyone to celebrate 2011-2012, starting out with the mindset that it will be a Happy New Year indeed.
--last year was a tumultuous one. There were bright spots in the year, however, and good things did happen: (1) Solano College was removed from all sanctions; (2) We survived the reorganization, and (3) A record number of students, as well as family members, participated in commencement. We want this year to be better.
--early returns are in, and there is a significant increase in student applications. Classes are full.
--the Academic Senate set its goals for the coming year:

- Reviving Faculty Professional Development
- Review of Faculty Hiring Policy
- Reviewing Flex-Cal
• Review of Program Discontinuance Policy and Process
• Vote on Constitution/Election of Academic Senate Vice President

--the August 15 meeting was a joint meeting with the Educational Administrators. Together, we renewed the Happy New Year pledge. EVP Reyes shared the goals for Academic Affairs and the Administrators shared their goals for their respective Schools. The Academic Senate then shared its goals.
--the Senate discussed creating a Flex-Cal Committee. The Committee's charge will be to clarify Flex-Cal as it pertains to Solano Community College and to come up with a uniform set of those items that are considered applicable to Flex-Cal. The committee will be comprised of members of the Academic Senate, the Educational Administrators, and representation from SCFA.
--there was one goal that both groups committed to: to work in concert with one another for the betterment of SCC and its students. Mr. Watkins stated that he thinks if we follow through, it cannot help but make SCC better for everyone!

Superintendent Laguerre stated that the spirit of cooperation that exists between the Senate and administration is strong, and it is really a reflection of the leadership that we have in the Senate. Academic Senate President Watkins and Dr. Kleeberg are very much in favor of dialoguing and have agreed to sit and talk and have difficult conversations that will move the College forward. This is the sign of a healthy relationship.

(b) Superintendent

• Transition of Services from SunGard Higher Education (BANNER)

Superintendent Laguerre introduced and welcomed Frank Pahlke, Project Director, and Andrew Nagorski, General Manager, from SunGard Higher Education (SGHE), who gave a PowerPoint presentation to the Board on the transition of services from SunGard Higher Education (BANNER) to Solano Community College.

The project background included the thirteen-month project that was scheduled to run through early May 2011, operational support, consulting and product implementation, and transition SunGard responsibilities back to SCC staff.

The operational transition is focused on maintaining a consistent level of IT support while providing knowledge transfer to SCC staff. Four major components of the operational transition include: continued interim day-to-day support (even though the contract has ended); delivery of available system installation and support, delivery of knowledge transfer Webex sessions for appropriate SCC staff, and a comprehensive final system validation effort consisting of assessment, action, and monitoring.

Services transition is focused on completing product deliverables and issues resolution. SGHE will support the completion of the following deliverables: salary planner and spreadsheet budgeting, advancement, duplicate ID resolution and shared data training; improved security, SARs completion, eCollege, PeopleAdmin, and Oracle 11G. SGHE will provide support for the
following remaining issues: address leave accrual problem, set up security in HR and Finance, and address drops for non-payment.

At Solano College’s request, SGHE has completed and presented to SCC administration a no-cost study regarding the current IT organization. The complete report is available from administration.

Mr. Pahlke concluded by stating that SunGard Higher Education has received an offer to merge with a major competitor and has announced its anticipated merger with a private equity firm that also owns Datatel. There will be a five-month regulatory process with the intent to have a significant entry into higher education and provide services enjoyed by both companies. Mr. Pahlke stated that the merger won’t overshadow the work that remains to be done at Solano Community College. Customers should feel secure in the investment of both products. The cultures of both companies are strong.

Dr. Laguerre stated that SunGard Higher Education has done a good job of “showing up and working with us” to get us to a comfortable level of competency with Banner. We are happy with the efforts that have been made. We are using the product well and the additional ongoing work is not going to cost the District anything.

*An excerpt from the presentation*

A full and complete copy of the PowerPoint presentation is available for review in the Office of the Superintendent-President and in the Office of the Director of Technology and Support Services.

Dr. Jowel Laguerre, Superintendent-President, requested that Dr. Chris Myers, Interim Director of Research and Planning, present to the Board the results of the recent Board Development Survey, which covered the following topics:

- Board development activities in which members are likely to participate.
- Activities that Board members are willing to support.
- Topics about which Board members would like to receive presentations.
- Topics that members would be willing to present to the Board.
- Most important areas for Board development.
- Interest in making a presentation about the SCC Board’s work at a league, ACCT or AACC Conference.
- Other things that should be done to support the Board’s continued development and effectiveness.

Dr. Myers thanked the Board for taking the time to complete the survey. The results will be helpful to Dr. Laguerre as he works with the Board in planning development activities. A copy of the survey results will be sent electronically to the members of the Board for their files. Trustee Chapman commented that this survey shows the Board’s commitment in areas where the members feel Dr. Laguerre should be leading, i.e., student learning and professional growth, reiterating the fact that the Board continues to be interested in student success.
Dr. Jowel Laguerre, Superintendent-President, requested that Dr. Chris Myers, Interim Director of Research and Planning, present to the Board information on achievement gaps among ethnic groups in Gateway courses.

Dr. Myers stated that Gateway courses are introductory courses or other courses needed to progress to college-level or higher-level courses, gain entry to specific programs, such as nursing, or earn an Associate’s degree, and are identified by a retention rate (percentage of students completing the course) and success rate (percentage of students receiving an A, B, C, or credit grade).

Dr. Myers specifically addressed only four of the 17 courses, i.e., Biology 14, English 370, Math 102, and Psychology 1. In each discipline, the retention rate and success rate were identified by ethnic background with the comparative percentage for change between 2004-05 to 2009-10, either plus or minus.

A summary of the retention rates was as follows:

- Highest for Filipino and White students.
- Lowest for African American students.
- Filipino students had the largest five-year increase.
- Latino students had the largest five-year decrease.

A summary of the success rates was as follows:

- Highest for White students.
- Lowest for African American students.
- Filipino students had largest five-year increase.
- African American students had largest five-year decrease.

Dr. Laguerre drew the Board’s attention to Table 11 of Dr. Myers’ PowerPoint presentation, success and retention rates by ethnicity for Math 102 – Elementary Algebra, which denoted a negative success rate change for all ethnic groups. This is an important issue for the College to address. This data helps us see where we are with students and where we need to address their needs.

A full and complete copy of the PowerPoint presentation is available for review in the Office of the Superintendent-President and in the Office of the Director of Research and Planning.

Dr. Laguerre requested that Ms. Barbara Fountain report on the fall enrollment figures for 2011. She gave the registration statistics overview for first day of instruction, census and actuals reported on the 320 Report.

Following are the first day of instruction FTES/Headcount figure comparisons for fall 2009 vs. fall 2010 and fall 2011.
FTES | Headcount
---|---
**Fall 09** | 5008.66 | 11,646 | 798.76 | 2780 | 226.56 | 1381 | 22.3 | 184
**Fall 10** | 4666.92 | 11,340 | 598.55 | 2881 | 297.60 | 1705 | 15.07 | 124
**Fall 11** | 3921.82 | 10,945 | 455.47 | 747 | 302.67 | 439 | 15.31 | 18

Trustee Chapman inquired about the difference in headcount for fall 2009 compared to fall 2011 (a decline from 2780 to 747). Ms. Fountain stated that the change makes sense in light of our reduced course offerings, which would drive students to take classes at the Vallejo Center and other locations. She stated further that since this is a dramatic drop that she would check with the appropriate departments, double check the data and report back to the Board at a future meeting. It is possible a different set of criteria was used and stated that there are always many variables to consider.

*Trustee Keith left the meeting at 8:30 p.m.*

Superintendent-President discussed with the Board of Trustees the fall 2011 Solano College vs. Solano County demographic comparisons, stating that 60% of our students are females vs. 40% are males that are attending Solano College with the county being approximately evenly divided with 50% males and 50% females. President Laguerre stated the importance of getting men to come back to college.

The Board asked for a copy of the fall 2011 demographic comparisons as shared by President Laguerre.

Dr. Laguerre asked Arturo Reyes, Executive Vice President, Academic and Student Affairs, to present the Solano College Community Educational Master Plan forum dates, which will be held in Winters, Vacaville, Dixon, Travis AFB; Fairfield, Vallejo and Benicia (TBD). Trustee Chapman asked that this information be sent electronically in order for the members of the Board to share with their constituents. Facts about the College and the gathering of information from participants of what they perceive to be our strengths and challenges will be addressed at these meetings. The Board of Trustees requested that a press release be prepared announcing these dates to the community.

Dr. Laguerre concluded his report by commenting on the success of the recent Flex-Cal events. He stated how impressed he continues to be with the work by Professors Jim DeKloe, Dr. Ed Re, in Biotechnology, and Mr. Ken Williams in Horticulture. Dr. Laguerre thanked the grounds and facilities staff for the work they have done over the summer to get the campus ready for school and for the work they did in moving the Art Department to the portables for the academic year. Vice President Young called for a brief recess at 8:45 p.m. Vice President Young reconvened the meeting at 8:51 p.m.

10. **CONSENT AGENDA – ACTION ITEMS**
Vice President Young reported that Dr. Jowel Laguerre, Superintendent-President, made the following correction to the Consent Agenda as follows:

Vice President Young stated that she pulled Item 10.(d), Designation and Disposal/Disposition of District Surplus Equipment and Property, Resolution No. 11/12-06, in order to have a public roll call vote.

Moved by Trustee McCaffrey and seconded by Trustee Thurston to approve Item 10.(d), as presented. The motion carried unanimously with the following roll call vote.

STUDENT TRUSTEE ADVISORY VOTE: Lexi Parmer concurred.
AYES: Trustee Chapman, Trustee Thurston, Trustee McCaffrey, Trustee Claffey, and Vice President Young
NOES: None
ABSENT: Trustee Keith and Board President Honeychurch

12. RETIREMENT OF STAFF WITH 10 OR MORE YEARS OF SERVICE

(a) Resolution Honoring Zafer Sun

Vice President Young recognized Dr. Sanford Wright, retired Professor of Political Science, and Coordinator of the Ethnic Studies program, who requested to comment on Zafer Sun’s retirement.

Dr. Wright stated the part of his job that “made it good” was being able to work with Mr. Sun. Zafer’s service to the College was extremely valuable because he always put students first. Professor Wright expressed thanks to Zafer for always providing him with work study students in his Ethnic Studies program who were instrumental in helping it be successful over the years. Dr. Wright gave examples of several success stories on how matching students with the right departments effectuated student success and how many went on to get higher degrees after attending Solano College. Dr. Wright thanked Zafer for his support and all who have been associated with him at the institution. “We all should feel good about the service he provided. We are lucky to have had him here.” There was applause from those present in the audience.

Vice President Young recognized Erin Vines, Dean of Counseling and Special Services, who requested to comment on Zafer Sun’s retirement. Dean Vines stated it has been an honor to work with Zafer for the past five years. He has done honorable work with the planning of many career days with outside businesses coming to campus, matching up students with employment opportunities, and transfer days throughout the years informing thousands of students of opportunities to further their education. Zafer has been a good match for connecting students with work opportunities. He is a pleasant person to be around and has done a phenomenal job on behalf of students. Again, there was applause from those present in the audience.

Dr. Jowel Laguerre presented to Mr. Zafer Sun the resolution honoring him for his years with the District since 1989. Mr. Sun will retire from his current position as Employment Development Officer, effective August 27, 2011, after twenty-two years of faithful service to the District.

Dr. Laguerre read the following excerpt from the resolution:
Whereas, Zafer Sun represented the college at various interagency collaborative forums, such as the Solano County Workforce Investment Board (WIB) Steering Committee, North Bay Employment Connection Project, and Solano County Office of Education Curriculum Council; and

Whereas, Zafer Sun’s dedication and commitment to Solano Community College has earned the respect of the community, faculty, staff, and students; now, therefore be it

Resolved, That Zafer Sun will be sorely missed, and the Governing Board expresses its sincere appreciation for his many contributions and wishes him well in his richly deserved retirement and future endeavors.

Congratulatory applause was extended to Zafer Sun on behalf of his retirement from the College.

Mr. Zafer Sun thanked the Board for taking the time to honor him with a resolution, stating it meant a lot to him to receive it. Mr. Sun acknowledged his working relationship over the years with several of the Board members and especially thanked Trustees Thurston and Young who were wonderful professionals and mentors and friends. Zafer thanked Dr. Laguerre for his leadership and ease of communication, which is important in a leader. Zafer also acknowledged Dr. Wright, Larry Yoder, and Lynette Gray who came to support him and thanked them for their friendship over the years. Zafer stated, “It has been a good ride,” and is going to enjoy his new life and expects to come back to visit often.

Moved by Trustee McCaffrey and seconded by Trustee Thurston to approve the resolution honoring Zafer Sun’s retirement from the Solano Community College District. The motion passed unanimously with the following roll call vote.

STUDENT TRUSTEE ADVISORY VOTE: Lexi Parmer concurred.
AYES: Trustee Chapman, Trustee Thurston, Trustee McCaffrey, Trustee Claffey, and Vice President Young
NOES: None
ABSENT: Trustee Keith and Board President Honeychurch

13. NON-CONSENT AGENDA ITEMS – ACTION ITEMS

Academic and Student Affairs
(a) Alternative and Renewable Fuel Grant

Dr. Jowel Laguerre, Superintendent-President, presented the alternative and renewable fuel grant, which SCC has been awarded in the amount of $500,000 to create and install an alternative vehicle maintenance program for students in our region with automotive maintenance backgrounds. The program will teach students to safely and effectively work on electrical/gas powered hybrid automobiles. The program will serve 320 students in our Northern California region. Solano College was one of three schools chosen to receive the grant funding.
Moved by Trustee Thurston and seconded by Trustee McCaffrey to approve the alternative and renewable fuel grant in the amount of $500,000, with a term end date of December 31, 2012. The motion carried unanimously.

14. INFORMATION/ACTION ITEMS – ACTION MAY BE TAKEN

(a) Revised Classified Job Description – Aeronautics Lab Technician

Dr. Jowel Laguerre, Superintendent-President, presented the revised classified job description for the Aeronautics Lab Technician position. The job description has been revised with input and concurrence from the Classified school Employees Association (CSEA), Chapter #211, to correctly reflect the minimum qualifications of the position. The position is included in the CSEA collective bargaining group and the current salary placement is Range 12.

Moved by Trustee McCaffrey and seconded by Trustee Chapman to approve the revised classified job description for Aeronautics Lab Technician as amended. The motion carried unanimously.

15. INFORMATION ITEMS – NO ACTION REQUIRED
