6. REPORTS (NO ACTION REQUIRED)

(a) Foster Youth Success Pilot Program Update
    Facilitated by Maureen Mason-Muyco, Financial Aid Outreach Specialist; Tracy Fried, California Community College Chancellor’s Office (CCCCO); Karl Porter, Solano County Health and Human Services; and Becky Cruz, Solano County Office of Education

Ms. Maureen Mason-Muyco and several partners from the community updated the Board on the College’s efforts to support former foster youth. The California Community Colleges established the Foster Youth Success Initiative (FYSI) to assist foster youth in accessing and successfully completing college. The purpose of FYSI is to increase the number of California Community College students receiving degrees or vocational certificates who are former foster youth. When foster youth leave their foster homes, mostly at age 18, they need to manage their lives. Some end up at College and succeed. Many attempt to enroll and are not successful at doing that. The program at Solano College helps to bridge that transition for them.

(b) Speech and Debate Team Update
    Facilitated by Neil Glines, Speech Instructor; and Elizabeth Simas, Forensic Coach

Instructor Neil Glines introduced those present from the Speech and Debate Team. In a PowerPoint presentation to the Board, the “speaking Falcons” and their accomplishments were highlighted. Over sixty individual awards have been won this academic year at six tournaments. Mr. Glines shared with the Board where our past students have transferred, further identifying their degrees earned, since 2000. The “speaking Falcons” will journey to the California State Championships in Woodland Hills March 16 – 20, and then onto the Nationals in Greenwich, Connecticut in April. There is no doubt they will continue to make us proud.

Mr. Lance Bubak will soon be transferring to the University of the Pacific on a forensic scholarship to finish his Bachelor’s Degree. Mr. Bubak demonstrated excellence in a five-minute impromptu speech on medicinal marijuana dispensaries. There was a round of applause from those present in the audience.

Instructor Glines concluded by stating that the students have worked hard to complete the necessary work to go to state and national tournaments, asserting further it is their intent to bring
home national trophies. They cannot do this without adequate funds. Mr. Glines asked the Board for their help to unfreeze the funds in place for the Speech and Debate Team.

(c) Sabbatical Leave Reports for the Academic Year 2009-2010

- Erin Farmer – Fall 2009 – “The Use of Multimedia to Enhance Instruction and Increase Enrollment in Literature Courses”

Ms. Farmer thanked the Board and her colleagues who were responsible for allowing her to take her sabbatical. She said, “In times of tight budgets, an opportunity such as this is like pure gold.”

In the past two years, in keeping with the mandate of the Basic Skills Initiative and led by the efforts of the Solano College Basic Skills Committee, the English Department has focused much time, energy, and resources on its basic skills curriculum and pedagogy with the expectation that this work will yield benefits in terms of student success, as well as higher enrollment and retention numbers. Meanwhile, the Department’s Literature elective course enrollments have been languishing.

Instructor Farmer made a very enlightening presentation to the Board on the work she did in providing Literature courses online. She impressed the Board with the quality and quantity of her work. Part of her sabbatical featured interviews and documentation of former students’ success after they transferred to four-year institutions.

A full and complete copy of the PowerPoint presentation given is available for review in the Office of the Superintendent-President.

Ms. Florence stated the purpose of her sabbatical was fourfold. She completed the requirements for the Master of Fine Arts Degree in Painting at the San Francisco Art Institute. She developed three new courses - A studio art/lecture course entitled “Mural Painting – History Community, Practice” (Art 18), which was part of her initial proposal. Thirdly, Ms. Florence developed readers for her lecture courses, in place of traditional textbooks. Finally, she finished writing a 393-page, non-traditional textbook for Solano College’s Art Appreciation classes.

A full and complete copy of the PowerPoint presentation given is available for review in the Office of the Superintendent-President.

Dr. Jowel Laguerre commended both Ms. Farmer and Ms. Florence for the fine work they are doing, for their excellent presentations, and for using their sabbatical leaves wisely.
