AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into this 1st day of July, 2013, by and between the Solano Community College, hereinafter referred to as College, and Dannis Woliver Kelley, a professional corporation, hereinafter referred to as Attorney.

In consideration of the promises and the mutual agreements hereinafter contained, College and Attorney agree as follows:

College appoints Attorney to represent, advise, and counsel it, from July 1, 2013, through and including June 30, 2014, and continuing thereafter as approved. Any services performed during the period between the above commencement date and the date of Board action approving this Agreement are hereby ratified by said Board approval. Attorney agrees to prepare periodic reviews of relevant court decisions, legislation, and other legal issues. Attorney agrees to keep current and in force at all times a policy covering incidents of legal malpractice.

College shall be truthful with Attorney, cooperate with Attorney, keep Attorney informed of developments, perform the obligations it has agreed to perform under this Agreement and pay Attorney bills in a timely manner.

Except as hereinafter provided, College agrees to pay Attorney two hundred twenty-five dollars ($225) to three hundred dollars ($300) per hour for shareholders, special counsel and of counsel; one hundred eighty-five dollars ($185) to two hundred twenty-five dollars ($225) per hour for associates; and one hundred twenty dollars ($120) to one hundred forty dollars ($140) per hour for paralegals and law clerks. Rates for individual attorneys may vary within the above ranges depending on the level of experience and qualifications and the nature of the legal services provided. Substantive communications advice (telephone, voice-mail, e-mail) is billed in a minimum increment of one-tenth (.1) of an hour. In addition, reasonable travel time will be charged at the regular hourly rate. In the course of travel it may be necessary for Attorney to work for and bill other clients while in transit. If, during the course of representation of College, an insurance or other entity assumes responsibility for payment of all or partial fees of Attorney on a particular case or matter, College shall remain responsible for the difference between fees paid by the other entity and Attorney’s hourly rates as specified in this Agreement unless otherwise agreed by the parties.

Agreements for legal fees at other than the hourly rate set forth above may be made by mutual agreement for special projects or particular scopes of work.

College further agrees to reimburse Attorney for actual and necessary expenses and costs with respect to providing the above services, including support services such as copying costs, express postage, and facsimile transmittals. College agrees that such actual and necessary expenses may vary according to special circumstances necessitated by request of College or emergency conditions which occasionally arise.

College further agrees to pay for major costs and expenses by paying third parties directly including, but not limited to, costs of serving pleadings, filing fees and other charges assessed by courts and other public agencies, arbitrators’ fees, court reporters’ fees, jury fees, witness fees, investigation expenses, consultants’ fees, and expert witness fees. Upon mutual consent of College and Attorney, Attorney may pay for such costs and expenses and College shall advance costs and expenses to Attorney.
Attorney shall send College a statement for fees and costs incurred every calendar month. Attorney’s statements shall clearly state the basis thereof, including the amount, rate and basis for calculations or other methods of determination of Attorney’s fees. College shall pay Attorney’s statements within thirty (30) days after each statement’s date. Upon College office’s request for additional statement information, Attorney shall provide a bill to College no later than ten (10) days following the request. College is entitled to make subsequent requests for bills at intervals of no less than thirty (30) days following the initial request.

It is expressly understood and agreed to by both parties that Attorney, while carrying out and complying with any of the terms and conditions of this Agreement, is an independent contractor and is not an employee of the College.

Because Attorney represents many school and community college Districts, county offices of education, joint powers authorities, SELPAs and other educational entities, conflicts of interest may arise in the course of Attorney’s representation. Because Attorney does not represent many private entities or non-school public entities, Attorney will encounter fewer conflicts of interest than the College would encounter with law firms that represent those types of entities. If Attorney becomes aware of any potential or actual conflicts of interest, Attorney will inform the College of the conflict and comply with the legal and ethical requirements to fulfill its duties of loyalty and confidentiality to College. If College has any question about whether Attorney has a conflict of interest in its representation of College in any matter, it may contact Attorney or other legal counsel for clarification.

College or Attorney may terminate this Agreement by giving thirty (30) days written notice of termination to the other party.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement for Professional Services.

SUBJECT: RESOLUTION ESTABLISHING AD VALOREM TAX RATES FOR THE 2013-14 FISCAL YEAR, RESOLUTION NO. 13/14-03

REQUESTED ACTION: APPROVAL

SUMMARY:

Board approval is requested for Resolution No. 13/14-03, establishing the ad valorem tax rates and debt service for the 2013-14 Fiscal Year. Each year, pursuant to Revenue & Taxation Code Section 93, the Board establishes the rates to be levied on the voter-approved bonded indebtedness for Fiscal Year 2013-14. The District is required to furnish the Solano County Auditor-Controller’s Office with this information, as well as the 2013-14 debt service requirement. The bonds are general obligations of the District payable solely from the proceeds of ad valorem taxes. The resolution certifies the tax rate and authorizes the County to place an ad valorem tax against the taxable property in the District’s service region to pay for the 2005 General Obligation Refunding Bonds and 2006 Series B Bonds and General Obligation Bonds 2012 Series A and Series B Bonds.

Attached are Resolution No. 13/14-03 and the calculation worksheet for the Board’s information.
