All authorizations must be obtained prior to time designated for departure. Requests must be submitted two weeks prior to departure. If a cash advance or prepaid registration is requested, please attach conference information/agenda and schedule, and submit to Fiscal Services for processing a minimum of three weeks prior to departure or prior to date registration is due. Complete only the top and left-handed portion of the form when requesting authorization to travel. Out of state travel must be requested and approved one month prior.

Forward all copies for approval. Travel is not authorized until approved by the Fiscal Services for in-state travel; the Superintendent-President for out-of-state travel. Do not complete unless needed. Complete Part III – Request for Reimbursement section upon return from travel and submit with receipts within seven (7) calendar days.

Part II - Cash Advance/Prepaid

College completes the appropriate section and the requested cash advance is processed. If a cash advance/prepayment is requested by the employee, the employee is to complete this section and submit the request a minimum three weeks prior to date advance or prepayment is needed.

Part III - Request for Reimbursement

Upon return, complete Part III, right-hand side, of the same travel authorization/reimbursement claim form used when requesting authorization for the travel. Reimbursement for expenses for the attendance at conferences or meetings is allowed within the financial limits of the college and upon the approval of the administrator within the college. All reimbursements are pursuant to Board Policy and/or contract.

Original receipts are required for reimbursement as indicated. Canceled checks and credit cards are not considered receipts. Reimbursement request should be submitted no later than seven (7) days after attendance at the conference or return from travel.

Travel advances must be settled within 30 days of returning from the travel. Additional travel advances will not be processed if a previous advance is outstanding and it has been over 30 days since the related travel ended. In compliance with the Internal Revenue Code, if a travel advance is not settled within 60 days after returning from travel, the advance will be reported as taxable income on the employee's next paycheck. After recording the payment as taxable income, the employee still must settle and return any unused travel advance, but the notation as taxable income cannot be reversed.
