

ADDENDUM TO RFP DOCUMENTS

	ADDENDUM #01
	Project: #16-003 Solano Community College District Buildings 800 Technology Classrooms Project
	Date: September 30, 2015

The following clarifications are provided based on questions received or changes in District requirements and must be added/considered when completing your submittal: Acknowledgement of receipt of this **ADDENDUM** is required in the proposal's cover letter of introduction. Please clearly note the addendum date and number.

ITEM:

1. Proposal due date has been revised to **October 6, 2015 at 3:30pm**. Location to submit proposals shall remain as noted in the 'Invitation to Bid'.

Answers to Submitted Questions:

1. Looking at the plans for the Technology Classroom project at Solano Community College, it seems that the project should necessitate a General 'B' Contractor as the prime. We are a C-33 and are happy about the idea of being able to bid as a prime, but I am just wondering before tomorrow's mandatory if the project's requirements will change to only a B general being allowed to bid as a prime on this project?
 - a. Prime Contractor shall be required to possess a California State Contractor's Class B License, which must remain active and in good standing throughout the term of the Contract.
2. Does this project have any PLA (Project Labor Agreements) requirements?
 - a. The District does have a PLA established, but only applies to projects with a construction cost of \$4,500,000 or greater. The PLA does not pertain to this Project.

3. Do you have to be prequalified for this project?
 - a. Prequalification is not required, but the District requires that all contractors submitting bids be DIR registered.

4. Our company is interested in the upcoming Building 800 project and we hold a C15 license. Where can I find all project information? I need to first view the SOW and see if we are able to attend the mandatory job walk. Please let me know.
 - a. Bid documents, including drawings and specifications, may be viewed and/or obtained by logging on to: www.blueprintexpress.com/sccdmeasureq or by calling BPXpress Reprographics at (707) 745-3593. Bidders can register with BPXpress and purchase a complete set of bid documents for a non-refundable fee.

5. Can you give me the estimate for this project please?
 - a. Construction estimate for this project is \$40,000 to \$60,000.
