I. Program & Projects Update

PROGRAM UPDATE:

Measure G is the District's \$124,500,000 General Obligation bond, passed by voters in 2002. Measure G funds were used by the District to renovate aging campus buildings, complete needed safety and infrastructure improvements, modernize classrooms, and construct new buildings as required by the District to better serve the community. With additional sources of funding, including interest, the District was able to leverage those funds to construct over forty-two (42) projects, valued at over \$150 million dollars. All Measure G projects have been completed and all available funds expended. Once the final FY 16/17 Audit Report is completed, Measure G will be closed.

Highlights of the Measure G Bond Program include:

- The construction of the Vacaville and Vallejo Educational Centers in the communities of Vacaville and Vallejo. Each Center serves approximately 1,200 students and includes over 60,000 square feet of instructional space combined.
- Construction of a Student Services Building on the Fairfield Campus, which consolidated the student support services under a single roof.
- Support for student athletes and the Physical Education department with the renovation of the Gymnasium and the creation of a new entry plaza, as well as improvements to playing fields.
- New equipment for Nursing, Social Science and a modernization of their facilities.
- Improvements to the utility infrastructure to improve safety and maintenance, as well as accessibility improvements and Americans with Disabilities Act (ADA) upgrades to meet new codes.
- Modernization of Building 600, including the Board Room. The Board Room includes state of the art audio-visual
 systems that leverage existing information technology infrastructure and are linked to other classrooms on
 campus and the Centers. The technology facilitates "distance learning" by connecting students virtually and
 allowing the District to consolidate teaching resources to create efficiency. Building 600 was the final major
 Measure G project.

Provided herein is Solano CCD Measure G Bond Program Quarterly Progress Update. The report highlights project progress from April 1, 2017 – June 30, 2017. The bond program budget is based on the Final Bond Spending Plan approved by the Board. Project expenditures include all expenditures through June 30, 2017.
