

New Student Admissions Process

Ensuring Priority Registration

The earlier you complete this process, the better chance you have to meet all requirements in time to get a priority registration date.

1. Complete Your Application

Complete the online admissions application at solano.edu or pick up a paper application at the Admissions Office.

2. Orientation/Information Workshops

A 1.5 to 3-hour evening session (see schedule provided on the following page for dates, times, and locations) during which students will learn about the following:
