This ADDENDUM, dated January 23, 2014 supersedes the original PROJECT MANUAL and DRAWINGS and previous Addenda, wherein it contradicts them. All other conditions remain unchanged.

Acknowledgment of receipt of this ADDENDUM is required on Bid Form.

Addedum#4, dated 2/3/2014,

Door #1: Door #1 shall be remote operated, ADA operator shall be mounted on a new post and contractor is to provide electrical to the door.

Door #2: No cylinder is required for door #2.

Door #4, 5, 6, 7 & 8: Contractor is to haul away existing doors and door hardware and to provide exterior fire rated solid core doors.

Door #4, 5, 6, 7 & 8: Remove and replace hinges. Paint new doors and existing frame (interior and exterior) to match existing interior color.

Door #9: Cylinder is required for door #9.

Engineer's estimate is \$32,000.00

Clarification-

- Door #10 & 11: the classroom setting is none key and would be precession with battery operated alarm.
- The contractor is required to bid based on specific hardware called in exhibit "A".
- Provide battery operated alarm to door 4, 5, 6, 7 & 8.
- For door #2 and 9 alarm kit is not required.
