

STUDENT EQUITY COMMITTEE MEETING

APRIL 23, 2014

MINUTES

Present: Shirley Lewis, Annette Dambrosio, Peter Cammish, Karen McCord, and Carolyn Moore

Coordination of Student Success and Equity Planning Committees: The Committee discussed the need to coordinate efforts of all student success and equity committees as well as the need to determine precise charges of these committees.

Peer Review: The issue of Peer Review was briefly discussed.

Structural issues. May force people to come

Personnel updates.

Basic Skills Completion: Reading comprehension is key to success. 1/3 of students have not taken Math or English.

Also discussed Math 112. Umoja and the Math department are piloting a 1 unit Summer Math Review class, led by Genele Rhoads. Pam Sheehan, Carlos Esteve are also involved. Umoja students will participate in this summer math enrichment program.

Research and Data: Discussed the 80% rule and DI.

The Student Equity Committee will look at some research questions involving the mandatory core matriculation services: admissions, assessment, orientation, counseling and advising.

Online Orientation: The Committee recommends that the online orientation be revised and strengthened.
