

## Intersegmental General Education Transfer Curriculum (IGETC)

2009 - 2010 (Revised)

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that allows community college transfer students to fulfill lower-division general education requirements either at the UC or the CSU system. The IGETC pattern is most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus. Completion of IGETC does NOT guarantee admission, nor is it required for admission. IGETC is not appropriate for some majors. Please see a counselor for additional information and guidance.

## Items to Note

- 1. All courses used for IGETC must be completed with a "C" grade or better and be IGETC approved at the time the course is completed.
- 2. To meet the Solano Community College GE requirement under option B, at least one of the following cross-cultural courses must be included: ART 012, CINA 011, ENGL 012, 036, HIST 037, HUMN 003, MUSC 013, PLSC 005, SPCH 012, SOCS 022 or THEA 013.
- 3. Students must see a counselor to initiate IGETC certification prior to transfer.
