VI. **ADVISOR'S REPORT**

A. Denise Martinez

- a. Reiterating that if clubs are not present for two consecutive meetings, you run the risk for the club to be removed from the ICC; the club will disband and all funds will be returned to the ASSC.
- b. Part of being a club is attending ICC meetings, and getting credit for events is also involved in this. This announcement is meant to be a protection for clubs, as administration would like more documentation for clubs being active, attending ICC is part of that.
- c. May 17<sup>th</sup>= bike to work day; ASSC is holding a table from 7:30 to 10:00 AM; you are able to help run the table and meet other people who are also biking to school/work; this is also a way to get involved

with ASSC. Contact Ms. Denise Martinez for more information and involvement.

- d. Yesterday was a very successful Olympic Day; requesting more club involvement with on-campus events.

## VII. **GUEST SPEAKER**

### A.

## VIII. **INFORMATION/ACTION ITEMS**

### A. Club Collaborations

- a. French Club is planning a movie night on Friday, so they need documentation for the event; they are planning on hosting it in a French classroom (specific one TBD); they are also doing an end-of-the-year picnic, with a meeting on 6 PM on Monday; it will take place on 12-1:30 PM on May 17<sup>th</sup>
- b. Denise Marinez will also be a part of the Dance show; it's optional, but you are invited to dress up for the event. This event will be with dance classes and the club and will be a showcase; there will be a faculty/staff appointments (this will be May 10<sup>th</sup>); clubs can also document their support through a request to hold an activity, even if it's just a couple of people from the club. This event will also have interpreters.

### B. Fall Welcome Day

- a. August 7<sup>th</sup>, 9:30-2:30. This is a club promotion opportunity, and the tabling portion will take place at around noon time. Ms. Martinez sent an email to clubs to get interest in who will participate in Fall Welcome day. This event will take place before classes start, but there will be students on campus. This is an attempt from the college to host a bit of a orientation event for new students who might not know where admissions are, or how to get involved, etc.
- b. There will be other events as well, such as workshops, which will also be another opportunity for clubs to be involved. It's important for Ms. Martinez to know how many clubs would like to participate, so that there is an estimate for how many people will be at the event.
- c. Last year, it was more as a pop-up for clubs, so this year, we are attempting to get more involvement from more departments on campus.
- d. French Club will also want to participate. The Dance Club will most likely want to participate in this event as well. The Art Club also wants to participate in this event. Premed club will also most likely be there.
- e. Because this event is just a tabling event, other entities on campus would also be able to participate in this event.
- f. Snacks being provided is also another thing that is to be determined, as the funding is coming from a different place than other events with snacks being provided such as Club Promo Day (which is funded by ASSC).

- g. *CLUB FUNDING*: clubs must include two meeting minutes where the purchase is approved and discussed, and receipts for it. When tuning it in, there must be all of the necessary forms, including the event flyer, or where the event is, its purpose, etc. After that, it will be approved by student development, then ASSC; after this is approved, this will be sent to Dean Lewis, then the VP, then fiscal; from there, Fiscal will send out a check to the purchaser. The form is online and in the ICC handbook
