Denise' goal is to have five students on the hiring committees. December 9 is the nearest date is December 9, 2024. Students don't need to be a film, Major. Students don't need to be a nursing Major. Whatever committee the student wants to sit on. That's the committee that Denise will connect the student with the chair, and they will work with him or her on scheduling those interviews. In order to sit on the committees, the student needs to have one hour of training. The equal opportunity training will be on November 18, 2024.
 - ii. Students can get paid. If you are a student worker. All that Denise has to do is submit a form 6 on her end. If you're not a student worker, the student will have to go through the hiring process to get him or her hired, and then Denise will submit a form 6 for the student to sit on. The goal is to do the training on November 18,

2024.

iii. It is important that every club has the proper documentation for their activities otherwise they can risk being disbanded for not having the proper paperwork and record of their activities.
