To CCCAA Awards Committee,

Solano Community College

September 18, 2024,

To Whom It May Concern:

I am please to recommend the Solano Community College Baseball Team for the CCCAA Scholar Team Award. The college was very fortunate to have this group of hard-working athletes demonstrate their skill both in academics as well as on the field.

While achieving a CCCAA spot in the playoffs, the team put in some amazing statistics. The baseball falcons achieved a winning season with 26 wins and just 15 losses. In conference play they earned second place in the Bay Valley Conference with a record of 16-5. In that season they were able to earn a winning percentage of .762.

What pleased me most was their academic performance where the team earned a cumulative GPA of 3.34. This demonstrates the extra work the team has put in toward their academics. As their counselor, I was more than glad in finding out this information. I had met many for their ed plans and it did seem like a very motivated group.

We are all very proud of this team and believe that they deserve the honor of the CCCAA Scholar Award.

Sincerely,

Nicholas Cittadino  
Academic Counselor
