

Solano Community College Registered Nursing Program Application Checklist

- ☐ Required: Complete an SCC Online Application at www.solano.edu
- Returning SCC students who did not attend SCC in the last semester must complete a new SCC application before accessing the Nursing application
 - Student ID Number: After submitting your CCCApply application an email will be sent to the email address you provided in the application, and it will include your SCC ID number, username, and password for your MySolano account.
 - If you were a previous Solano student, your old SCC ID number will be reactivated after you complete a CCCApply application. After this step, you can complete the online Registered Nursing (RN) application.

- ☐ Strongly Encouraged: Schedule an appointment with an SCC Counselor to review all transcripts and obtain a “Nursing Pre-Major and General Education Requirement Check Sheet.”

If you have units from other colleges, you must have official transcripts sent directly to SCC at least 2 weeks prior to the appointment. Or bring official sealed copies with you to your appointment. If you chose not to meet with a Counselor try to make sure you have met all of the requirements on the “Check Sheet” using your transcripts.

- ☐ Required: Complete the SCC “Registered Nursing Program Application” online between Sept 1-30. <https://welcome.solano.edu/nursing/>

- ☐ Required: Proof of high school graduation or equivalent. (GED Score or CHSPE Certificate of Proficiency Exam also accepted).

Students with a completed AA/AS degree or higher do not need to submit proof of high school graduation, but must submit proof of degree completion (in progress not accepted). Students who hold an AA/AS or BA/BS degree from a regionally accredited college in the U.S. or Canada will be exempt from course-by-course GE evaluation requirements.

- ☐ Required: All college transcripts documenting completion of all required courses as follows:

Unofficial transcripts from SCC

Official (sealed) transcripts from schools other than SCC

All OFFICIAL transcripts must be received in the SCC Office of Admissions & Records by September 30 of the application year. Do not delay requesting official transcripts, as institutional processing may delay receipt at SCC by the above deadline.

All transcripts from outside the U.S. must be evaluated by a NACES approved independent agency. See the list of Credential Evaluation Services for instructions for obtaining the required report.

All prerequisite courses must be completed with a grade of “C” or better or “P”, and final grades must be posted on a transcript. No in progress coursework accepted.

To determine equivalency, a course description and course syllabus is required for colleges and courses taken at any institution other than SCC.

- ☐ Required: Official TEAS test results
Minimum of 62% composite score on the TEAS test (See SCC ADN Policy-TEAS document for more details)

Log onto the ATI Testing Website (<https://www.atitesting.com>) and have an OFFICIAL COPY of your TEAS transcript sent to SCC. SCC will only accept results sent directly by ATI. All scores must be received by September 30 of the application year.

- ☐ Required: Check your email regularly. Notifications about the results are usually sent in late February.
