MUSIC THEORY	3,4,5	MUSC 001	3	N/A	6	5.3	
PHYSICS 1	3,4,5	PHYS 002	5	5A & 5C (4 units) ◊	4	5.3	Cal-GETC: Phys 1 & 2 may apply 4 sem. units. Phys C: Elec/Mag or Mech. may only apply 3 units to Cal-GETC – will need to complete at least 4 sem. units to satisfy Area 5A/5C UC: 5.3 units max combined for all Physics exams.
PHYSICS 2	3	N/A	5	5A & 5C (4 units) ◊	4	5.3	
PHYSICS 2	4,5	PHYS 004	5	5A & 5C (4 units) ◊	4	5.3	
PHYSICS C: ELECTRICITY and MAGNETISM	3,4,5	PHYS 007	5	5A & 5C (3 units) ◊	4	2.6	
PHYSICS C: MECHANICS	3,4,5	PHYS 006	5	5A & 5C (3 units) ◊	4	2.6	
PSYCHOLOGY	3,4,5	PSYC C1000	4	4 (3 units)	3	2.6	
STATISTICS	3,4,5	STAT C1000	2	2 (3 units)	3	2.6	

NOTES:

- Each college and university may vary in their local acceptance and application of credits. We align with the standards in place with the California Community College Chancellor's Office, California State University, University of California Office of the President, and the Cal-GETC Standards.
- If a specific AP exam is not listed, local acceptance will default to the CSU standard in most cases. Please consult with a counselor.
- Students may earn associate degree and general education credit for Advanced Placement (AP) Examinations with scores of 3, 4, or 5. Advanced Placement Examinations are noted in the chart below with the specific course credit listed or with the notation of "N/A" where applicable. AP exams not included in the chart may have been exams offered in the past. Consult with a counselor to determine applicability.
- Students must have the College Board send official AP exam results to the Solano Community College Admissions and Records office for use on the associate degree or general education pattern. Please note: Course credit and units granted by Solano Community College may differ from course credit and units granted by a transfer institution.
- A student planning to transfer to a four-year college or university must consult with that transfer institution's catalog and admissions department regarding its awarding of Advanced Placement credit. Credit awarded at Solano Community College for the completion of a local AA/AS degree, Solano Community College General Education and California General Education Transfer Curriculum (Cal-GETC) is as noted above. For California State University (CSU) General Education, please refer to their policies. If a student retains catalog rights prior to Fall 2025, please meet with a counselor to determine credit placement. AP exams may not satisfy the requirements for specific majors at four-year colleges. Please consult with a counselor and/or a university representative on major specific courses and prerequisites.
- Units awarded for Advanced Placement exams may not be used to meet the residency requirements for the associate degree.

◊ IMPORTANT NOTES ABOUT AP SCIENCES FROM Cal-GETC STANDARDS: AP exams in Biology, Chemistry or Physics 1 and 2 (which replaced Physics B) allow CCC campuses to apply 4 semester or 5 quarter units to Cal-GETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for Cal-GETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

± Students who take the Calculus BC examination and earn a subscore of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they do not receive a score of 3 or higher on the BC examination.

* Note that AP Environmental Science may count for BIOL 012 for SCC purposes, but will not count for CSU GE Area B2 or Cal-GETC GE Area 5B.
